CURRENT EVENTS ASSESSMENT

The situation in our nation is not improving. It seems that the craziness just continues to grow worse. The Supreme Court's decision to overturn Roe v. Wade stated that abortion should not be mandated at the federal level; rather, it was up to the states to decide the matter.

California lawmakers have amended AB 2223 to legalize infanticide, effectively allowing self-induced, do-it-yourself abortions at any stage of pregnancy. The newest version of the bill provides immunity from prosecution for any pregnancy outcome, including perinatal death "due to causes that occurred in utero." What most people don't realize is that the perinatal period includes late-stage pregnancy up to one month after birth. The rabid lawmakers of California

Not to be outdone, a satanic group in the United States advertised free abortions, particularly late term feticide. They were especially candid about their intentions. Since the baby was going to die, why not give it to them so they can

essentially want to expand abortion beyond birth.

sacrifice it to Lucifer.

The different groups of political leadership in California seem to be trying to outdo each other. The California Air Resources Board (CARB) was

established in 1967 under Governor Ronald Reagan with the stated goal of protecting the air quality and complying with air pollution regulation, particularly with the Zero-Emission Vehicle (ZEV) program enacted in 1990.

Governor Gavin Newsom signed an executive order mandating that CARB ban the new sales of

gasoline powered cars by 2035, requiring the exclusive sale of electric vehicles.

None of the people on this governing

board are elected officials. There are eighteen members on the governing

board. Sixteen board members can vote with two non-voting positions. Twelve board members are appointed by the governor with the State Assembly and State Senate appointing two more each. Since the Democrats firmly control the State Senate and the State Assembly, and with Governor Newsom also being a rabid liberal, the people of California essentially have no voice. A number of other states are following California's emission standards and are likely to issue a similar ban on the new sales of gasoline powered cars in 2035.

This is obviously going to affect the automobile manufacturers doing

business in California as they are forced to phase out their gasoline cars with more expensive electric vehicles. Toyota is the

only manufacturer who has invested heavily into hybrid technology, but

ELECTRIC VS GASOLINE

they are still not poised to make that jump given their limited electric vehicle offering. Most of the other manufacturer's currently have a token electric vehicle to comply with California's demands.

This transition from gasoline powered cars to electric vehicles is going to price out lower income people from owning a new automobile since the initial cost is nearly double and maintenance is high as well. The price of a new Tesla is around \$60,000. Are people going to factor in the cost of a replacement battery (\$10,000) at the time of the purchase? Probably not! The dirty secret is that the battery pack on an electric vehicle will degrade after five years, significantly reducing the range of the vehicle between charges. In contrast, a gasoline powered vehicle will still be fully functional and could easily last 20 years if properly maintained.

Public schools across the nation are now introducing a "gender policy" whereby students can enlist the help of school staff to change their gender through name changes and use of pronouns, including puberty blockers and surgery. Parents have been stripped of their rights and have no say in the matter. This means that if a student tells a teacher, "I am no longer a boy" or "I am no longer a girl," the school is obligated to help the child transition to the opposite sex. Again, parents are not to be informed until this nonsense has more or less taken hold and it is too late to rescue the child's warped mind.

SINKING INTO A HELLHOLE

Glenn Beck released a book seven years ago entitled *Agenda 21: Into the Shadows*. It made a deep impression upon me and I was depressed for several weeks afterwards. I knew that even though it was a work of fiction, Beck was predicting the future.

It was once named America, but now it is just "the Republic." Following the worldwide

implementation of a UN-led program called Agenda 21, the once-proud people of America have become obedient residents who live in barren, brutal Compounds and serve the autocratic, merciless Authorities.

Citizens mainly keep their heads down and their mouths shut—but Emmeline is different. When the Authorities took her mother away, she started questioning the world around her. What happened to her mom? Why is everyone confined to grim living spaces and made to eat the same food cubes every day? Why was her own baby taken from her to be raised in the Children's Village? And are those who got away during the Relocations—the so-called shadow people—merely a rumor?

When Emmeline's questions lead to the realization that she will never see her child again, she decides to escape the Compound. Fleeing the armed enforcers of the Earth Protection Agency, and facing the unknown for the first time in their lives, Emmeline and her partner David run into the shadows in the desperate hope of finding something they'd only heard stories about from those who'd lived before the Relocations: freedom.

I mention this book because Beck described the government-controlled areas as being without automobiles, buses and trucks. Transportation featured carts pulled by a team of six men who were harnessed to it like animals. When people needed to be transported, it was a carriage that was again pulled by a group of men harnessed to it. People did not travel outside their compounds, but worked as a collective for the people in the compound. Everyone met in the evening at a central meeting place where they were forced to listen to government propaganda and pledge allegiance to the unknown leadership.

Beck's book is a modern parallel to George Orwell's 1984 published in 1948. Orwell also wrote a book called Animal Farm in 1946. It is the story of a farmer and his wife who face a rebellion on their farm. They drive the farmer and his wife off the property and then all the animals meet to discuss how to run the farm. The pigs are the most intelligent and end up in management, while the other animals worked to serve their needs with the exception of the dogs who served as enforcers. After some time, the other animals had a meeting to discuss how the pigs had become worse than the farmer and his wife.

George Orwell

Orwell was a veteran of the Spanish Civil War (1936-1939) having fought on the Republican side, which consisted of various socialist, communist, separatist, anarchist, and republican parties. They were supported by the Soviet Union, while the Nationalists were supported by Nazi Germany and Fascist Italy. It was a bloody war with heavy casualties on both sides.

Orwell was not a Christian and his writing was extremely pessimistic. He learned first-hand of the future world government and knew the future was not bright. Glenn Beck is a Mormon and a historian. Having been around Washington D.C. and also involved in the Republican Party, he has knowledge of the inner workings of what is known as "The Swamp." Both men predict a future where some kind of "elite" takes power and people are reduced to "slaves." Christians would do well to read these three books to prepare themselves for the time of the Antichrist.

INTENT OF THE WORLD GOVERNMENT

What is the goal of the World Government? I am certain that this question could be answered by George Orwell and Glenn Beck. However, only a born-again believer in Jesus can provide a complete answer. The Bible is a true account of the past, but it also takes it a step further by predicting the future and the end of this world. Since non-Christians have rejected the Bible as the Word of God, they are like men trying to navigate a large and empty dark room with no fixed point of reference. This is absolutely crucial when it comes to discerning the end times.

There is a sinister hidden truth that Lucifer and the Kabbalists are working diligently to establish a global federation with a tyrannical leader. The Bible exposed their program some 1,900 years ago and Jesus revealed they will succeed for a relatively short time.

The Kabbalist's know exactly
what they are doing as they
work to create a global
federation governed by their
messiah – the holy serpent!

Every action by God is carried out according to "eternity time" or "heavenly time." Mankind has a way of measuring time based upon rotations around the sun, but God has a completely different way of measuring time in heaven. Humanity cannot be so narcissistic to think that God is going to conform to our standard of time keeping.

Some 2,475 years ago, an angel was sent to a man named Daniel with a message about the future. The angel conveyed a heavenly time reference when these events would happen, stating it would be "a time, times and an half." It is obvious the angel was operating with a time system that was foreign to humanity. Daniel did not understand and questioned the angel. He was told the interpretation would be provided later. The revelation to the apostle Peter some 1,950 years ago was a fulfillment of God's promise to Daniel, effectively allowing mankind to convert eternity time into earthly time.

"But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day." (2 Peter 3:8)

Using the information provided in this scripture, we can deduce God's eternity time by dividing 1,000 years by 24 hours:

- One hour with God is 41.67 years for mankind.
- One minute with God is 8 months and 8 days for mankind.
- One second with God is 3 days and 22 hours for mankind.

The Bible reveals that a despotic global leader will come to power and his reign will last for one hour.² Think about it for a moment. What can you accomplish in an hour? That's not much time to rule the world. But what if the Bible wasn't

referring to earthly time? What if this was on a cosmic time scale? Properly converted this would amount to 41.6 years for humanity, meaning the man of sin will rule the world for more than four decades!

DECEPTION

God chose Abraham to be the father of the Israelites. From his loins would come a peculiar people, chosen by God to be His representatives to the other nations. Abraham had a son named Isaac, who in turn had a son named Jacob. He had an experience with God and his name was changed to Israel. Jacob had twelve sons who over time became the twelve tribes of Israel.

"But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy." (1 Peter 2:9-10)

God's purpose for the Israelites was two-fold:

- 1. They were to preserve the Scriptures.
- 2. They were to be a conduit for the Messiah.

Given the rise of Christian Zionism, what I am about to say will more than likely make a lot of people uncomfortable because they have been brainwashed to think highly of the Jews – to the point that they're venerated even when there is a moral failure. One such example would be the two-tier salvation plan being promoted that states Gentiles must come to Jesus in order to be born again, but God has a "special plan" for the Jews. This is pure heresy.

¹ Daniel 12:5-9

² Revelation 13:1-18; 17:11-12

"Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ.

There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise." (Galatians 3:16, 28-29)

The Antichrist is going to be a Jew who rejects the God of Abraham, Isaac, and Jacob. He will be a practicing homosexual and reign out of Jerusalem as a global dictator. The prophet Daniel was given a description of this end time ruler.

"And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done

Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all.

But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things.

Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain." (Daniel 11: 36-39)

When God gave the prophecy to Daniel, it was pointed out that the Antichrist will reject the God of his fathers and become his own god. This lines up with the Kabbalistic doctrine. It is important to remember when God the Father sent God the Son to the earth to become the Messiah for humanity, Jesus proclaimed that He and the Father were one and that the Son of God was divine. The Man of Sin won't have a desire for women, indicating that he

will be a homosexual. This is not implausible given the Devil counterfeits everything that God does and this is

evident with today's militant
homosexuals who claim their "love"
is just as valid as that of a man and
woman. The renegade Kabbalistic
messiah will likewise mimic the
real Messiah and declare his
divinity from the rebuilt temple.

"Now we beseech you, brethren, by bestelling the coming of our Lord Jesus Christ, and by our gathering together unto him, That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

wrongdoing before Let no man deceive you by any means: for before that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;

Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God." (2 Thessalonians 2:1-4)

The Man of Sin will reject the

God of Abraham, Isaac, and

Jacob. He will be a homosexual

and declare his divinity in the

rebuilt temple at Jerusalem.

It is in the Book of Revelation that we discover the Antichrist will reign out of Jerusalem. God will send two prophets to stand in front of his palace for 3.5 years and torment him.

"And there was given me a reed like unto a rod: and the angel stood, saying, Rise, and measure the temple of God, and the altar, and them that worship therein.

But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months.

And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.

These are the two olive trees, and the two candlesticks standing before the God of the earth.

And if any man will hurt them, fire proceedeth out of their mouth, and devoureth their enemies: and if any man will hurt them, he must in this manner be killed.

These have power to shut heaven, that it rain not in the days of their prophecy: and have power over waters to turn them to blood, and to smite the earth with all plagues, as often as they will. And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

And their dead bodies shall lie in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified.

And they of the people and kindreds and tongues and nations shall see their dead bodies three days and an half, and shall not suffer their dead bodies to be put in graves.

And they that dwell upon the earth shall rejoice over them, and make merry, and shall send gifts one to another; because these two prophets tormented them that dwelt on the earth.

And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them.

And they heard a great voice from heaven saying unto them, Come up hither. And they ascended up to heaven in a cloud; and their enemies beheld them.

And the same hour was there a great earthquake, and the tenth part of the city fell, and in the earthquake were slain of men seven thousand: and the remnant were affrighted, and gave glory to the God of heaven." (Revelation 11:1-13)

The only group on earth constantly striving for global control is the Kabbalistic Jews. It was this group – spearheaded by the leadership of Theodor Herzl – which founded the World Zionist Movement in 1897 in Basel, Switzerland. The stated goal was establishing a Jewish political state in the land of Palestine. They succeeded

through deception, assassinations, and guerilla war in 1948. The Haganah and the Irgun served as para military groups.

The Haganah was founded in 1920 and existed until 1948 when it became part of the Israeli Defense Force (IDF). David Ben-Gurion (Polish Jew) took control of the loosely organized Haganah in 1947, and when Israel declared its independence on April 18, 1948, he became the first prime minister.

Irgun was a break-away from the Haganah in 1931 and its most well-known commanders were Ze'ev Jabotinsky (Ukrainian Jew) and Menachem Begin (Russian Jew), who would later serve as prime minister of Israel from 1977-1983.

During World War II, the Haganah leadership contacted the British government and offered its services to fight the Nazis. The British accepted the Haganah fighters since the war was not going well for the British during the first two years. A Jewish brigade of 5,000 soldiers was formed and incorporated into the British 8th Army. A total of 30,000 Jewish men from Palestine served with the British army for the duration of the war.

Yet allies turned to enemies from 1945-1948 when the Haganah and Irgun launched scores of attacks upon the British military that was in charge of Palestine. The most infamous attack was the bombing of the King David hotel in Jerusalem which housed the British administration. Ninety-one people were killed and half the hotel was destroyed. The freedom fighters had become terrorists for using assassination, bombings, and ambushes against the Palestinians and the British.

The British started making mass arrests to suppress these violent groups. The Irgun began attacking the hated British occupiers and their installations. Two young Irgun fighters were arrested by the British in 1946 and flogged. The Irgun reacted by seizing some British officers and flogging them. The British executed four members of the Irgun on April 16, 1947, to which the Irgun retaliated by seizing two British sergeants and

holding them hostage to prevent the execution of another three of its members. The British executed the three Irgun men and the Irgun responded by hanging the two British soldiers.

The Jewish leadership in Jerusalem forcefully declared independence for the political state of Israel in 1948, the same day the United States and the Soviet Union also recognized the fledgling nation. This staged event was pre-arranged by Jewish leaders who had conferred with Harry Truman of the United States and Joseph Stalin of the Soviet Union. The opposition from other nations was squashed as the two superpowers backed the newly formed political State of Israel.

MULTI OPERATIONS

Contrary to what you may believe, Israel's political leaders do not run the world government. Their job in the beginning was to establish a Jewish state in Palestine and then maintain it over time. Let me share the structure of the world government.

THE COUNCIL OF 13

There are thirteen people who sit atop of everything in the legendary council of thirteen. Currently, there are only twelve high ranking Jewish Kabbalistic leaders in this council. The final seat is for their messiah – the holy serpent. When this serpent messiah is finally revealed, he will take control of the council and establish himself as a global leader. The Bible refers to this man as the Beast and the Antichrist.³

_

³ Revelation 13:1; 1 John 4:3

This is the spirit of Antichrist that you've heard about which already exists in the world.

WORLD ZIONIST CONGRESS

The World Zionist Congress (WZC) is the legislative branch of the world government. It was founded by Theodor Herzl in 1897 in Basel, Switzerland. The WZC was tasked with establishing the political State of Israel and maintaining it.

One of the agencies within the WZC is the Jewish Agency for Israel, which was founded in 1929 and is headquartered in Jerusalem. One of the functions of this agency is to facilitate Jewish immigration to Israel. It is interesting that President Vladimir Putin of Russia banned the Jewish Agency from operating within Russia and ordered its offices closed in Moscow and other Russian cities in 2022.

WORLD JEWISH CONGRESS

The World Jewish Congress was founded in Geneva, Switzerland in 1936. The Council of 13 decided something stronger than the World Zionist Congress was needed and plans for the new organization were begun in 1917 in the United States. A conference was held in 1932 in Geneva and again in 1934 where preparations were made for a new organization. The head office would be in New York and another office in Berlin, Germany. The new organization would be based on the concept of the Jewish people as a national entity and was obligated to deal with all problems affecting Jewish life.

Two more meetings were held in 1933 and 1934, before delegates from different nations met in 1936 and established the World Jewish Congress

(WJC) as a permanent democratic organization. One of the stated goals of the newly formed organization was the creation of a Jewish state in Palestine. Jewish communities in the different nations could elect delegates to WJC according to the size of their Jewish community. The United States had 52 delegates which were chosen by 1,000 Jewish representatives from 32 states. There were a total of 230 delegates from 32 nations at the convention.

The World Jewish Congress is still headquartered in New York City while maintaining offices in

Brussels, Belgium; Jerusalem, Israel;
Paris, France; Moscow, Russia; Buenos
Aires, Argentina; and Geneva,
Switzerland. The WJC has been granted
special consultative status with the
United Nations Economic and Social
Council.

The WJC is a powerful Jewish lobbying organization, and when they put pressure on a nation, they

usually get what they want. As a result, this is a very powerful arm of the world government.

CONFERENCE OF PRESIDENTS

The Conference of Presidents of Major American Jewish Organizations was founded in 1956 with headquarters in New York. It boasts a membership of 51 American Jewish organizations and was founded to develop a consensus voice among Jewish organizations in dealings with the executive branch of the American government. I subscribe to their daily briefing, giving me insight into Jewish political developments and news from Israel.

The Conference of Presidents was founded in response to requests from President Dwight D. Eisenhower and his administration. The American Jewish community was experiencing a large growth in its similar policy groups (i.e. American Jewish Committee and American Jewish Congress)

and the increasing influence of the Jewish denominations on politics, particularly from Orthodox and Conservative Jews. The Eisenhower administration wanted a way to gauge the opinion of the community without infringing upon the internal politics of the Jewish community. The conference created a unified voice for the American Jews, which could be consulted by government officials.

The Conference of Presidents has been replaced by Jerusalem Center for Public Affairs (JCPA), headquartered in Jerusalem. It was founded in 1976 and is currently run by Dore Gold. He is a former Israeli ambassador to the United Nations and Director-General of the Israel Ministry of Foreign Affairs. The policies of the JCPA are about Israeli Security, Regional Diplomacy and International Law.

Both organizations have sources deep within the Israeli government and are designed to keep Jews around the world informed on the latest developments in the Middle East, effectively shaping the mindset of these Jews. It also serves as a great value to me as a Christian historian and researcher since the formation of the Antichrist organization is being birthed in Israel.

DIFFERENT JEWISH CONGRESSES

There are regional congresses under the auspice of the World Jewish Congress.

American Jewish Congress was founded in 1918 and is headquartered in New York.

Canadian Jewish Congress was founded in 1919 and disbanded in 2011. It was absorbed by Centre for Israel and Jewish Affairs with headquarters in Toronto, Canada.

Latin American Jewish Congress encapsulates 21 nations in Central and South America. It is headquartered in Buenos Aires, Argentina.

European Jewish Congress was founded in 1986 with headquarters is in Brussels, Belgium.

African Jewish Congress was founded in 1992 and is headquartered in Johannesburg, South Africa.

Euro-Asian Jewish Congress was founded in 2002 with headquarters in Herzliya, Israel.

THE SPIDER WEB

In addition to these Jewish organizations that I have mentioned, there is another layer that reaches deep into each nation around the world. They are seemingly inoffensive, but like layers of an onion, they each serve a purpose that is only fully realized when looking at the big picture.

- The United Nations
- ❖ The Council of Foreign Relations
- ❖ The Trilateral Commission
- The Bilderbergers
- Freemasonry
- University and college fraternities and sororities
- Political parties
- Television, radio and newspapers
- Entertainment industry
- Social media (Facebook, Instagram, Twitter, TikTok, Pinterest, LinkedIn, Snapchat, YouTube)

The Jewish world government has been able to seize control of these organizations, which in turn are used to spread disinformation, negatively affect moral values, and influence elections.

CONTROLLING ELECTIONS

The World Zionist Congress has a powerful ally in the United States called "American Israel Public Affairs Committee" (AIPAC) was founded in 1963. It is registered as a nonprofit organization with headquarters in Washington D.C. It is a lobbying organization whose goal is to enact specific policies that create a strong, enduring and mutually beneficial relationship with Israel.

AIPAC boasts that it has over 100,000 members in the United States and is the most powerful lobby in the nation. For years it gave money to political candidates of both parties, as long as they were pro-Israel. It has been heavily criticized for its

actions and scaled down its footprint with the formation

of "independent" political action committees which are used to promote certain political candidates. AIPAC announced that it was creating a Super PAC in 2021 from which political candidates could request funds for their campaigns.

When AIPAC lobby's the Senate or the House of Representatives, they always have their bills sponsored by a democrat and a republican so that the legislation benefitting Israel is always bipartisan. It would be political suicide for any mainstream politician to oppose AIPAC.

CONTROLLING THE CHRISTIANS

Christians United for Israel (CUFI) is an organization committed to defend Israel and fight against anti-Semitism in communities, churches, college campuses, the media and on Capitol

Hill. It was founded in 1975 by Dr. David A. Lewis, an Assembly of God pastor. The organization did not grow that much until Pastor John Hagee from San Antonio, Texas, received permission from Lewis to revive the organization in 2006 and now promotes itself as a Christian

Zionist organization. Hagee is a Baptist in most of his doctrine and was able to get support from some 400 Christian and Jewish leaders in America. He serves as the pastor of Cornerstone Church and has also formed "Hagee Ministries," which sponsors his national television ministry.

CUFI claims a membership of 10 million Christians from different denominations and is the largest Christian Zionist organization in America. It is heavily involved in politics, and when there is a current issue that has to do with Israel that is debated in Congress, members are mobilized through what they call "Rapid Response Alerts" and urged to make contact with elected officials.

If there is a military need such as when Israel needed interceptor missiles for its Iron Dome system that had been depleted in a fight with Hamas, CUFI members were mobilized to contact congress and urge them to pass legislation for money to purchase more interceptors.

Christian Zionists champion

Israel just as fervently as

cheerleaders with pom-poms.

They parrot the propaganda

without realizing Jesus disagrees

with their stance.

Pastors in Pentecostal and Baptist denominations are forced by necessity to be Christian Zionists

if they want to keep their jobs. Most

Christian television and radio broadcasters endorse Christian Zionism. This is true with Trinity Broadcasting Network run by Matt and Laurie Crouch. There are 43 Evangelical/Pentecostal television networks and 14 Roman Catholic

television networks in the United States.
These media networks are considered vital by the Jewish world government as they feed Zionist propaganda to the Christian population in America. The same holds true for Canada and Western Europe.

Inited

The sad thing is that Evangelical, Baptist, and Pentecostal churches preach the Gospel but they have been polluted with the doctrine of Christian Zionism.

INTERNATIONAL CHRISTIAN EMBASSY JERUSALEM (ICEJ)

The International Christian Embassy Jerusalem (ICEJ) is a Zionist stronghold that was founded in 1980 by evangelical/Pentecostal Christians from different nations. A thousand Christians from thirty-two nations gathered in Jerusalem to open the embassy in conjunction with the Feast of Tabernacles.

Every year the Embassy sponsors the pilgrimage of Christians from around the world to come to Jerusalem and be part of the Feast of Tabernacles. Thousands of Christians from around the world attend these feasts on a yearly basis.

The ICEJ is not a small organization as they have offices in some 90 countries and can muster financial supporters from 170 nations. The entire network is activated whenever there is a need to lobby on behalf of Israel.

DENOMINATIONS OPPOSED TO ZIONISM

The world government is just as evil as its founder, Lucifer. They know that some of the Christian denominations and offshoots in America are feeble and do not preach repentance, the need

to be born again and the second coming of Jesus. The Zionists don't bother infiltrating these denominations and this is why they are not friendly to Israel. The following denominations reject Zionism:

- ❖ Alliance of Baptists
- Church of the United Brethren in Christ
- Religious Society of Friends (Quakers)
- Mennonite Church USA
- Presbyterian Church (USA)
- * Roman Catholic Church
- Unitarian Universalist Association
- United Church of Christ
- United Methodist Church
- ❖ World Communion of Reformed Churches⁴

THE CUCKOO BIRD

There are some 150 species of the cuckoo bird found throughout the world. Some have the habit of laying their eggs in the nests of other birds, who cannot tell the difference between their own eggs and that of a cuckoo bird. This is convenient for the cuckoo bird because they use other birds to hatch and raise their offspring. Once the little cuckoo chick has grown to full size, it leaves the nest and seeks out other cuckoo birds.

Lucifer is like a cuckoo bird. He has been working for some 6,000 years to usher in the Antichrist to the world. He provided the Hebrews with the false

doctrine of the Kabbalah which promotes his own messiah known as the holy serpent. He was able to establish his nest in Jerusalem in 1948 and immediately sought Christians who would

⁴ https://tinyurl.com/4kcezzrt

unwittingly support and nourish the egg he had laid in Jerusalem.

Millions of Christians worldwide were snared into the false belief of Christian Zionism. Thus, the egg that one day will hatch the Antichrist is jealously guarded and nourished by deceived Christians. This is the biggest con in the history of mankind. Any person exposing this scheme is automatically labeled anti-Semitic and sometimes hounded to death by zealous Christian Zionists. The scheme involves Christians donating billions of dollars to this cause. They don't realize they are digging their own graves because the Antichrist which arises from Israel will kill them. For some reason, they do not read the Bible with understanding.

"And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.

And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?

And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

If any man have an ear, let him hear." (Revelation 13:1-9)

SUMMARY

We have reached the point of no return. The Jewish world government has successfully extended their control over all nations with the exception of Russia, China, Cuba and Vietnam. It used to be that Christians were free thinkers, but that is not the case anymore. The Christian Zionist movement now controls 90% of Christians and with that also comes the Christian media and publishing houses. I believe that the midterm election in the United States in 2022 will determine if the tide can be turned back for a season. It is obvious that America is at the crossroad. The destruction that has begun will have to increase and bring this nation to its knees if Biden and the Democrats are going to maintain their control of this nation.
