

# THE WORLD THAT WAS

PART 2 - JOHN S. TORELL & CHARLES M. THORELL

## BACK TO LUCIFER

As the most beautiful and powerful of all angels, Lucifer was given the Earth to rule while also tasked with traveling to the city of God outside the universe and serving in the throne room of the Godhead.

*"Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee."*

*(Ezekiel 28:14-15)*

One of his duties was to lead the rest of creation in the worship of the Godhead. We don't know how long this arrangement continued, but Lucifer eventually reached a point where he was no longer content serving in such a capacity. He began to entertain sinful thoughts about his prestige and grandeur.

Lucifer erroneously thought he deserved worship since God had made him powerful and beautiful. The universe deserved to know of his greatness! Rebellion was born in his spirit the moment he began to contemplate mutinous thoughts and he

transformed from a loving creature into an angry tyrant filled with hate for the Godhead and their creation.

*"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High." (Isaiah 14:12-14)*

The first thing Lucifer did was to call for all the kings of the different Earth nations and inform them that he was no longer going to serve the Godhead. He elevated himself to godhood and demanded that everyone on the planet change their allegiance. Some of the kings rejected his proposal and returned to their respective nations and prepared for the coming hostilities. A devastating war broke out as Lucifer ordered the forces loyal to him to punish everyone who dared to defy him. The earth became like a wilderness; cities were destroyed, people died, and the prisons overflowed with those taken captive. News of the Lucifer's revolt spread rapidly

throughout the different angelic civilizations of the universe.

*“Is this the man that made the earth to tremble,  
that did shake kingdoms; That made the world  
as a wilderness, and destroyed the cities thereof;  
that opened not the house of his prisoners?”  
(Isaiah 14:16b-17)*

## **THE GREAT DECEPTION**

Lucifer decided to visit the rest of the angel civilizations to persuade them to join his cause. Nothing was hidden from the Godhead and they did not try to halt Lucifer actions. Angels were created with a free will and it was up to them to decide if they wanted to reject Lucifer or join his insurrection. One third of the angels were receptive to Lucifer’s persuasive words. They immediately followed suit and mimicked Lucifer’s actions by eliminating anyone who wanted to continue serving the Godhead on their respective planets.

## **PREPARING FOR WAR**

Lucifer was crowned god of the universe by the fallen angels and they mobilized forces to strike the city of God in the third heaven. Spaceships with powerful weapons were built on the different planets that sided with Lucifer. Non-angelic people led by fallen angels were trained for an invasion of the third heaven. Hydrogen and atomic bombs were produced, along with missiles that could fly faster than the speed of light were mounted on the spaceships. We have no way of knowing how long this time of preparation took place.

## **THE VIRTUAL TIME RUN**

God knows the past, present and the future... all at once. This is possible because the Godhead is not bound by time as we know it. No one knows exactly how this is accomplished, but I will

endeavor to explain my understanding of the matter.

I am now older and more mature in my understanding of the Bible and spiritual matters. I did not possess the knowledge I have today in my younger years. As an engineering student in 1959, I did not have access to modern computers or calculators. All mathematical calculations were laboriously carried out with a slide ruler, drawings took place on drafting tables, and graphical projection was used to achieve two dimensions of an object.

Computers and software can easily make this happen today. A prototype of a car is designed in a computer. It exists in the virtual world, but not in the physical world. A designer can inject different scenarios into the project to see how variables turn out. The data file is sent to the appropriate place once the designer is satisfied and the virtual concept becomes reality.

In order to convey how the Godhead designed our universe, I use the term “supercomputer” which provided the Godhead with the ability to design the creation and watch it play out on a timeline. This “virtual time run” could be stopped at any time, allowing for new data to be inserted, which moved the development in a way favored by the Godhead. Jesus commenced the creation once the virtual time run concluded.<sup>1</sup>

In reading the Bible, it is easy to see that God the Father, God the Son and God the Holy Spirit clearly knew in advance what was going to take place in the creation. But how did they know all the details? When I have sought clarification to this question, the response is often *“The Godhead knew because they are God.”* That answer was not good enough for me. I’m sure there are Christians who will object to the concept of a virtual time run, but it is the only theory that makes sense to me.

---

<sup>1</sup> Genesis 1:1-31; John 1:1-3

The concept that *“God simply knows all things”* is only true if – and this is a major point – the creatures in the creation did not enjoy a free will. If angels and humanity are not operating as automatons, the only way to discover what they would do with a free will is to run each person’s scenario in a virtual environment to see how they would act. There is no free will if choices are predetermined.

This is why I believe God the Father, God the Son, and God the Holy Spirit gathered around a massive supercomputer in the throne room of the third heaven sometime in eternity past. They discussed the idea of creating complex organisms. Robots are designed to follow a predetermined sequence of operations or respond to encoded instructions. The Godhead wanted to create a sentient lifeform that had the ability to perceive and respond to sensations of sight, hearing, touch, taste, and smell. Most importantly, they wanted a being that would choose to love them, not because it was required to do so.

Such prerequisites would necessitate endowing these lifeforms with a free will or else they would merely be glorified machines. The Godhead began by designing everything virtually and running a timeline to see how it would turn out. They wanted a physical universe within a spirit world. They called the first creatures “angels” and made them with an interdimensional ability to operate in the spirit world and the physical world. There would be a seemingly infinite number of planets in the physical universe and the Godhead also wanted to create a non-angelic race which would be confined to the physical realm. Angels would rule over these people and develop each planet.

They began designing different angels in the virtual simulation with assorted strengths and gifts according to the positions they would hold. They created a beautiful angel that was more intelligent than the others. Lucifer means “Son of

the Morning.” He was given the position of cherub and assigned to lead worship in the throne room of God. Other cherubs were also designed and they each took turns conducting worship in the throne room. Incidentally, this is exactly how God would later set up the temple service of the Levites at the temple in Jerusalem. There were different orders who served for an allotted period and then another order came and replaced them.<sup>2</sup>

Lucifer was given a planet to rule and develop a pre-Adamic civilization. He resided on Earth as its regent when he wasn’t serving in the throne room of God. All the angels were highly skilled in technology. They could create people, spacecraft for intergalactic travel, and oversee manufacturing and trade between the different angelic civilizations. Each planet was developed with cities and nations.

The Godhead started the virtual time run once everything was designed in their supercomputer. God was able to see how His creatures acted and responded to external stimuli. Since this was a virtual simulation, nothing was physically created up to this point. For example, a document can exist in the computer, but production does not commence until the user issues the print command.

The virtual time run caused the computer screen to come alive and the Godhead saw the universe, the angels, and the pre-Adamic people on each planet. It was a picturesque sight as the planets were developed, each with a different beauty, culture, and societies. The Godhead contentedly watched the billions of planets, intergalactic travel, and commerce between the different angelic civilizations.

### **GOD’S COUNTER-MOVE**

The Godhead already knew about Lucifer’s rebellion since they had already conducted a

---

<sup>2</sup> Luke 1:8-9; 23

virtual time run of the entire creation process. Obviously, there was an option to cut off the fallen angels and their people from the life sustaining power emanating from the Godhead and immediately make their existence come to an end, but that would not address the issue of Lucifer's rebellion, and it certainly would create doubt in the minds of the holy angels who remained loyal to God.

The archangel, Michael, was appointed to be the commander of the heavenly army and he was directed to assemble a fighting force capable of defending the third heaven and defeating the Luciferian forces. Lucifer was ignorant of the Godhead's actions since he no longer had access to the third heaven. At some point when he ordered the attack on God, an armada of spaceships from every rebel planet congregated at a rendezvous point in the universe. With millions of spaceships and seemingly overwhelming firepower, Lucifer and his generals had every confidence they would succeed.

## **THE WAR BEGINS**

Lucifer certainly thought he was brilliant, but in reality, the situation was absurd and futile. The Godhead was operating with complete understanding from the virtual time run and there was no chance of them being surprised. Michael was ordered to strike Lucifer's forces before they gained access to the third heaven. Given the massive size of the forces assembled, this epic battle would have covered millions of light years.

Lucifer's spaceships were hit by weapons of mass destruction and vaporized. At some point it became clear that the Luciferian forces could not penetrate Michael's offensive line and achieve their objective of the third heaven. The hotly anticipated victory turned into a decisive rout as the fallen angels retreated to different solar systems. Michael and his forces methodically attacked each rebellious planet with the goal of

destroying Lucifer's space fleet. The assault on Earth, Lucifer's planet and stronghold, would be the final battle.

It is impossible for a space war with interplanetary fighting to take place without a colossal amount of damage. Undoubtedly, the fallen angels instructed their subjects to fight to the death. We don't know how long this war lasted, but the entire universe was eventually cleared of the rebellion. Like Adolf Hitler at the end of World War 2, Lucifer defiantly prepared a last stand in our solar system. Every planet was fortified with particle beam and laser weapons. Michael ordered a final assault and his forces began seizing the outlying planets and working toward Earth. Judging by what we can see today, ferocious battles were fought on Mars and Pluto, and then Michael turned his attention towards the Moon. Lucifer's entrenched forces were relentlessly blasted by Michael's ships. This would explain why the surface of the moon is scarred with craters.

Earth was turned into a large armed camp. There were fortifications with interconnecting tunnels and special missiles to stave off the invasion fleet. It was to be a fight to the death for the physical beings. The final defense began with an awesome display of particle beams, lasers and hydrogen bombs from the holy angels. Lucifer's defenses crumbled, the physical inhabitants were dead, and the surface of the earth was flooded with water.<sup>3</sup>

Special angelic forces were ordered to seek out and arrest the rebellious fallen angels. They were captured and brought to trial in front of Jesus. This included the spirits of people on the planets that rebelled against God and were executed by Michael's angels. Their spirits were brought to Earth and joined with the spirits of the people who died there. I believe this is the origin of evil spirits or demons as they are not in the same

---

<sup>3</sup> Genesis 1:2

category as fallen angels.<sup>4</sup> I believe that the inhabitants of the Earth that refused to join Lucifer's rebellion – living or not – were extracted to be with Jesus.

## THE TRIAL

Jesus ordered a courthouse built and placed in orbit around the earth. I believe this is similar to the city that will be built in the third heaven and flown to the new earth after the Great White Throne Judgment and the dissolvment of the current universe. It is my belief that this is the same courthouse that would later be used by Lucifer when he lodges complaints against humans like he did with Job.

*“Now there was a day when the sons of God came to present themselves before the LORD, and Satan came also among them. And the LORD said unto Satan, Whence comest thou? Then Satan answered the LORD, and said, From going to and fro in the earth, and from walking up and down in it.*

*And the LORD said unto Satan, Hast thou considered my servant Job, that there is none like him in the earth, a perfect and an upright man, one that feareth God, and escheweth evil? Then Satan answered the LORD, and said, Doth Job fear God for nought? Hast not thou made an hedge about him, and about his house, and about all that he hath on every side? thou hast blessed the work of his hands, and his substance is increased in the land. But put forth thine hand now, and touch all that he hath, and he will curse thee to thy face.*

*And the LORD said unto Satan, Behold, all that he hath is in thy power; only upon himself put not forth thine hand. So Satan went forth from the presence of the LORD.” (Job 1:6-12)*

Holy angels rebuilt the intergalactic television network that was damaged during the intergalactic space war and on all planets where the two-thirds angels remained with God. Preparations were made for the various people to watch the trial. Enormous holding tanks were built and placed in orbit around the earth for the fallen angels so they could not escape. Television screens in every cell allowed the inmates to see the courtroom procedures. There is no time frame for how long this preparation took place. The Book of Revelation provides a glimpse of what transpired when Jesus eventually took the seat on a beautiful throne surrounded by cherubim in the giant courthouse.

*“And in the midst of the seven candlesticks one like unto the Son of man, clothed with a garment down to the foot, and girt about the paps with a golden girdle. His head and his hairs were white like wool, as white as snow; and his eyes were as a flame of fire; And his feet like unto fine brass, as if they burned in a furnace; and his voice as the sound of many waters. And he had in his right hand seven stars: and out of his mouth went a sharp two-edged sword: and his countenance was as the sun shineth in his strength.” (Revelation 1:13-16)*

Fully armed angels lined the walls of the courtroom. Michael the archangel, his staff and other angelic dignitaries from various galaxies of the universe were also present. Camera crews panned the audience as Lucifer was marched into

---

<sup>4</sup> Ephesians 6:12

the courtroom. As a cherub, his beautiful body was a dazzling display of colors even though his arms and legs were shackled. Standing on either side of the fallen angel were angels with grim faces who marched him down the aisle. Then when he was standing in front of the throne, they forced him to kneel before Jesus. Lucifer stared defiantly at his Creator and folded his arms across his chest. It was clear that he was unapologetic and had nothing but contempt for Jesus.

Giant screens on the walls of the courtroom began playing video footage showing the creation of Lucifer and his subsequent life. The universe came to a standstill with the drama because it also revealed his thoughts. Lucifer's service in the throne room as a cherub was shown, how he led the angels in beautiful worship, along with his love and adoration for the Godhead. The video showed his time on Earth building cities and setting up kingdoms. It revealed him walking around in picturesque parks filled with exotic animals and birds, men and women, families with children, all laughing and having a good time. But then the scene changed to Lucifer's palace when he was alone. His thoughts revealed that he no longer wanted to venerate the Godhead and lead worship in heaven. His face slowly became contorted as he entertained thoughts about removing the Godhead, going so far as to kill Them.

He called for a meeting of his cabinet to inform them that he was resigning as a cherub and declaring war on the Godhead. Lucifer professed his greatness, strength, intelligence, and promised them a fantastic future under his lordship. Some of the shocked staff quietly walked out the room and fled from the palace. Others embraced the professed godhood of Lucifer and excitedly made plans for the future. A horrible civil war broke out between the Luciferians and those who remained loyal to the Godhead. In the aftermath, much of the earth was like a wilderness; cities were destroyed,

people were arrested and tortured, and others were locked up in prison, never to breathe fresh air again. It was a vindictive act on Lucifer's part to torment the dissenters.

The next video clip showed Lucifer in a spaceship, traveling to every planet in the universe to convince the other angels to join his rebellion. He was the consummate politician, making fantastic promises and persuaded one-third of the angels to join him in overthrowing the Godhead. Video footage showed an armament build up and eventually a giant space fleet traveling to the third heaven. A brutal war began when Michael the archangel's superior forces arrived from the third heaven, fomenting the biggest space battle ever fought. The battles raged from solar system to solar system from one end of the universe to the other. The final series of intense battles came as Michael and his fleet invaded the solar system containing our planet. Planets incurred massive damages and culminated with the Earth being damaged and covered with water to terminate all life. The universe got to see Lucifer's capture and confinement.<sup>5</sup>

There was silence in the courtroom after the final video ended. All eyes were focused on Jesus as He slowly rose from His throne and pointed a finger against Lucifer. In a thunderous voice He sentenced Lucifer to eternal torment in the Lake of Fire. The Son of God then proceeded to specify the exact type of punishment Lucifer would receive.<sup>6</sup>

Jesus ordered the beautiful body of Lucifer burnt and the angels watched in horror as fire came forth from inside Lucifer and his spirit body was reduced to ashes. The rebellious cherub was transformed into something dreadful and the angels reacted in horror as they processed what had taken place. Jesus signaled for Lucifer to be

---

<sup>5</sup> Isaiah 14:12-20; Ezekiel 28:12-19

<sup>6</sup> Matthew 25:41

removed, but he cried out and demanded to know how a loving God could cast him into everlasting fire and punishment. Lucifer was a liar, but this was a legitimate question, and a hush came over the courtroom. Jesus watched as the doubt planted by Lucifer began to take hold in the minds of the angels. The cherub's question did not come as a surprise because the Godhead had already performed a virtual time run of the entire creation and was aware this issue would come up at the trial.

Jesus had been challenged by Lucifer to prove His righteousness in front all the angels – holy and unholy. If the dispute was ignored, the question of God's righteousness would remain forever. As a result, Jesus informed Lucifer that he would be set loose on the Earth for the duration of the contest. However, there would be restrictions as to where Lucifer could go, effectively limiting him to from planet's surface to the outer atmosphere. His actions during this appeal would be monitored to ensure he could not travel freely throughout the universe again. Then Jesus ordered Lucifer to be removed from the courtroom and returned to the war-scarred planet.

Lucifer's trial and sentencing was followed by a lengthy session as each mutinous angel was likewise sentenced to the Lake of Fire. Given the number of angels created by Jesus is virtually innumerable, it is not unlikely that this period of judging the one-third of the angels could have taken thousands of years. Then verdicts for the various people from the planets throughout the universe that joined the rebellion were handed out. It shouldn't come as a surprise that every one of them was sentenced to the Lake of Fire. The Son of God closed the court session when all the judging was complete.

## **REFURBISHING THE EARTH**

The intergalactic television network resumed its regular programming after the trial. There was

great joy on the different planets as the holy angels and their people realized that the horrible war which had caused so much destruction was finally over. Angels and people filled the different sanctuaries to worship the Godhead for saving them from Lucifer and his minions. Programming continued until an angel interrupted with news from the third heaven.

*“And I heard a loud voice saying in heaven, Now is come salvation, and strength, and the kingdom of our God, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night.*

*And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death.*

*Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.” (Revelation 12:10-12)*

The Godhead was commencing a project that would be televised intergalactically on a daily basis. It is important to note that this endeavor was designed in eternity past during the virtual time run to dispel any doubts about the righteousness of God. Lucifer's hollow accusation would be irrefutably proven false and his deceitful and slanderous words come up empty.

*“But now the righteousness of God without the law is manifested, being witnessed by the law and the prophets; Even the righteousness of God which is by faith of Jesus Christ unto all and upon all them that believe: for there is no*

*difference: For all have sinned, and come short of the glory of God;*

*Being justified freely by his grace through the redemption that is in Christ Jesus: Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God; To declare, I say, at this time his righteousness: that he might be just, and the justifier of him which believeth in Jesus.”*  
(Romans 3:21-26)

Lucifer, the fallen angels, and the evil spirits would be confined to Earth and its atmosphere. Legions of holy angels were stationed around the planet to ensure God’s decree was not breached. Other angels controlled the stability of the earth as it was refurbished. Lucifer and his minions were held in the holding cells orbiting the earth while Jesus prepared the earth to prove the righteousness of God.<sup>7</sup> Water still covered the surface of the planet because the Earth had been flooded to kill every inhabitant that sided with Lucifer. This included vegetation and animals.<sup>8</sup> The Holy Spirit hovered over the surface of the planet in preparation for the refurbishment of the Earth.

*“And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.”* (Genesis 1:2)

The restoration was completed in six days heaven time, which as I shared earlier, is a period of 6,000 years for mankind.

---

<sup>7</sup> Revelation 20:1-3

<sup>8</sup> This is similar to what happened with Noah’s flood. The account can be in Genesis chapter 6.

*“Thus the heavens and the earth were finished, and all the host of them. And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.”* (Genesis 2:1-2)

## **THE REFURBISHING – DAY ONE**

There was a complete destruction of the stars emitting light in the vicinity of the Earth as a result of the space war. The planet was dark and the refurbishment began with the creation of light.

*“And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.”* (Genesis 1:3-5)

This was a light similar to the one described in the New Jerusalem as part of the new creation.

*“And the city had no need of the sun, neither of the moon, to shine in it: for the glory of God did lighten it, and the Lamb is the light thereof. And the nations of them which are saved shall walk in the light of it: and the kings of the earth do bring their glory and honour into it.”*  
(Revelation 21:23-24)

## **THE REFURBISHING – DAY TWO**

The Earth had lost its atmosphere due to the space war and different gases were replenished to form an atmosphere consisting mainly of Nitrogen (78%), Oxygen (21%), Argon (0.93%), Carbon Dioxide (0.04%), and trace gases like Neon, Helium, and Hydrogen (0.03%). As already mentioned, water covered the Earth’s surface, but above the firmament that Jesus identified as the

atmosphere, a frozen canopy of water enveloped the planet. The firmament was established by Jesus to filter out the ultraviolet rays from the sun. The canopy also distributed the heat from the sun evenly, ensuring a perfect climate on the surface, effectively making the planet a giant greenhouse.

*“And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. And God made the firmament, and divided the **waters which were under the firmament** from the **waters which were above the firmament**: and it was so. And God called the firmament Heaven. And the evening and the morning were the second day.” (Genesis 1:6-8)*

The Son of God created a paradise which needed no rain since a mist rose every night and watered the plants and trees.

*“And every plant of the field before it was in the earth, and every herb of the field before it grew: for the LORD God had not caused it to rain upon the earth, and there was not a man to till the ground. But **there went up a mist from the earth**, and watered the whole face of the ground.” (Genesis 2:5-6)*

The canopy is also referred to as a window in the Scriptures. A cloud is visible mass of liquid droplets, frozen crystals, or other particles suspended in the atmosphere. The rain we see are nothing more than water droplets that have condensed from atmospheric water vapor and fallen under gravity. When Jesus initiated Noah’s flood, He caused the canopy to collapse and the frozen water fell to the surface of the earth in form of rain.

*“In the six hundredth year of Noah’s life, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken up, and **the windows of heaven were opened**. And the rain was upon the earth forty days and forty nights.” (Genesis 7:11-12)*

### **THE REFURBISHING – DAY THREE**

As we continue the forensic investigation of the time before Adam and Eve, it is exciting to locate scripture verses where God provides insight from the past. The third day of the refurbishment involved creating dry land. Jesus did not want Adam and Eve to live on the same land masses that existed during Lucifer’s reign on the earth. A huge amount of water had already been utilized to form a canopy around the earth. Cavities were created deep within the Earth’s crust and filled with water to create underground reservoirs. At the same time, Jesus caused the old earth surface to sink down to form new ocean floors while simultaneously raising the ocean floors to become dry land. This action effectively masked the infrastructure that existed during Lucifer’s time as regent.

*“And God said, Let the waters under the heaven be gathered together unto one place, and **let the dry land appear**: and it was so. And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good.” (Genesis 1:9-10)*

The Holy Spirit revealed to King David that the ocean floors became dry land and vice versa.

*“Who laid the foundations of the earth, that it should not be removed for ever. Thou coveredst it with the deep as with a garment: the waters*

*stood above the mountains. At thy rebuke they fled; at the voice of thy thunder they hasted away. They go up by the mountains; they go down by the valleys unto the place which thou hast founded for them. Thou hast set a bound that they may not pass over; that they turn not again to cover the earth.” (Psalms 104:5-9)*

This formation change has been verified by the fossils of whales and other marine animals found in the sediments of the Andes mountains in South America. These discoveries are found on the mountain peaks from 5,000 feet and up. Scientists state that this mountain range rose rapidly from the ocean floor. The Himalayan Mountain range is among the highest in the world with Mount Everest reaching 29,029 feet. The same occurrence is found there as well with fossils of squid, octopus, and other ocean critters, including sea lilies. The same holds true for mountain ranges across the planet. Fossils of crabs, shrimp, lobster and other marine arthropods are being found on mountain ranges throughout the world. How is this possible if Jesus did not create fish and sea creatures until the fifth day? The answer is easy if you know that there was life prior to Adam with civilizations across the globe. The ocean creatures existed before the creation of mankind and they became fossils when the mountain ranges became dry land.

Jesus provided a revelation to the apostle John that Lucifer had come down to earth in a rage some 6,000 years after the fall of mankind. The Son of God unexpectedly warned humanity and those who inhabit the sea (oceans) without further explanation. It is my understanding that there are creatures living under the oceans which predate Adam and Eve. The existence of UFO's has been firmly established by the armed forces of the United States. What most people don't know is

their origin. It is thought they are from outer space, but they have been observed by the military emerging from the oceans and disappearing into the deep waters.

*“Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.” (Revelation 12:12)*

As soon as the land masses were established, Jesus ordered the holy angels to start creating all kinds of grasses, herbs and trees.

*“And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so. And **the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit**, whose seed was in itself, after his kind: and God saw that it was good. And the evening and the morning were the third day.” (Genesis 1:11-13)*

A skeptic might wonder if it was possible to grow vegetation when the sun was not yet set in place. The answer is that Jesus created light on the first day of the refurbishing. This would be similar to what we find in the new city of Jerusalem where there is light, but no sun or moon.

*“And the city had no need of the sun, neither of the moon, to shine in it: for **the glory of God did lighten it**, and the Lamb is the light thereof. And the nations of them which are saved shall walk in the light of it: and the kings of the earth do bring their glory and honour into it.” (Revelation 21:23-24)*

## THE REFURBISHING – DAY FOUR

It was on the fourth day that the solar system was revamped, replacing the divine light with a star that was continually in nuclear fusion. It has been estimated that the sun consumes about five million tons of its mass every second. Scientists have calculated the size of the sun and believe there is enough fuel to continually to burn for some four billion years. This does not mean that the sun will endure for that amount of time. Jesus will return a second time and reign on the earth for 1,000 years (one day in heaven), followed by the Great White Throne Judgment, and then our universe will be dissolved after we move into the new creation.

*“And all **the host of heaven shall be dissolved**, and the heavens shall be rolled together as a scroll: and all their host shall fall down, as the leaf falleth off from the vine, and as a falling fig from the fig tree.” (Isaiah 34:4)*

*“But the day of the Lord will come as a thief in the night; in the which **the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.** Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and godliness, Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat? Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.” (2 Peter 3:10-13)*

*“And I saw a **new heaven and a new earth**: for the first heaven and the first earth were passed away; and there was no more sea.” (Revelation 21:1)*

The moon was placed in its orbit around the earth to provide light during the night.

*“And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.*

*And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.” (Genesis 1:14-16)*

God is eternal and has always existed. He has no beginning nor end. He does not age. His spiritual body does not wear out like our physical bodies. Time does not exist in the spirit world the same way it does in the physical world. Time occurs in the sense that the construction of an object is its origin. If something is eternal, its existence can be dated in the spirit world. This is what Daniel discovered with the angel’s explanation. The spiritual time unit used by the angel was unlike anything known to humanity.

*“And one said to the man clothed in linen, which was upon the waters of the river, How long shall it be to the end of these wonders?*

*And I heard the man clothed in linen, which was upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that liveth for ever that it shall be*

*for a time, times, and an half; and when he shall have accomplished to scatter the power of the holy people, all these things shall be finished.*

*And I heard, but I understood not: then said I, O my Lord, what shall be the end of these things?*

*And he said, Go thy way, Daniel: for the words are closed up and sealed till the time of the end.”*  
*(Daniel 12:6-9)*

Jesus stated that one of the purposes of the sun is to establish a time measurement for mankind that is based on the earth's rotation around it. The time it takes for the earth to make a full rotation around the sun is counted as a year. Have you considered the marvel of our solar system? Everything consistently rotates around the sun as each planet and moon spins around its own axis. Pick any point on earth and you will find that it takes twenty-four hours to finish one planetary rotation. At the same time, the earth tips back and forth bi-annually on its axis, a six-month cycle to create the seasons we experience. The northern half of the earth tips toward the sun for six months during the summer solstice, making it the warmest time of year with the longest daylight hours. Meanwhile, the southern half of the globe is experiencing cooler temperatures and shorter daylight hours until the winter solstice. Solar equinoxes occur twice a year when the sun crosses the equator. The four seasons are created by the solstices and the equinoxes.

*“And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:*

*And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.*

*And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.*

*And God set them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good. And the evening and the morning were the fourth day.”* *(Genesis 1:14-19)*

### **THE REFURBISHING – DAY FIVE**

The fifth day must have been fantastic when Jesus ordered the angels to start creating living things in the air, oceans, lakes and rivers. One only has to look at the variety of life that exists with the largest of whales to the smallest fish, along with creatures that keep the waters clean. The diversity of colorful birds with their many sizes, and numerous sounds, not forgetting the assortment of flying insects. I can just imagine the angels designing the groups of living organisms on their computers and bringing them to life.

It should not come as a surprise that Jesus chose to use angels in the refurbishment of the earth. When Jesus brought out Moses and the people out of Egypt, He wanted Moses to make a tabernacle replica of the temple in heaven. The Hebrews had been slaves in Egypt and their hard labor did not prepare them with the necessary skills to fulfill this project. Jesus told Moses that He had supernaturally filled certain men with skills and this is what He also did with the angels that aided in the development of the universe.

*“And the LORD spake unto Moses, saying, See, I have called by name Bezaleel the son of Uri, the son of Hur, of the tribe of Judah: And I have filled him with the spirit of God, in wisdom, and in understanding, and in knowledge, and in all manner of workmanship, To devise cunning works, to work in gold, and in silver, and in brass, And in cutting of stones, to set them, and in carving of timber, to work in all manner of workmanship.*

*And I, behold, I have given with him Aholiab, the son of Ahisamach, of the tribe of Dan: and in the hearts of all that are wise hearted I have put wisdom, that they may make all that I have commanded thee.” (Exodus 31:1-6)*

I am sure that the intergalactic camera crews showcased the many wonders being created on Earth. The universe stared in awe at the skills Jesus had given the angels helping Him. Temporary laboratories were built on the landmasses for the angels to work. The end of the fifth day featured a perfect climate, filled with beautiful and unique animals. Angels throughout the universe marveled at the effort that appeared simple but was full of complexities. Every creature either had a brain consisting of living protein cells, or in the case of smaller insects, living pre-programmed microchips constructed of living protein cells. Every cell possessed a DNA chain so it could reproduce itself.

*“And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven. And God created great whales, and every living creature that*

*moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good. And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth. And the evening and the morning were the fifth day.” (Genesis 1:20-23)*

Some 7,500 years later, the angels would watch incredulously as Charles Darwin presented his bogus theory of evolution to mankind. This was a Luciferian stunt to convince humanity that the different kinds of organisms came about completely by chance and educated men would embrace this nonsense and believe the scientific impossibility that nothing created everything.

### **THE REFURBISHING – DAY SIX**

On the sixth day an intergalactic announcement was made that Jesus was about to deliver a major speech. Regular programming stopped and the Son of God appeared sitting on a throne. Angels around the universe, along with the people who lived on their planets, watched as Jesus began recounting how He had been engaged since Lucifer’s trial with the refurbishment of the Earth and restoring confidence in the Godhead after the cherub’s accusation. Lucifer had fomented the rebellion from Earth and so the Godhead decided to prove Their righteousness from the same planet.

The world had been restored and the time had come to introduce a new race to the universe. Humanity would be different from the angels and the people on the different planets because they would be made in God’s image. The Godhead is triune; represented by the Father, Jesus, and the Holy Spirit. The new race would be created in Their likeness with a physical body, soul, and

spirit. The sole purpose of humanity was to use them to prove God's righteousness. Unlike the angels, this race will procreate and increase in number.

Just like other created beings, humanity would be conceived sinless and ignorant of past events. This meant that would have no knowledge of the creation, the angels, the rebellion by Lucifer, the space war, the near destruction of Earth, Lucifer's trial and subsequent accusation against God. They would be given a limited account of Earth's restoration and a set of laws to follow. Humanity would start with rudimentary agricultural skills since Jesus was going to create a special garden that they would manage.

Males would be known as men and females would be called women. A male and female will pair off to form a lifelong relationship known as marriage. The prototype couple will be created as adults with the names of Adam and Eve. Since Lucifer's capitol was called "Eden" prior to the space war, this will also be the name for the spectacular garden in which humanity will be placed.

## THE TEMPTATION

The whole purpose behind the refurbishment of the earth and creation of the human race was to prove God's righteousness. Jesus intended to allow Lucifer access to the Garden of Eden to lure Adam and Eve into a trap. They were not automatons designed to repeatedly perform the same function over and over again, but gifted with a free will to make choices. Lucifer would be given an opportunity to tempt them and the intergalactic television network would broadcast their reaction. Blame could not be laid at God's feet if Adam and Eve yielded to Lucifer's temptation. The culpability would lie solely with them.

Newscasts started to discuss the possible outcomes after the announcement. It was possible that the human couple would reject Lucifer's offer. On the other hand, Adam and Eve could choose to

believe Lucifer's proposal and fail the test. No one knew what the Godhead would do regardless of the outcome.

As the sixth day started on Earth, Jesus ordered angels to begin creating animals and creeping creatures. Angelic laboratories continued to design and manufacture different species which were to live on dry land. There was no evolution in play by which the organisms came about as a result of chance. Each animal was designed in a computer and carefully manufactured by the angels with the ability to think and speak. This is why when the serpent spoke to Eve, she did not express any surprise; to her it was just a normal conversation with one of God's creatures. The apostle Paul confirms the validity of this statement when he declared the animals were placed under the curse as a result of Adam and Eve's sin.

*"For the earnest expectation of the creature waiteth for the manifestation of the sons of God. For **the creature was made subject to vanity**, not willingly, but by reason of him who hath subjected the same in hope, Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and travaileth in pain together until now." (Romans 8:19-22)*

All animals prior to the fall of mankind were herbivores; they did not kill one another for food. My personal opinion is that each beast is given a temporary soul that ceases to exist after death. The reasoning is that animals have the ability to express emotions like love, hate, joy, and anger. If this ability resides in the soul of humanity, then logic would dictate that it is the same with the beasts. While they may have a soul, the Bible gives

no indication that they experience life after death. For the most part, animals have no understanding of time, nor do they know what took place in the past. All of them are created male/female with the capacity to procreate.

The prototype animals were designed, produced, and set loose on the earth. After a few hundred earth years, the fields, forests, and mountains were full of the different species. Special programs were made for the intergalactic television network and angels across the universe watched in amazement as the different animals enjoyed life on earth.

### **JESUS BEGINS THE CREATION OF ADAM**

Jesus came to Earth sometime during the fifth day and set up a laboratory in the Garden of Eden. Together with select group of angels, work began to design the human physique. The physical body was intended to be a vehicle for the soul and spirit of a man to utilize on earth. Jesus wanted mankind to be able to walk, run, jump, lift, and bend over.

The design process started with the skeletal frame. The bone structure needed to be light enough so the individual could easily move but also rigidly strong to carry different things. Muscles would hold the skeleton together and empower the man to move and work. A digestion unit was necessary to convert food into energy for the muscles. Waste material needed to be processed. A harness of fibers had to be fabricated with cells to generate electricity to power and control the body. Special glands were required to secrete chemicals that would be used to govern the body together with the electrical impulses. A powerful protein computer would handle the automatic functions of the physical body such as digestion, elimination of waste products, breathing, blood pressure and circulation, and body temperature.

Jesus wanted humanity to employ sense to see, hear, feel, taste and smell. To that end, two

forward facing eyes were mounted on the head for sight. The ears on either side of the head would enable hearing and balance. The bundle of fibers spread throughout the body, responsible for sending impulses to the muscles and organs would be embedded within the skin, allowing the sensations of touch, heat, and cold. The tongue in the mouth would be used for speaking, tasting food and liquids, and manipulating whatever is in the mouth for chewing and swallowing. A nose on the front of the face would primarily receive and expel air for respiration alongside the mouth and allow for a sense of smell. All these organs would be controlled by a brain (organic computer) and automatic functions like heartbeat, breathing, and digestion would be regulated from the brain stem.

At the same time, Deoxyribonucleic acid, better known as DNA, would serve as a written code stored in protein cells. It would contain the complete blueprint for the physical body. New cells would be formed according to the DNA coding as the old cells died.

The respective male and female reproductive organs would be used to produce new physical bodies for the offspring of married couples. Only Jesus can design the soul and spirit of mankind and they are inserted at the moment of conception.

The physical body is a replica of the soul/spirit body, which consists of matter from the spirit world. The soul/spirit body also has a soul brain that contains the personality, talents, and skills of the individual. The soul/spirit body is eternal once it comes into being; whereas, the physical body is temporary and limited to finite amount of time.

The creation of Adam's physical body took place in a tank filled with liquid that would provide nourishment to the different cells as they were fashioned into body parts. When conception occurs and a woman becomes pregnant, the egg and the sperm making up a new cell is attached to

the side of the uterus and a sack starts to develop that houses the new cell. The sack is filled with fluid and it is in this fluid that the original cell develops into a human body called a baby. Since the Son of God was operating in the physical world, it makes sense that building an adult human body from scratch had to be carried out in a liquid to protect the newly formed cell as it developed into an adult body. The Bible does not say how long it took for Jesus to create Adam. All we know is that Adam was constructed from different minerals of the ground.

The physical brain needed a component that could connect it to the soul brain. How did Jesus merge the physical realm with the spirit world? How does one connect a component from the spirit world to a physical body? I have already stated that King Solomon was wiser than any other human. The Lord gave him insight into this matter when he described the link between the soul and the physical brain as the silver chord.

*“Or ever **the silver cord be loosed...** Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.”*  
(Ecclesiastes 12:6a-7)

Once the prototype physical body was finished, it was removed from the tank and Jesus inserted the soul/spirit of Adam. This was the seminal moment that Adam became a living soul and the physical body began to breathe of its own accord.

*“**And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.**”*

*So **God created man in his own image, in the image of God created he him; male and female created he them.”** (Genesis 1:26-27)*

*“And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and **man became a living soul.**”*  
(Genesis 2:7)

Adam was a masterpiece of perfection. He was absolutely pure and holy. There was no sin associated with him. Adam opened his eyes and saw Jesus. Who am I? Who are you? Why do I exist? These are some of the questions that must have sprung from Adam’s lips. Jesus would have patiently answered each question.

As Adam started to examine his body, walking around and getting used to his existence, Jesus moved into the spirit realm and joyfully presented Adam to a crew from the intergalactic television network and informed the audience that Adam would be the prototype of the new race.

Adam must have stood there not knowing what was going on as he could not see Jesus. Innocent and naked, the first man just looked around without shame, oblivious to the fact that there were cameras from the spirit realm aimed at him. All he knew was that Jesus was his friend and Jesus loved him.

It is obvious that the Genesis account of the creation of Adam and Eve is not chronological. The first chapter speaks in general terms of the creation of humanity, but more details are found in the second chapter. It is also important to understand that the creation of Adam and Eve took place on the sixth day of the earth’s refurbishment. Since each day represented one thousand earth years, we do not know when they were created on the sixth day. The only timeline

we can reference is that all the land animals were designed and created prior to Adam's existence.

## THE GARDEN OF EDEN

Jesus created the Garden of Eden before Adam came into being. This must have been a tremendously beautiful garden, probably more like a park with walkways, meadows, trees, shrubs, flowers and filled with wildlife. The garden will be an amazing paradise where Adam and Eve will reside.

With its completion, the Son of God held a press conference that was televised on the intergalactic network. As the camera crew followed Him, He pointed out the different features of the garden. Jesus explained there is no need for buildings since the canopy in the upper atmosphere around the Earth generates a constant pleasant temperature. There is no rain since a mist rises every night and waters the vegetation. Clothing is not required because of the moderate climate; more importantly, the humans won't even know they are naked. This lush garden is irrigated by a river that is fed by springs. This single river flowing from the garden will serve as the source for four other rivers.

*“And a river went out of Eden to water the garden; and from thence it was parted, and became into four heads. The name of the first is Pison: that is it which compasseth the whole land of Havilah, where there is gold; And the gold of that land is good: there is bdellium and the onyx stone. And the name of the second river is Gihon: the same is it that compasseth the whole land of Ethiopia. And the name of the third river is Hiddekel: that is it which goeth toward the east of Assyria. And the fourth river is Euphrates.” (Genesis 2:10-14)*

When they came to the center of the garden, He stopped and pointed to two trees – the Tree of Life and the Tree of Knowledge of Good and Evil. Jesus looked into the camera and explained the Tree of Life would sustain Adam and Eve, making it possible for their physical bodies to live forever as long as they ate from it. The objective for the Tree of Knowledge of Good and Evil was to provide Lucifer with the means to tempt Adam and Eve. The future of humanity would be determined in this place.

*“And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed. And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the **tree of life** also in the midst of the garden, and the **tree of knowledge of good and evil.**” (Genesis 2:8-9)*

Jesus continued to explain that if Adam and Eve reject Lucifer's temptation, the Tree of Knowledge of Good and Evil will immediately be removed and taken to the Lake of Fire along with Lucifer and his minions. One single act – obedient or rebellious – will forever settle the righteousness of the Godhead. Lucifer has accused Me and this test will be broadcast for everyone to see and appreciate that Adam and Eve will get to choose – just like Lucifer. Their choice will bring a blessing or curse.<sup>9</sup>

To be continued...
