

EUROPEAN-AMERICAN EVANGELISTIC CRUSADES

THE OBAMA DECEPTION

DECEMBER 2010

Report by John S. Torell

As we watched the November 2nd election in the United States and saw the beating that the Democrats took, we thought that Obama would lick his wounds and retreat as the American people rejected his policies. But that was not to happen as we saw a new side to Obama and powerful friends came to his rescue. Harry Reid and Nancy Pelosi put pressure on the GOP to make a deal during the remainder of 2010 as the Bush tax cuts were on the block and much negotiation took place in the “smoke-filled back rooms.” The homosexual lobby wanted to repeal the “Don’t Ask, Don’t Tell” policy that kept the perverts from openly serving in the armed forces. The World Government wanted the Senate to ratify the START nuclear treaty with Russia at any cost and the first responders from New York who were severely injured during the clean up after the 9/11 attack wanted help with their medical and living expenses. The Republicans were shamed on the last request and softened up enough that 13 GOP Senators caved in to the homosexual lobby and joined Harry Reid and his Democrat lapdogs and sold our country to the Russians.

Obama was beaming when he left Washington D.C. to spend a Christmas vacation in the Hawaiian Islands. It is true that he was rejected in the November election but his cronies and the spineless Republicans defied the American people and did what they wanted. It is business as usual since no one in Washington D.C. is going to hold the President, Senators and Congressmen responsible for what they have done. When are the American people going to wake up in rage and declare that enough is enough? The problem is that even the Tea Party has been hijacked by the World Government agents and whatever this group planned to do is coming to nothing. Barack Hussein Obama got away with having to prove that he was eligible to be president and now he has gotten away with legislation that the American people did not want.

OBAMA’S TECHNOCRATS

Adolf Hitler never killed Jews, gypsies, elderly, mentally sick, Russian POW’s or those that opposed him. The only ones I know he personally killed was his old friend Ernst Rohm, the leader of the Storm Troopers, and his niece with whom he had a sexual relationship. Hitler and his Nazi leaders gave the orders to kill but the killing was done by technocrats who used regular soldiers and police to do the dirty work. There are two very evil men that have been appointed by Obama to set up some nasty things that will happen to the American people some day in the future.

John Holdren is an academic heavyweight who was asked to serve as President Clinton's science advisor from 1994-2001. In 2008 Obama picked him to serve as Director of the Office of Science and Technology Policy and was confirmed by the Senate on March 19, 2009. He is known as Obama's "Science Czar."

As a professor, Holdren wrote a book together with Paul and Anne Ehrlich in 1977 entitled, "Ecoscience, Population, Resources, Environment." In this "blueprint for the future" and in the book, Holdren and his friends are promoting mass sterilization of women, forced abortion if the women do not follow the direction of the government and the call for a "Planetary Government" that would abolish all individual nations.

Cass R. Sunstein is also an academic heavyweight like Holdren and was appointed by Obama to be the "Administrator of the White House Office of Information and Regulatory Affairs." Sunstein has written a number of books over the years in which he attacked the constitution in a book entitled, "A Constitution of Many Minds." He does not like free speech and wrote a book against it called, "Democracy and the Problem of Free Speech."

Most Americans have never heard of these offices at the White House and even less about the men who run them. Both of these men are the vanguard of technocrats who will be responsible for rounding up future dissidents in America and eliminating them.

EXPOSING OBAMA'S SECRET PLANS

Obama did not personally pick these men but was told that these men are to hold these offices so that they can prepare the way for the destruction of the United States as a sovereign nation and get the American people ready to become citizens of a Planetary Government.

Our ministry has two reports that are ready to be released. The first one is a massive documentation of secret testing by the American government on its own people dating back to 1945 and up to 1980. This is vital information that must be known by the Christian community since all vaccination programs are in reality "death programs" where substances hidden from the public are slipped into the vaccine in order to decrease the population. These substances will create diseases that will kill the person faster than if they were to die naturally. The goal is to have a massive number of people dying around the ages of 55 to 65. This program will insure that there will be enough laborers who will die when they get close to retirement and never collect any Social Security checks. This might seem far out and very sinister but I have documented the information and there is no doubt in my mind that this is a danger that few people know about at this time.

My second report that is finished to 70% is called "Sterilization-Forced Abortions, Loss of Liberty, Welcome to the Future Hosted by the Planetary Regime, also known since 1925 as the New World Order." This report details the program that John Holdren laid out in 1977 and much of it has now been implemented. What is really scary is that John Holdren is no longer just an academic professor but is in charge of this program with an office in the White House. We are planning to release the first report before the end of the year and the next one sometime in January.

WE ARE RUNNING OUT OF GAS

In the month of April, 1945, General George C. Patton and the U.S. Third Army were racing to capture Berlin in Germany. He didn't know the World Government had told the United States and England that Berlin was the prize for the Soviet Union and that no American or British forces could take part in the taking of the city. General Patton was not easy to control and had had several run-ins with the Allied Commander, Dwight D. Eisenhower, and he had no intention of stopping short of Berlin. Eisenhower gave the order suspend all fuel shipments to the Third Army. Once Patton's tanks, trucks and Jeeps ran out of gas, they were unable to move and the Soviet Army had the honor of taking the German capital.

Our ministry has also "run out of gas." Satan has given orders to stop us by blocking any "fuel shipments" to us. We have fought a valiant battle this year, and even though we have been short on funds since June, we have been able to keep going, but for some reason the giving was down in the month of December and we need a miracle with only a few days left to go. If you have not given to our ministry this month, would you consider sending us a gift right away? You can send a check or send a donation straight to our bank account. Please contact us if you are able to help. We want to attack Satan, drive him from his strongholds, lead people to Christ and prepare Christians for the coming antichrist regime. Patton never ran out of ammunition, he just ran out of gas. We have plenty of ammunition, but we need gas and we need it fast!

We are not the only ministry hurting in December. I have received letters from other ministries that are friends of ours and they are sending out desperate pleas for help. My heart goes out to them when I read these letters but I am also out of gas. Please pray for us, if you can do anything for us, we are going to praise God and thank him for giving you the means to give.
