## **MAKING THE RIGHT CHOICE**

RLJ-1727

CHARLES M. THORELL

OCTOBER 27, 2019

This is a message about two groups of people who were created in the image of God and should have been on the same page, but they couldn't have been further apart when it came to their view of morality.

They lived in the past but still represent humanity today. The differences exhibited by society back then and what we see today is indicative of what happens when one man pursues God and the other does whatever is expedient and feels right.

### **RIGHTEOUSNESS**

God is looking for faithful and righteous people who will serve Him wholeheartedly.  
**Deuteronomy 6:1-25**

### **REBELLION**

The prophet Isaiah records what happens when you walk away from the Lord. **Isaiah 59:1-21**

### **THREE CHOICES**

It is therefore necessary to choose how you want to live.

- ❖ The neutral choice seems safe and inoffensive but it is the same as being rebellious in God's eyes.
- ❖ The rebellious choice leads to the lake of fire and eternal death.
- ❖ The righteous choice leads to heaven and life everlasting. **Matthew 7:13-23**
