WEEKLY WEBCAST

Sunday 9:00 AM PST

We are a Bible centered group of believers who desire to grow in the full knowledge of Jesus Christ without compromise to His Word.

Jesus called his disciples to be salt and light. Salt is a preservative but it is also something that adds savor and enjoyment to our daily food. Light is a symbol of truth; it is comforting, penetrating, guiding and exposes darkness. We seek to preserve biblical truth and shed the glorious light of the Gospel in a world that is consumed by darkness.

THE CORNER

Dear Friends,

Change can be fun, but it can also be very stressful. In this issue, we will examine change that is not pleasant. The United States Supreme Court decided on June 26, 2013 that marriage as God designed it when He created Adam and Eve needed to be updated. These mortal men and women appointed to the Supreme Court overruled God and stated that marriage also includes homosexuals, men marrying men and women marrying women. This insult to God will not go unpunished and the justices who voted for this change are going to pay for this sinful decision.

The Supreme Court consists of a Chief Justice and eight associate justices. The court is made up of six men and three women. Elena Kagan and Sonia Sotomayor are rumored to have homosexual preferences. There is not one born again believer in this group. The conservative block in this group is made up of John Roberts, Samuel Alito, Antonin Scalia and Clarence Thomas. Anthony Kennedy is usually the swing vote while Stephen Breyer, Ruth Bader Ginsburg, Elena Kagan and Sonia Sotomayor are hardcore liberals. In the decision of homosexual marriages and rights, Anthony Kennedy not only joined forces with the liberals, but also wrote the majority opinion.

Roberts, Alito, Scalia and Thomas voted against homosexual legal rights, but were overruled by Kennedy. Scalia wrote a strong worded minority opinion:

“By formally declaring anyone opposed to same-sex marriage an enemy of human decency, the majority arms well every challenger to a state law restricting marriage to its traditional definition. Henceforth those challengers will lead with this court’s declaration that there is ‘no legitimate purpose’ served by such a law, and will claim that the traditional definition has the purpose and effect to disparage and to injure the ‘personhood and dignity’ of same-sex couples.”

Here is a short statistical list of the current Supreme Court Justices:

John Roberts, Chief Justice. 58 years old, Roman Catholic and a Republican

Samuel Alito, 63 years old, Roman Catholic favoring the Republican Party

Stephen Breyer, 75 years old, Jewish and a Democrat

Ruth Bader Ginsburg, 80 years old, Jewish and a Democrat

Elena Kagan, 53 years old, Jewish and a Democrat

Anthony Kennedy, 77 years old, Roman Catholic and an independent

Antonin Scalia, 77 years old, Roman Catholic and an independent

Sonia Sotomayor, 59 years old, Roman Catholic favoring the Democratic Party

Clarence Thomas, 65 years old, Roman Catholic and a Republican

GOD'S WORD CANNOT BE BROKEN

In examining the Bible, every believer in Christ must accept the fact that the Word of God cannot be broken and whatever God has spoken either has happened or will happen in the future. The Supreme Court Justices are not ignorant of what God has spoken about marriage and homosexuality and the Bible has stated what God will do with evil doers. (Hebrews 10:26-31) The wrath of God is now upon these wicked men and women and one day they will die and face God's anger. They will have to answer for all the babies that were murdered from their rulings and looking favorably upon the counterfeit homosexual relationships. Unless they repent and turn to Christ before they die, their fate is sealed and they will spend eternity in the Lake of Fire and pay for their horrible sins forever.

What made it possible for men and women of immorality and a hate for God to be appointed to the Supreme Court? The blame will be laid at the feet of morally corrupt presidents and senators who in their lust for power, fame and sexual depravity appointed these vile and morally corrupt federal judges to sit on the Supreme Court. The blame will be passed on to the American people who voted in spiritually corrupt politicians as presidents and senators

But the blame will not stop here; it will be passed on to the Christian pastors of America who failed to preach a powerful Gospel that brings repentance to the people. Cyrus Scofield was a man used by Satan in the late 19th century to introduce the false doctrine that the church would be "raptured" before the coming of the Antichrist. He also inferred the message that the church should not be involved in political matters, but focus solely on the second coming of Christ.

The result was that most pastors stopped their involvement in the political arena and our public schools, colleges and universities were turned over without

a fight to Satan's people. Meanwhile, the Christians continued to send their children to public schools and slowly turned them over to humanistic teachers, which caused them to become perverted and morally destroyed.

Our school boards, city councils and county supervisors for the most part consist of ungodly people, who pass rules and regulations to restrict churches in what they can do. When Christians abandoned the political parties, Satan's crowd took it over and the elected representatives in the state houses and in Washington D.C. began to craft the laws that today are a curse on our nation. The Christian leadership at the turn of the century in 1900 was bamboozled by demons and the ungodly Illuminati writers from Europe and they sold future generations of Americans to become slaves of the Devil. This is not the first time Satan had been able to pull such a coup, it was done some 2,700 years ago in Israel and this is what God spoke through his prophet Hosea:

“Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land. By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood. Therefore shall the land mourn, and every one that dwelleth therein shall languish, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away. Yet let no man strive, nor reprove another: for thy people are as they that strive with the priest. Therefore shalt thou fall in the day, and the prophet also shall fall with thee in the night, and I will destroy thy mother. My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.” (Hosea 4:1-6)

WHAT ABOUT THE FUTURE?

The Bible clearly tells us that sometime in the future all nations on the earth will be forced into some kind of a world federation which means that every nation will lose its sovereignty. This is not something Americans want to hear since we hold our freedom dear and we respect and honor the Constitution of the United States. The day is eventually coming when the American flag will be lowered for the last time and the new dreaded symbol of a Satanic world ruler will be hoisted in its place. I don't know whether it will happen soon or years from now but Christians need to prepare for that day and make sure our children understand the times when the world falls into the abyss which the Bible calls the “Great Tribulation.”

I am sorry to say that the majority of American pastors do not actually believe the Book of Revelation is for real because they have been taught in seminaries that it is a book of symbols written by the apostle John, who was under great duress during his imprisonment on the island of Patmos. He therefore wrote the book in code to smuggle it past the Roman guards. There is not much hope for

these pastors and their congregations as they will be horrified some day when they realize the Book of Revelation was a message from Jesus and wasn't an allegory. These same people will take the Mark of the Beast just to survive, not knowing that in doing so they have been forever damned to the Lake of Fire.

There are some pastors who believe the Book of Revelation is the Word of God and should be taken literally but many of them have been deceived into believing that all believers in Christ will be caught up into heaven, into what is called "The Rapture" before the coming of the Antichrist. This abominable teaching cannot be found in the Bible because it is a man-made doctrine that has been repeated for the last 150 years. I'm sure you're familiar with the saying, "Repeat a lie long enough and often enough and in time people will believe the lie."

I want to show you in this newsletter what the Bible really states about this period in history and what we should do to prepare for it. Like it or not, it is coming, and if you are alive at that time, you will have to deal with it one way or the other.

It is my hope that you will be like the Bereans who heard Paul's preaching and studied the Scriptures to see if what he said was true. Are you going to be Berean?

"And the brethren immediately sent away Paul and Silas by night unto Berea: who coming thither went into the synagogue of the Jews. These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and searched the scriptures daily, whether those things were so." (Acts 17:10-11)

May God have mercy on our nation and send a revival before it is too late.

Yours in Christ,

John S. Torell

ARE YOU PREPARED FOR THE TRIBULATION?

John S. Torell

Over the years I have preached many sermons about the Antichrist, the Great Tribulation and the Mark of the Beast. But I have never really thought about what it meant to live during the time that Jesus said would be shortened or no person would survive.

"For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened." (Matthew 24:21-22)

I have written nine books in the Kabbalah series in the last three years and laid out the road a road map of how a world government has been shaped in the last 300 years.

Lately, my personal devotional time has been spent reading about China. The first book dealt with events on the Tiananmen Square massacre in 1989 and the second book is the life story of the well-known house church leader named Brother Yun, also known as "The Heavenly Man." The persecution, imprisonment and torture of Yun went through got deep into my soul and I realized how ill prepared believers in Christ are in the West when it comes to persecution.

Several days after I finished these books, the Holy Spirit began to tell me that I was not prepared for the future despite all the knowledge I had accumulated during the years of ministry and that few Christians had ever entertained the thought that they might have to live through the Great Tribulation. We need to be mentally, spiritually and physically prepared. In this article we will examine the common teaching that the Church will be raptured before the coming of the Antichrist. In reading the Bible, I have not found any

reference in the Bible supporting a pre-rapture of the believers in Christ.

Here are the different time periods given in the Bible:

- ❖ Daniel was told by the angel that from the time the daily sacrifice ended in the temple in Jerusalem until the Antichrist set himself up as God would be 3.53 years. (Dan. 12:11)
- ❖ There is another time given to Daniel that speaks of 3.66 years. There is no reference in the Bible to when this period begins and thus it will be unknown until God gives a new revelation that explains it. (Dan. 12:12)
- ❖ John was told that the torment of the locusts from the bottomless pit would last five months. (Rev. 9:5)
- ❖ The first period of the Antichrist will last for 3.5 years before he is killed. (Rev. 13:1-5) His deadly wound will be healed as he is brought back to life and worshipped as a god. (Rev. 3:12)
- ❖ The total reign of the Antichrist is listed as one hour. (Rev. 17:12) Using the formula given to Peter, one hour in heaven is the equivalent of 41.6 years on earth. (2 Peter 3:8)
- ❖ There is no timetable for how long the Great Tribulation will last, except that Jesus said the time would be shortened so that people would survive. (Matt. 24:21-22)

My conclusion is that the Great Tribulation period and the reign of the Antichrist are not one and the same. The Great Tribulation refers to judgments of God that are poured out on the earth while the reign of the Antichrist will last for 41.6 years.

GOD'S PLAN FOR THE CHURCH IN THE END TIMES

I decided to pray and seek the Lord for every Scripture that dealt with life on earth for Christians during the time of the Antichrist. I was amazed to find so much information about the end times that it became clear that God indeed does have a preparation program for His people. God did not want to wait until the last minute to reveal to his prophets what the ending of the earth would be like. As a result, He began to reveal a little here and a little there with the final revelation given to the Apostle John in 90 A.D., known today as the Book of Revelation, the last book in the Bible.

Logic tells us that this information will not be relevant for most Christians, except for the generation of Christians who live on the earth at the time that these prophecies are fulfilled. I believe we are getting close to that time and thus what I'm about to share with you should be relevant to you and your loved ones.

We will begin in the Old Testament and three prophets who were given specific details about the end of time: Isaiah, Ezekiel and Daniel.

ISAIAH

Isaiah lived approximately from 800 to 690 B.C. Israel at this time had been split into two kingdoms, with the ten northern tribes making up the Kingdom of Israel and the two southern tribes making up the Kingdom of Judah. Isaiah lived through the dramatic fall of Israel and its capitol Samaria in 721 B.C. by the Sargon II, and most of the people were taken captive and scattered into the Assyrian Empire and replaced by Gentiles who were brought in from different nations to resettle Israel. (2 Kings 17:18-28)

According to historical records, Isaiah lived close to the temple in Jerusalem his whole life. His great concern was that the people of Israel did not listen to warnings from God and lost their land. He must have been heartbroken over that the kings of Judah and its people who refused to repent of their sins when they heard that the ten northern tribes had not only been

defeated, but most of the people had been carried into other nations.

Isaiah prophesied against the kings of Judah and the ruling political parties to no avail. Prior to Isaiah there had been no end time's prophecies with the exception of Enoch who lived before the flood.

THE DESTRUCTION OF THE CURRENT CREATION

The Lord moved upon Isaiah and he spoke a prophecy about the end of times:

"Come near, ye nations, to hear; and hearken, ye people: let the earth hear, and all that is therein; the world, and all things that come forth of it.

For the indignation of the LORD is upon all nations, and his fury upon all their armies: he hath utterly destroyed them, he hath delivered them to the slaughter. Their slain also shall be cast out, and their stink shall come up out of their carcasses, and the mountains shall be melted with their blood.

And all the host of heaven shall be dissolved, and the heavens shall be rolled together as a scroll: and all their host shall fall down, as the leaf falleth off from the vine, and as a falling fig from the fig tree."
(Isa. 34:1-4)

RESTORING THE NATION OF ISRAEL

Toward the end of his life, God gave Isaiah another prophecy about the end times, but he didn't know when it would take place or what the conditions would be. In reading the Book of Revelation, it is clear to us now that this is a prophecy about the Thousand Years Kingdom and life in the New Creation.

Since this was not clear to the Jews they simply believed that God would bring the ten northern tribes back into their land one day, and that the kingdom would no longer be split, but that it would be restored to the way it was during the time of King David and King Solomon. The Kabbalistic Jews adopted this prophecy and made it a pillar in their doctrine of an Israeli world kingdom, where the descendants of

Abraham would be supreme rulers of the earth and all Gentiles would become slaves to Israel and its people. (Isaiah 60:1-22)

A NEW CREATION

The last prophetic word that Isaiah received was that the current earth and universe would not last for eternity, but that at some time in history they would cease to exist and there would be a new creation.

“Behold, my servants shall sing for joy of heart, but ye shall cry for sorrow of heart, and shall howl for vexation of spirit. And ye shall leave your name for a curse unto my chosen: for the Lord GOD shall slay thee, and call his servants by another name: That he who blesseth himself in the earth shall bless himself in the God of truth; and he that sweareth in the earth shall swear by the God of truth; because the former troubles are forgotten, and because they are hid from mine eyes. For, behold, I create new heavens and a new earth: and the former shall not be remembered, nor come into mind.” (Isa. 65:14-17)

This last prophecy was not given in chronological order, for in the following verses, we gain insight in what it is going to be like in the Thousand Years Kingdom:

“And I will rejoice in Jerusalem, and joy in my people: and the voice of weeping shall be no more heard in her, nor the voice of crying. There shall be no more thence an infant of days, nor an old man that hath not filled his days: for the child shall die an hundred years old; but the sinner being an hundred years old shall be accursed. And they shall build houses, and inhabit them; and they shall plant vineyards, and eat the fruit of them.

They shall not build, and another inhabit; they shall not plant, and another eat: for as the days of a tree are the days of my people, and mine elect shall long enjoy the work of their hands. They shall not labour in vain, nor bring forth for trouble; for they are the seed of the blessed of the LORD, and their offspring with them. And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear.

The wolf and the lamb shall feed together, and the lion shall eat straw like the bullock: and dust shall be the serpent’s meat. They shall not hurt nor destroy in all my holy mountain, saith the LORD.” (Isa. 65:19-25)

Thus in a time of great trouble God gave his people hope that He would restore Israel and give them a future in the end. This was the word that the Jewish people clung to when Jerusalem fell in 587 B.C. and the city was destroyed with its temple and the majority of the Jewish people were carried into captivity into Babylon.

When Manasseh was made a king of Judah after Hezekiah’s death, he was only 12 years old and Judah was ruled by his adult spiritual guardians, who came from the political party Ahaz. They wanted to bring back the idol worship that had been destroyed by Hezekiah, and in order to move the young boy in the wrong direction, they had to remove the prophet Isaiah. According to historical records, he was murdered by being sawn asunder.

EZEKIEL

As a young priest, Ezekiel was taken into Babylon eleven years before the destruction of Jerusalem and the temple. King Nebuchadnezzar of Babylon had defeated the kingdom of Judah in 598 B.C. and set up a vassal king over Jerusalem. He then took the first wave of Jews into captivity and brought them to Babylon. Ezekiel became a priest to the Jews living in exile and his main focus in life was to minister to his people and pray that the Babylonian empire would be destroyed so that the Jews could return to Jerusalem and Judea.

REVEALING THE SINS OF THE PRIESTS IN THE TEMPLE

Ezekiel was aware of the people’s sins and gave prophecies concerning what was going on secretly in the temple so far away. (Ezek. 8:1-18; 22:23-31; 34:1-11)

THE RESURRECTION OF THE DEAD

He was given a series of prophecies toward the end of his life about Israel that would take place in the future. There was no time frame given when this would take place and these prophecies have been badly interpreted and misused by preachers for the last 200 years, even by myself when I was misled by Hal Lindsey back in the 1970's.

The first prophecy is that God toward the end of time on this earth will raise up the people of Israel from their spiritual death. (Ezek. 37:1-14)

This resurrection is going to take place after the second return of Christ and will only be for those Israelites who have repented of their sins and believed in the Messiah. This knowledge of life after death was given by revelation to Enoch, and was expressed by the preacher Job, who was a contemporary of Abraham:

"Oh that my words were now written! oh that they were printed in a book! That they were graven with an iron pen and lead in the rock for ever! For I know that my redeemer liveth, and that he shall stand at the latter day upon the earth: And though after my skin worms destroy this body, yet in my flesh shall I see God: Whom I shall see for myself, and mine eyes shall behold, and not another; though my reins be consumed within me." (Job 19:23-27)

Very few ministers bring out the background of the different prophets in the Old Testament, therefore it is easy to misconstrue the message that was given to the prophets by God. Ezekiel was heartbroken that the ten northern tribes had been removed from their land, Israel had been divided into two kingdoms and now both of these kingdoms had been absorbed into another nation. The temple had been destroyed and Jerusalem had been reduced to a heap of rubble. It would take a miracle to restore the nation of Israel and this was the message that God gave to Ezekiel. One day Israel and Judah would no longer be divided and the people would once again be one. (Ezek. 37:15-22)

Then God told Ezekiel the spiritual condition of the people at this time that they would be holy and there would be no more defilement. Ruling over them would be the resurrected King David. (Ezek. 37:23-25)

This prophecy is supported in the Book of Acts 15:16 and in Revelation 20:4.

God also told Ezekiel that there would be a new covenant, one that would be everlasting. (Ezek. 37:37:26-28)

The Kabbalistic Jews and the Christian Zionists use the 37th chapter of Ezekiel to support the foundation of the state of Israel in 1948. What they completely disregard is that God described the condition of the people as sanctified and holy and that the resurrected King David would rule over them with a new covenant. There is no King David at this time ruling the political state of Israel, and most of the leadership and people of Israel do not even believe in the God of Abraham, Isaac and Jacob.

THE LAST WAR ON THE EARTH

For some reason God decided to give Ezekiel a detailed description of the final war on the earth as described by the Apostle John in the Book of Revelation. (Rev. 20:7-9) God knew this war would be fought thousands of years after Ezekiel had died and never told Ezekiel that he was going to be personally involved in this war, but there is a strong warning to the generation who will be alive at the time of this war. Every true believer in Christ should refuse to participate in it since it is doomed to failure because it is a battle against God directly. Thus this prophecy is for the generation that will be alive during the time of the Thousand Years Kingdom. (Ezekiel, chapters 38 and 39)

DANIEL

Neither the Bible nor historical records reveals what wave of deportation Daniel was in. All we know is that he was taken to Babylon with his young friends and that they were groomed for civil service in the

Babylonian government. They were anointed by God and found great favor in the eyes of the king of Babylon and given high government positions. God gave Daniel dreams and visions that applied to his day, but God also gave him spectacular revelations regarding the end times as well. Just like with Ezekiel, God knew that Daniel would not live in the flesh to see this take place, but the prophecies were given for the generation that will be alive at the end times.

TAKING CONTROL OF THE WORLD

The first piece of important information we get from Daniel is that the future world dictator (Antichrist) will take power with a small number of people aiding him. (Dan. 11:23-24)

The concept given to the prophets was that the Antichrist will not be a Gentile, but from one of the tribes of Israel. The Old Testament narrows it down even further that the true Messiah would come from the tribe of Judah. In order for this Man of Sin to deceive the Jewish people into believing that he is the genuine Messiah, he too must fulfill the prophecy and come from the lineage of King David. (Isa. 11:1-5)

The charge of anti-Semitism is thrown around a lot today. Being labeled as an anti-Semite can be compared to being blacklisted or receiving the kiss of death in society. Consequently, everyone is afraid to criticize the Jews for fear of being blacklisted as anti-Semitic. A Christian is not anti-Semitic when he embraces the biblical teaching that the Antichrist is going to be from the tribe of Judah and claim lineage to King David. Matthew and Luke put great importance on validating the lineage of Jesus (Matt. 1:1-16; Luke 3:23-38)

Do you think the rabbis who validate the Antichrist will be sloppy and bypass this issue? Only a biblically uneducated person would make that assumption. No Jew would ever accept a man claiming to be the Messiah unless he was first validated by the chief rabbis.

I have already established in the Kabbalah book series how the World Zionist Federation has a goal of establishing a Jewish "One World Government" under the direction of the Jewish Messiah, which they claim will be empowered with power from God and thus will yield divine power that will supernaturally put down all resistance. The problem is that they do not have a Messiah in place right now, nor do they have divine supernaturally power, and therefore they are relying upon deception and military power.

In order to understand how the Jewish power structure works, you cannot equate the government of the political State of Israel with the World Government. The government in Jerusalem is a local government in charge of three million Jews and Arabs who live in Israel. It is their duty to make sure that they maintain the borders of Israel militarily and ready at all times to repel any attack on Israel, which includes pre-emptive strikes if necessary.

The real Jewish World Government is located in London and New York and is set up in a similar fashion to the Roman Catholic Church.

Everybody in the world knows the political set up of the Roman Catholic Church. There are priests in charge of the local parishes and congregations. These local churches are governed by a bishop, who is in charge of a district. A cluster of districts is ruled by a Cardinal. A number of cardinals do not have a district, but are stationed in Rome, where they are in charge of different departments. The top leader in the Roman Catholic Church is the Pope. The pope can only be chosen from the body of cardinals, so when a pope dies, all the cardinals gather in Rome in a secret conclave to elect from among themselves the next pope.

There is no unity among Jewish rabbis and there is no chief rabbi that rules all the rabbis in the world. Judaism is more like the Protestant churches, which are divided up into many different denominations.

The top secular Jewish leadership is Kabbalistic, but there are different levels of devotion to the Kabbalah

among them. Most synagogues are reform or orthodox, but there are some synagogues which cater exclusively to the Kabbalah and the Talmud. Of some 13 million Jews living in the world in 2013, less than 20,000 are hard core Kabbalist's. The recruiting is done pretty much the same as in Freemasonry where you don't ask to become member but are selected and given a chance to get on the Kabbalistic team. To be in the inner core, you have to be part of the old European Jewish families dating back to the 18th century. There is a secret Jewish congress consisting of 300 delegates, who in turn elect members to the cabinet of 13. There are 12 members in this cabinet representing the twelve tribes of Israel and the 13th is the messianic representative, who one day will be replaced by the false messiah (Antichrist). When the messianic representative dies, the twelve members choose a new one from their ranks and then the congress of 300 elects another man to fill the Cabinet of 13.

To be a member of the congress you must be a devoted Luciferian and fiercely devoted to the Zionist cause of a world government under Jewish leadership.

The Cabinet of 13 controls the entire world through its grip on banking and investment funds. Every national political leader is under their control through bribery, extortion or finance. Since the Cabinet has total control of the establishment media in every nation, they can easily manipulate elections and the financial markets. The Internet has been a problem for the world government with its freedom of information and eventually they will take control when they believe that they have squashed all possible opposition. In the meantime, they are pressuring companies like Google and Yahoo to withhold information they feel is a threat to them. China and other communist nations are blocking anything on the Internet they feel is a threat to their security and that also includes a number of Islamic nations in the Middle East.

The Cabinet of 13 rules through a number of sub organizations. The least well-known organizations

among Gentiles are the different Jewish congresses, which is not to be confused with the Congress of 300. There is the World Jewish Congress, the Canadian Jewish Congress, the American Jewish Congress, the South American Jewish Congress, the European Jewish Congress and the African Jewish Congress. As you can imagine, there are no Gentiles in these organizations.

The next layer in this pyramid are Gentile organization like the Illuminati, the Council on Foreign Relations, the Trilateral Commission, the Bilderburgers, different Masonic lodges, college and university fraternity organizations, World Council of Churches, labor unions, a number of liberal church denominations, most of the American Evangelical denominations and independent churches, conservation groups like the Sierra Club, and a number of political lobby groups in Washington DC, the most well known is AIPAC.

Pastors Rick Warren from Saddleback Church in Southern California and John Hagee from Cornerstone Church in Texas are their most valuable assets in the Christian community.

The people in these Gentile organizations don't know who they work for nor do they understand the hidden goals. There are a number of catch slogans for the different groups. For example, there is much talk that global warming must be curbed and that population control is a must since there are too many people on earth. Furthermore, we need to save the whales, save the tigers, save the spotted owls, save the trees, etc. Trained agitators will whip up the emotions of the people in the different organizations and tell them how important it is to work for the "cause."

Top leaders are told for look for young people with talents and they are usually recruited as early as high school and sent through different leadership training programs. In order to make them pliable, they are encouraged to dislike the Bible and Christians in generality. They are taken to lavish retreats, where they are given alcohol and recreational drugs and encouraged to become sexually involved with other participants; there is no restriction on sexual activities

as homosexual acts are just as popular with the top leadership. Thus, as a person is being trained and educated, they are being morally destroyed at the same time. By building in this weakness into their upcoming leadership, the top leaders can easily destroy any person who does not tow the party line by disclosing their deviant sexual lifestyle. Senator Gary Hart ran for the presidency in the 1988 when his extramarital affair with Donna Rice became headline news and he was forced to bow out of the race. Senator John Edwards had a child out of wedlock with Rielle Hunter while his wife battled cancer; he fought hard to keep it a secret to no avail and was forced out of the race for the White House.

The nations' intelligence services are controlled by the Cabinet of 13, which gives them access to national secrets and professional assassins. Most countries have special forces which will augment intelligence agencies when a more powerful force is needed. The Jewish world government has the Mossad, the most feared intelligence service in the world. Intelligence organizations like the CIA, the FBI, the MI5 and MI6, the Russian FSB, which used to be known as the KGB, all fear the Mossad.

The only nation that the Jewish world government has not been able to completely intimidate and control is China. It is interesting that the Book of Revelation tells of a huge army coming from the east to battle the Antichrist forces in the Middle East. (Revelation 9:14-16)

It is dangerous to work for the world government's organizations, particularly if you are involved in intelligence or special forces operations. Biological warfare specialist Frank Olson (1910-1953) was thrown out of the window in a high rise building, FBI director Edgar Hoover (1895-1972) was given a speedy departure when he started to resist his handlers, CIA directors William Casey and William Colby were both killed to keep them from revealing secrets. President John F. Kennedy and his brother, Robert Kennedy, were assassinated, labor boss Jimmy

Hoffa was most likely murdered and there are hundreds of other cases like this. Senators and Congressmen have been murdered, some were framed and sentenced to long prison terms.

Politicians quickly find out that if they are not politically correct, they will be sabotaged, maligned and smeared in the media or simply ignored.

Recently there have been whistleblowers who have revealed how the IRS has been used against people who are bucking the system. For years I have been telling people that the National Security Agency (NSA) is monitoring all phone calls, e-mails, bank transactions, etc. and the American people are constantly being monitored and their data stored on supercomputers.

WHO IS THE ENEMY OF THE JEWISH WORLD GOVERNMENT?

The leaders in this Jewish World Government fear the free thinking opinion makers and conservative Christians, particularly Baptist and Pentecostal Christians. Any group that tries to organize themselves into a political party and fight the establishment is hated with a passion and the American Tea Party falls into this category.

You might scoff at what I just said, but look at these facts: Christians were hunted down and butchered by the millions in the Soviet Union, Nazi Germany, Communist China, and all other Communist nations in the world. Anyone who tried to organize opposition parties in these nations were hunted down and killed.

In the future, any person or group that doesn't bow down to this world government and chooses to resist it will be considered dangerous and killed with extreme prejudice. If this newsletter is found in your possession during the reign of the Antichrist, you will be arrested, labeled an enemy of the state and sentenced to death. There will be no death row like there is now in the United States, where a prisoner can sit for 30 years while he appeals the sentence. No, it

will be like in China where you are arrested today, sentenced tomorrow and killed the next day.

Thus, the prophetic word given to Daniel about the Antichrist and his system has to a degree been fulfilled and continues to be fulfilled as the world government increases its stranglehold on the world.

WHY ARE CHRISTIANS SO DANGEROUS?

A dictator cannot allow another power system to exist in his kingdom if he is going to have absolute control over the people. As soon as Jesus was born in Bethlehem, news about his birth was brought to King Herod, who saw Jesus as a threat and decided that He must be killed to protect his power. (Matt.2:1-20)

The ruling Jewish leadership at the time of Christ could not co-exist with the Kingdom of God and they made it clear that Jesus had to die. (Matt. 26:1-5; 65-75; 27:1-42)

They thought that by having Jesus executed by the Romans, there would be no more threat to their monopoly of power over the Jews. When they realized that the movement of Jesus was still alive and well, they attacked again and went after Jesus' followers. (Acts 4:1-21)

The Book of Acts is the history of the persecution experienced by Christians at the hands of the Talmudic Kabbalistic Jewish leadership and of the Roman government. Thousands of Christians paid with their lives during the first three hundred years.

When Satan infiltrated the Christian churches and founded the Roman Catholic Church in 325 A.D., the persecution of believers in Christ did not come from the outside forces, but from within the apostate church of Rome.

Kings in different nations persecuted Christians for centuries and when the communist scourge was unleashed upon the earth, the blood of born again believers also began to flow at the hands of the Nazi's in Germany and the Fascist's in Italy.

These ungodly governments and religious groups knew that a born again Christian cannot be controlled, and furthermore, they will witness and lead other people to Christ and in time win enough people for Christ that the dictatorship will lose power and be destroyed.

The Jewish world government leaders know their history well and recognize that Christianity must be eradicated if they are going to take control over the earth. This was predicted by Jesus 2,000 years ago. (Rev. 13:5-9)

THE SPIRITUAL CONDITION OF BORN AGAIN CHRISTIANS

It is very interesting that God told the prophet Daniel some 2,500 years ago what the spiritual condition would be on the believers of Christ in the end times.

"And such as do wickedly against the covenant shall he corrupt by flatteries: but the people that do know their God shall be strong, and do exploits. And they that understand among the people shall instruct many: yet they shall fall by the sword, and by flame, by captivity, and by spoil, many days. Now when they shall fall, they shall be holpen with a little help: but many shall cleave to them with flatteries. And some of them of understanding shall fall, to try them, and to purge, and to make them white, even to the time of the end: because it is yet for a time appointed." (Dan. 11:32-35)

When this prophecy was given, there was only one covenant in force, and thus God was telling those in the future that the Antichrist will flatter the Jewish people, while God's people will be strong, which includes Jews and Gentiles who have been born again. There will be preaching and teaching by Christians, but at the same time, there will be a terrible persecution.

Just like in the Soviet Union, Nazi Germany and modern day China, there will be no human help for the believers in Christ when they are tormented and executed. Jesus spoke about this in the Book of Revelation:

“Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.” (Rev. 14:12-13)

Other believers in Christ will be tempted and choose to sin like we have seen so many times with evangelists, pastors and church people in the last 50 years. There will be repentance when the chastisement of God falls upon them, and they will be purged from their sins through pain and suffering.

THE ANTICHRIST WILL BE A HOMOSEXUAL

God gave Daniel very little detail about the Antichrist’s sexuality and was simply told that the Man of Sin would have no desire for women.

Even though he will be Jewish, he will not worship the God of Abraham, Isaac and Jacob; instead, he will worship the god of forces, which is Lucifer, and this is precisely the same the god that the Kabbalist’s worship.

*“And the king shall do according to his will; and he shall exalt himself, and magnify himself above every god, and shall speak marvellous things against the God of gods, and shall prosper till the indignation be accomplished: for that that is determined shall be done. **Neither shall he regard the God of his fathers, nor the desire of women, nor regard any god: for he shall magnify himself above all. But in his estate shall he honour the God of forces: and a god whom his fathers knew not shall he honour with gold, and silver, and with precious stones, and pleasant things. Thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain.” (Dan. 11:36-39)***

Jesus later provided more information that the Antichrist will be a Satanist and that Satan himself will

give him the power to subdue the people on the earth. (Rev.13:1-4)

It is frightening to see how homosexuals started to come out of the closet in the 1950’s. They have been transformed from timid sissies into hardcore political activists that are no longer ashamed and intimidated, but proud over their deviant lifestyle. They have achieved such political power in European countries, that any person who publicly speaks against homosexuality as a sin, will be prosecuted under the new “hate laws.” It is only a matter of time until this happens in the United States. What the Church has not understood is that what we are experiencing here is the power of the Antichrist spirit.

MICHAEL, THE SUPREME ANGEL COMANDER

God gave Daniel a very encouraging prophetic word when it was revealed that Michael, the commander in chief of all angelic forces, will be sent to do battle for the believers in Christ during the Great Tribulation.

“And at that time shall Michael stand up, the great prince which standeth for the children of thy people: and there shall be a time of trouble, such as never was since there was a nation even to that same time: and at that time thy people shall be delivered, every one that shall be found written in the book.” (Dan. 12:1)

God told Daniel that at the end of time on earth, there will be trouble of such proportions that the world has never seen something like this before. Jesus later confirmed this message:

“For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.” (Matt. 24:21)

Michael will be given orders to protect every believer in Christ whose name is written in the Book of Life.

We have two other references to what this mighty warrior angel has done. In the first instance, an angel was sent from God to give a message to Daniel but the demon prince over Persia had such power that this angel could not pass through the demonic defense

lines and remained outside the earth's atmosphere until Michael was sent with an expeditionary force that broke through Satan's defense lines. (Dan. 10:11-13)

In the second instance, we know that Michael was in charge of the heavenly forces that defeated Lucifer, after he started a rebellion among the angels and set out to attack God. (Rev. 12:7-9) This tells us that God is serious about protecting His people toward the end of the Great Tribulation.

THERE WILL BE A RESURRECTION OF BOTH GOOD AND EVIL PEOPLE

This was a powerful revelation that Daniel received from God. Not only were the believers going to be resurrected, but the ungodly were too. (Dan. 12:1-2)

Some 600 years later this was confirmed by Jesus, when the full fate of the believers and unbelievers was revealed. (Rev. 20:10-15)

THE BAPTISM OF THE HOLY SPIRIT

During the Old Testament time, no believer had ever been baptized in the Holy Spirit. God's people had received an anointing, but not the baptism. (John 7:37-39)

Daniel was told that those who were wise would shine and lead people to salvation. (Dan. 12:3)

Since the day of Pentecost, those baptized in the Holy Spirit have shined brightly. (Acts 2:1-47)

THE REVELATION TO BE SEALED

Daniel did not understand the revelation about the end times. He only got some glimpses and they were not necessarily in chronological order. Which begs the question, when was the revelation given to Daniel unsealed? The complete knowledge of the end times was given by Jesus about 90 A.D., when John was taken up into heaven and told how it all would end. (Dan. 12:4a)

KNOWLEDGE WILL INCREASE

God gives a significant revelation that knowledge will increase in the end time. (Dan. 12:4b) An examination of history will show that the civilization from the time of Daniel did not change much for the next 2,300 years. Food was grown and processed the same way with animals pulling plows and wagons. Ships were powered by the wind or by rowing. The only thing that changed was the way wars were fought. Guns and cannons were invented after men found out how to produce gunpowder.

The explosion of knowledge began with the invention of the printing press in the late 1400's. In the 18th century man learned how to build steam engines, which made it possible to build railroads and steamships. Once man discovered electricity and how to use it in the early 1800's, knowledge began to increase on an exponential curve. First came the telegraph, then the telephone, the combustion engine, the radio, the television, nuclear power, space flights and suddenly there was no stopping the technological development that encompassed everything on earth from warfare, medicine, farming, education and manufacturing.

In 1947 Satan used his demonic forces and their UFO's to help mankind take a giant leap forward in knowledge when fiber optics, lasers, transistors, night vision, the circuit board and the microchip were handed to the human race. ¹

Suddenly, mechanical adding machines and typewriters were replaced by computers that constantly evolve, becoming faster and more powerful. The Internet gives any person knowledge on just about every subject known to mankind.

When you buy an electronic device today, experience has shown that it will be obsolete in just a few years. Look at the development of television sets when we went from the bulky black and white screens of the 1960's to the sleek flat color screens today.

This prophecy given to Daniel has been partially fulfilled, including the travel of people. Millions of people travel by car, trains, boats and fly from one place to another on a daily basis compared to the time of Daniel when few traveled outside their local areas.

GOD'S PEOPLE WILL BE GIVEN UNDERSTANDING

Most likely you are reading this article because you are among the few elect on earth who have been given understanding about the Messiah, salvation in Jesus Christ and how the world is going to end. There are some eight billion people living on earth today and it is estimated that only 100 million people are born again. The Bible says everyone who is not born again is a wicked person and you can see the foolishness of people in the way they choose to live out their lives on earth. Praise God for our salvation and that we are able to know how the world is going to end and what the future holds for us.

The last verse in this the Book of Daniel is interesting because it tells about the final judgments of people. The judgment will be done according to the time and the generation you belonged to on earth. There will be groups of people, and the generation of Daniel that lived from around 650 B.C. to 550 B.C. will be judged, and then the next lot will come forth of the next hundred years in time, etc. (Dan. 12:13)

PROPHECY GIVEN TO THE APOSTLE PAUL

The apostle Paul never mentioned that he had been in Judea and Jerusalem when Jesus was crucified. The first mention of Paul is at the sentencing and execution of Stephen. (Acts 7:58)

Saul was confronted by Jesus and brought to his knees. (Acts 9:1-20) His knowledge of Christ and the Gospel came by revelation of the Holy Spirit, what the apostles and other eyewitnesses told him, and what he had done and taught. (Gal. 1:15-21)

Saul which means "asked" in Hebrew, later changed his name to Paul, which means "little", never read any of the four Gospels since they were not written when

he was called into the ministry. He died before the destruction of Jerusalem and the temple in 70 A.D. and never saw the Book of Revelation come to fruition, since that was not given until around 90 A.D.

Thus, all the teaching and preaching Paul did was based upon the Old Testament and direct revelations from the Holy Spirit. He was given knowledge about the second coming of Christ and the resurrection of the dead. (1 Cor. 15:35-58; 1 Thess. 4:13-18; 5:1-9)

He told us that when the wrath of God is poured out on earth during the end times, it will not be directed toward Christians. (1 Thess. 5:9)

Paul is the only apostle that was given the revelation of the "catching away" of believers from the earth, commonly known as "The Rapture." Once this teaching became known in the churches that Paul had established, people started to believe that this was an imminent event and they were waiting for it in such a way, that they did not plan their lives any more, since life on earth would be over very soon.

Paul realized that he could not set a date for this event, since he had not been told anything about timing of the catching away of the Christians. (Matt. 24:32-36; Acts 1:4-7)

The Holy Spirit gave Paul a sign that people could look for in order to know when the time of the end was here. The sign was that the return of Jesus would not take place before the Man of Sin (Antichrist) becomes publicly known and has taken his position as a world ruler. During his reign on earth, he will eventually proclaim himself to be "god," enter the temple in Jerusalem and sit on the throne in the holy of holies. Once this has taken place, there are no more events that precede the second coming of Jesus.

The early Christians looked at the temple in Jerusalem, not knowing that some 20 years later, it would be destroyed as predicted by Jesus (Matt. 24:1-2)

God's Word cannot be broken and someday the Jews will erect a new temple in Jerusalem and restart the daily sacrifices. This will not be the temple of God, but

a temple built in the flesh by Jews who reject Jesus Christ as their Messiah. The goal of the Zionist World Federation is to rebuild the temple and all Christian Zionists have been duped into believing this is somehow the work of God.

Thus, there are two things that need to happen before we can expect the second coming of Jesus and the catching away.

1. The temple in Jerusalem will be rebuilt.
2. The Antichrist will come to power, enter the newly rebuilt temple, and declare his godhood.

Why would God have the temple rebuilt in Jerusalem and reinstitute the daily sacrifices when Jesus became the final sacrifice for the sins of mankind? It would negate the suffering Jesus endured on the cross! (Hebrews 9:1-28)

“Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand.

Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;

Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

Remember ye not, that, when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way.

And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming...” (2 Thess. 2:1-8)

THE DECEPTION OF THE ANTICHRIST

Christian Zionists have been deceived into believing that all believers in Christ will be “raptured” before the Antichrist starts his reign on the earth. Jesus said the Man of Sin will deceive people, and if it were possible, he would even deceive the very elect.

“For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.” (Matt. 24:24)

“Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

But we are bound to give thanks always to God for you, brethren beloved of the Lord, because God hath from the beginning chosen you to salvation through sanctification of the Spirit and belief of the truth...” (2 Thess. 2:9-13)

What deception was Paul talking about? When he gave this prophetic word, he did not know what the deception was and it was not revealed until later when Jesus provided the answer to the Apostle John:

“And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed. And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men, And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” (Rev. 13:11-17)

The deception is two-fold:

1. To be led into the worship of the Antichrist as “god.”
2. To receive the Mark of the Beast in your hand or forehead.

THE BOOK OF REVELATION

Jesus told us that the Antichrist would turn his anger toward Christians and persecute them vigorously. If the Church has been raptured, where on earth does the Antichrist find Christians to persecute?

“And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months. And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations. And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world. If any man have an ear, let him hear.” (Rev. 13:5-9)

If there are no Christians left on the earth at this time, who is Jesus addressing in the following verses?

“Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from

their labours; and their works do follow them.” (Rev. 14:12-13)

We can conclude in our study so far that there is no biblical teaching that Christians will be removed from the earth before the Antichrist takes control, on the contrary, we are told about resisting and not being deceived.

PREPARING FOR THE END TIMES

You can prepare for the end times by getting yourself mentally ready. In reading this article, you have been given information that cannot be refuted by the King James Bible.

“Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free.” (John 8:31-32)

By accepting truth presented you have been mentally prepared. Some years ago when I was able to get out of the mindset of Christian Zionism, I accepted the fact that I might have to live long enough to face the Antichrist and his diabolic system. I do not fear it and have come to the realization that I cannot change the future. I am simply going to trust Jesus all the way.

Make sure that you are born again and not just a church member! Going to church won't save anyone. You must have that born again experience. (John 3:1-8)

The reign of the Antichrist will span some 41 years and there is no way that Christians can stockpile supplies that will last that long. Our current society is built in such a way that people rely upon electricity from energy companies. Without electricity we won't have refrigeration of food, lights, heat or air conditioning.

What if you purchase a generator and make your own electricity? That is fine as long as you have access to gasoline, diesel or the propane gas that fuels the

generator. Once the Antichrist system has got the Mark of the Beast in place, you won't be able to resupply yourself.

Since electricity will be scarce, you can only store food that it is either canned or dry. But where will you get your water from?

You can make the decision to get out into the woods with four wheel drive vehicles but they will only run as long as you have fuel for them.

You can try to live off the land like the people did when they first come out to the West in the early 1800's by hunting, but can you do it without a firearm? What happens when you run out of ammunition, your shoes break down and your clothing becomes tattered?

Life will get tougher and tougher and soon you will run out of options. You haven't had toothpaste and soap in a long time and you can only take a bath in the summer time in a creek or lake. Winter is worst of all, because if you start a fire, you might be detected by the security forces, and if you don't have a fire, you might freeze to death. As you can see, there aren't many options if you try to work solely in the flesh without God.

WHAT CAN BE DONE?

If you look back at history on the different empires and dictatorships, no regime took control overnight. There are several things that must happen first.

The Antichrist will force all nations to give up their sovereignty and be merged into a world federation. That will take time. If Americans arm themselves and are willing to become organized and fight globalization, we can delay the destruction of the United States.

It is prudent to stockpile emergency food supplies. As Christians, we should network and those living in the cities should make plans to move out of the cities to the country and stay with believers who own property. The takeover of the United States might take

several years of civil war and we can live in some type of Christian communes during these times. The important thing is not to forget the Great Commission and share Christ with unbelievers at all times.

Once the Mark of the Beast is in place, our shopping days are over and the only way to survive is to barter with other believers. Try to stock up on seeds that you can use to grow food as long as possible. Eventually you will lose your property since you won't be able to pay property taxes without the Mark of the Beast, nor will you be able to make a payment on the mortgage. You also won't be able to hold a job since that requires the Mark of the Beast as well.

Christians will have to fall back completely on God to supply us supernaturally, just like He did with the children of Israel in the wilderness and with the prophet Elijah. (1 Kings 17:1-16)

If you have not surrendered to God at this point in your life, this is the time to do it. If God wants to keep you alive on this earth, He will make it possible. If not, you will confidently succumb to death, knowing that being absent from the body is to be present with the Lord. (2 Cor. 5:6-10)

I am sure that there will be pressure on you to just give up and go into the city and take the Mark of the Beast. Husbands, you are the leader of the family. Your wife will beg you to reconsider the children and not let them continue to suffer. Make sure you are walking close with the Lord because your family will depend upon you.

THE MARK OF THE BEAST

As Christians the Bible makes it clear about our security in Christ but there is one thing that I cannot stress enough, **you are headed for the Lake of Fire if you take the Mark of the Beast!** You can never repent of this act! If you take the Mark for any reason, it will cost you your salvation and earn you a place in the Lake of Fire where the torment will never end!

“And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication.

And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus. And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.” (Rev. 14:8-13)

Remember, you will never be forced or coerced to take the Mark of the Beast. It will solely be your choice because it is a voluntary act of worship that Satan craves. It is better to die of hunger or freeze to death and go to heaven, than to eat well and live for a short while longer by taking the Mark of the Beast. The men and women who gave their allegiance and worked for Adolf Hitler had food and shelter during the Nazi regime, but when Nazi Germany was defeated, they lost it all. If you do not prepare for the end times, at least be mentally prepared not to take the Mark regardless of how bad it gets. I cannot stress it enough that taking the Mark is an act that will never be forgiven by God and you will spend eternity in the Lake of Fire!

“For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away

from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book. He which testifieth these things saith, Surely I come quickly. Amen. Even so, come, Lord Jesus. The grace of our Lord Jesus Christ be with you all. Amen.” (Rev. 22:18-21)

WHILE WE ARE WAITING FOR THE END TO COME

This is not an uplifting article, but it might just save your soul so that you have eternal life in heaven. While we still have freedom, food and jobs, let us use every moment to invest in the kingdom of God.

- ❖ He who wins souls is wise. (Prov. 11:30)
- ❖ Let us lay up treasures in heaven. (Matt.6:19-21)
- ❖ Let us not worry about tomorrow (Matt.6:25-34)
- ❖ Let us do the work of Jesus. (Luke 10:1-2)
- ❖ Work while there is still day. (John 9:4)
- ❖ Tithe while you still have money. (Malachi 3:6-12)
- ❖ Pray and fast for the light to break forth. (Isaiah 58:6-9)

God has given you a limited amount of time on earth. If you die before the Antichrist comes to power, you are still going to leave all your earthly possessions behind and there is nothing you will be able to take with you except what you invested in the kingdom of God.

A LETTER FROM HEAVEN

On May 19, 2013 a man named Stuart died alone in his home and was not discovered until three days later by his girlfriend whom I will call Betty. This story actually starts back in 2003 when Stuart contacted me out of the blue and asked if I would help him get rid of the demons that were tormenting him. He moved to Sacramento where we took him through deliverance and for the next three years I was his pastor.

When Betty notified me about his death, I pondered over his passing and a strong feeling came over me like the Holy Spirit was telling me that Stuart was not happy with the life he had lived on earth. He was an educated man and took pride in how he chose to communicate and I felt that he would like to tell his story to warn other people not to commit the same mistake he had done.

A couple of days later I shared what I had experienced with one of the elders in the ministry, who told me the first thought that had come to mind at the news of Stuart's death was "What is he saying now in heaven?" I took this as a confirmation from the Lord and I will endeavor to write the true story of Stuart's life from the day he arrived in Sacramento. I will include prior events he shared with me and also what Betty told me in person. I will write this as a letter from Stuart from heaven. It is a biblical concept that when people end up either in hell or heaven, that there are regrets over sins committed while people were still on earth and that they have a great desire to warn the people living on earth.

John S. Torell

There was a certain rich man, which was clothed in purple and fine linen, and fared sumptuously every day: And there was a certain beggar named Lazarus, which was laid at his gate, full of sores, And desiring to be fed with the crumbs which fell from the rich man's table: moreover the dogs came and licked his sores.

And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: the rich man also died, and was buried; And in hell he lift up his eyes, being in torments, and seeth Abraham afar off, and Lazarus in his bosom. And he cried and said, Father Abraham, have mercy on me, and send Lazarus, that he may dip the tip of his finger in water, and cool my tongue; for I am tormented in this flame.

But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and likewise Lazarus evil things: but now he is comforted, and thou art tormented. And beside all this, between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us, that would come from thence.

Then he said, I pray thee therefore, father, that thou wouldest send him to my father's house: For I have five brethren; that he may testify unto them, lest they also come into this place of torment. Abraham saith unto him, They have Moses and the prophets; let them hear them. And he said, Nay, father Abraham: but if one went unto them from the dead, they will repent. And he said unto him, If they

hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead. (Luke 16:19-31)

Hello, my name is Stuart and I was surprised when angels appeared in my house a week ago and told me to leave with them. I was in the process of taking a hot bath when I realized that I was no longer in the tub and was instead gazing at my body lying in the water. I no longer had an earthly body but some kind of spirit body, just like my earthly body, I could see and hear, but now there was instant communication with thoughts back and forth between the angels. I recognized my earthly body was dead and I was about to be taken to heaven by the angels around me.

The last eight years were not an example of holy living and I instantly appreciated the fact, that even though I was not worthy of eternal life in heaven, I had received Jesus as my Lord and Saviour early in life and did not have to spend eternity in the Lake of Fire. It was amazing once I arrived in heaven and heard the singing of believers worshipping God and I could not help but start praising God myself with all my heart, something I had never been able to do on earth.

Then I had a chance to see Jesus and realized that I had never experienced such love in my life. It was like waves washing over me again and again. I didn't know that love could be so powerful, caring and encompassing. It was nothing like what I had experienced on earth and I would say it was beyond human comprehension. Jesus was nailed to the cross but it was this kind of love that held Jesus to that cross had the nails not been there.

I came across a group of believers that I had met at Resurrection Life of Jesus Church. Rita Jackson, the sweet old lady who played the organ and her husband Bob. With them was Illola Riddle, now a beautiful woman,

Joan Lista and Pastor John's parents. They welcomed me with great love and hugged me, which made me feel ashamed. On earth, when we were all in church, I had looked down on these people since I felt superior to them with my great intellect. As a matter of fact, I felt that all the members of Resurrection Life of Jesus Church were country hicks and I could not get well fast enough to leave the church and find some people with whom I could have true fellowship. What a fool I had been.

No one had received their final resurrection bodies but we had some kind of spiritual body that is fashioned like a human body and extremely beautiful. We look like 20 year olds and our spiritual bodies require no sleep. It is always day in heaven and there is never any night. There is no feeling of time, which really doesn't exist anymore since we enjoy worship and praise on a regular basis. No one complains we are singing too many songs; we just cannot get enough of worship. My attitude on earth toward praise and worship was pitiful and I cringe when I think about it.

It took me a while to realize that my grief and pain over sin were still with me and I was told that this would stay with me until the thousand years' kingdom has passed, the Great White Throne Judgment was completed and the entire universe had been incinerated.

"But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up.

Seeing then that all these things shall be dissolved, what manner of persons ought ye to be in all holy conversation and godliness, Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?

Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness.” (2 Peter 3:10-13)

During my stay at Resurrection Life of Jesus Church, I had heard Pastor John preach on this topic from time to time but I did not want to hear it. I was really upset when he preached from the Book of Revelation and told him several times that the sermons depressed me. Now I know that he was right; he was just quoting from the Bible, and had full knowledge of spiritual truth that I now knew. I am impatient to put my grief, pain and tears behind me with the new creation when I see God the Father for the first time. Up to now, I have only seen Jesus on his majestic throne.

“And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.

And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.

And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.

And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely. He that overcometh shall inherit all things; and I will be his God, and he shall be my son. (Rev. 21:1-7)

When I lived on earth, I did not like preaching on the Judgment Seat of Christ. I could not embrace this truth in my selfishness and continue sinning, so when Pastor John preached on judgment of the believer, I did not attend church that Sunday because I always looked at the outline on the website to make sure that I wanted to hear the sermon. I was a fool! No one in heaven knows when we all will appear at the Judgment Seat of Christ and I am not looking forward to it since I know there are many things for which I will have to answer. All the sins I committed on earth and repented of have been washed away by the blood of Jesus, but my willful sinning is going to cost me dearly and I will never attain the position in eternity that I was destined for by God. As I previously stated, I was an intelligent person on earth, but I did not have the wisdom to go with it and I became a fool, no better than those locked up in a mental institute. If only I had paid attention to the Word of God while I was alive on earth.

“For other foundation can no man lay than that is laid, which is Jesus Christ. Now if any man build upon this foundation gold, silver, precious stones, wood, hay, stubble; Every man's work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is. If any man's work abide which he hath built thereupon, he shall receive a reward. If any man's work shall be burned, he shall suffer loss: but he himself shall be saved; yet so as by fire.” (1 Cor. 3:11-15)

I checked my records in the heavenly courthouse and found out that my life span on earth had been set much higher than 58 years. But in my foolishness of disregarding the Word of God, I abused my body with alcohol, fornication and drug abuse. I did not understand that my physical body was the temple of God, and if I did not keep it clean, God would destroy it. Toward the end of my life on earth I was popping Oxycodone like it was

candy, and when God finally pulled the plug, I died lying naked in my bathtub. I regret that I did not pay attention to the Word of God.

“Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.” (1 Cor. 3:16-17)

LEARN FROM MY MISTAKES

I was born with a handicap. By that I mean my parents were great providers, but since they were not believers in Christ, they could not nurture me and my two brothers as we needed. Early in life I became infested with demons, the worst of them was an arrested development spirit. As a teenager I was exposed to the Gospel and gladly responded, but there was no follow-up, and no attention was paid to the demons in my body.

God gave me a great mind and I had an intelligence that made it possible for me to learn quickly and reason out all kind of mathematical challenges. Instead of using this gift wisely, I became lazy and learned just enough to pass high school, get into college and eventually get a doctorate in chemistry.

As I grew older I studied all kind of religions, including the occult and New Age. I practiced some yoga and tried to get into Buddhism. This pushed me further and further away from God and I became a very arrogant person. I was an adult but I felt like a small child and learned to live on my life experiences and intelligence.

Early on I got into pornography which was a gateway that led me into masturbation and fornication with a number of women. I also developed a strong taste for alcohol, and when I married my first wife, we were both heavy drinkers.

Instead of seeking God and crying out for help, I wanted to become rich and started a number of businesses which eventually failed.

My wife had enough of my rage and arrogance and divorced me. Instead of seeking God, I decided to fly to Amsterdam since I was of Dutch heritage and partake in the whores and drugs which are legal in Holland. I drunk myself into oblivion and used the whorehouses, but instead of getting some kind of relieve, the pain in my soul only got worse.

I came back to the United States without any money and began to seduce rich older women. I courted the women, bedded them and gained access to their bank accounts and used the money in various business ventures. After a while the women would realize I was a jerk and kick me out but not before I had used their money.

Eventually I ended up in the state of Washington and one day I drove my car to a lonely place and put a shotgun in my mouth and was ready to pull the trigger when I heard the voice of God telling me there was a better way to get the peace I sought. All I needed to do was come back to him.

I contacted a mega-church in Texas and met some believers in Christ who started to minister to me and tried to drive out the demons. But once again my sin nature took over and I found a woman in the church that felt sorry for me and in no time I slept with her and gained access to her money. Instead of being delivered from the demons, I destroyed a Christian woman who was already weak.

After this all hell broke loose in my soul and someone told me that I had an arrested development spirit that had kept me restrained as a child on an emotional level. I realized this was true and searched the Internet to find out

more about this type of demon. As soon as I typed in “arrested development spirit,” the ministry of John S. Torell came up. I got their phone number and told him that he was my last stop, because if he couldn’t help me, I would kill myself since I hated my life. To his credit, John said he could help and told me to come to Sacramento, California.

MY TIME IN SACRAMENTO

I loaded up my car and drove almost non-stop to Sacramento. I had no place to stay and no money left after this trip, but Pastor John had asked a Christian brother to provide me room and board. And so began another chapter in my life. Michael lived in Yuba City, about an hour from Sacramento, and rented a downtrodden house in the countryside, but I couldn’t afford to be picky since I didn’t have any money and settled in.

Michael was the complete antithesis of me. He was uneducated and did not know how to read and write but was on fire for the Lord. He worked in the construction industry as a carpenter and concrete finisher. He was not an intellectual person and his favorite television programs were sitcoms and cartoons.

When the process for my deliverance started, I was not prepared for what would happen next. As the demons were driven out of my body and mind, I lost all my life skills and suddenly I was just a little boy that was frightened and didn’t know how to live as a man. Pastor John told me that this was the normal procedure for someone going through deliverance and that it would take some time to recover.

After a few weeks I started my personal follow-up program with Pastor John. We spent at least 100 hours going through his book, Christian Dynamics Course 3, getting personal counseling and teaching of Bible

doctrine. I got better little by little and started to work for Michael doing concrete work.

I attended church and I learned a lot. Michael and a woman named Pamela had also gone through deliverance a few months earlier, and we formed the class of 2003. I was humble and happy to be growing spiritually.

The people in church were nice to me during my stay in the Sacramento area and I was invited to have dinner with a number of families. I spent a lot of time with Sotiris and his wife since he had been part of the deliverance team and wanted to make sure that I stayed on the right path. He always gave me fatherly advice and was always willing to pray for me.

After about six months my old self started to surface and I told Pastor John that I was tired of living in Yuba City, which to me was nothing but a hick town. I wanted more refined city life such as would be found in Sacramento. Instead of being thankful that Michael had given me room and board and put fuel in my car, I resented him because he was not an intellectual like me. This is how Satan got a foothold back into my life.

Pastor John had a friend named Owen who owned an apartment building in downtown Sacramento. Owen was a strong Christian who agreed to let me rent a one bedroom apartment with no deposit or last month rent since I was bankrupt and had no credit.

I was able to get a part time job in a telephone call center and it gave me enough money to pay rent, buy food and put fuel in my car. The apartment I had rented was rundown and again resentment began to build. I complained to Pastor John that Owen was nothing but a greedy slumlord even though I was getting free food from him from time to time. In my heart I resented Owen as just another stupid Christian with no intelligence.

I lived in a two story apartment building and the woman living above me was practicing Buddhism. Pastor John warned about not getting involved with her but I refused to listen to him. I started to visit her apartment and she came to mine and in no time we were engaging in sexual intercourse. Once again I was loaded with demons and told Pastor John that I wanted to repent and have the demons cast out. I broke off the relationship and the Buddhist woman learned a bitter lesson after I violated her, took some of her money and dumped her. I came back to church and started to give testimonies and remember crying when I told people how good God was to me.

I got some more counseling with Pastor John who encouraged me to apply for a job as a substitute teacher in high school or college. This was something I liked to do and God answered our prayers. With more money coming in, I was able to buy better clothing, eat better and join a local gym.

As time progressed, two things made me discontent again. First, I felt Pastor John was not running the ministry the way it should be, and two, it was beneath my intellect to take advice from him. I was critical about everything in the ministry and told others that I was unhappy with the church. I started to disagree with more and more of Pastor John's teachings and I could no longer stand the sermons because I thought they centered too much on doctrine and a holy life. I felt he was completely wrong when it came to end times doctrine. How was he supposed to compare to me when I had a doctorate in chemistry and superior intellect. Eventually I became a backbiter to the point that I would speak negatively about Owen to Pastor John and vice versa.

Demons began to stir up my sexual appetite and I wanted another woman. I found a single nurse that was my age range living in the San Francisco area. Betty was

not a Christian and into the New Age but that did not hinder me from pursuing her with the same predictable results. We became sexually involved and she opened her bank account to me.

I had by now grieved the Holy Spirit to the point that I was not even convicted over my sins. I decided to get away from Sacramento and that irritating church. I was able to land a regular teaching contract at a college in the city of Novato. I would visit Betty for sexual gratification, get into a rage and our relationship developed into a love/hate relationship.

From there I moved to Vallejo and started to attend a church with a lukewarm message that didn't constantly prick my conscience. By this time I was drinking alcohol again and pretty much lived like I had done before my deliverance. I was an entrepreneur with a lot of business ideas and a chiropractor in the church I attended agreed to fund one of them. I was certain that the good times were back with this new business venture and my sinful sexual relationship with Betty.

It seemed like everything was lining up perfectly but God wanted to give me another chance to repent and salvage my life on earth. The Holy Spirit spoke to Sotiris, who repeatedly warned me of my actions when he came to visit me. One day he asked Michael to accompany him on a trip to see me, and when they were in the area, they called for directions to where I lived. I didn't know this would be my last chance to repent, and instead of welcoming my Christian brothers to my apartment, I lied and told them that I did not feel well. My sickness was not physical; I was spiritually sick because of my sinful living. They had driven two hours to come to pray for me, and at that time, I could not have cared less that they spent four hours in a car to reach a backslidden brother in Christ.

Since my arrival in heaven, I was told by the Holy Spirit that He never again spoke to Sotiris to pray for me.

Yet, God was still watching me and sometime later I started having bowel problems. It continued to get worse and eventually I had to see a doctor. I was angry when I found out that I had colon cancer. My response was completely selfish when I thought of how this would impact my sex life. Instead of repenting and seeking God, I decided to fight the cancer with surgery and use natural healing agents.

Eventually I got better and one day I received an unwanted phone call from Pastor John, who had been told about my cancer by Betty. He was rude when he declared that I had to stop sinning by bedding down women and taking their money. I was so angry that I told him never to speak to me again and ended the conversation. I did not have the discernment to understand that he was speaking on behalf of God and this was my final warning.

Another year or so passed and the physical pain returned. This time I was told the cancer had spread to several parts of my body. My heart was now so hardened and in such a great backslidden condition that I was defiant and confident that I could beat the cancer again.

My doctor prescribed powerful painkillers and I became addicted to them. I had no plan of dying at this time and my last week-end on earth was depressing. Betty had promised to take her mother to Southern California and that meant I would be alone in my house. To make matters worse, I had lost my job and my house was in foreclosure. I was too sick by this time for sexual intercourse and everything I had worked so hard for was being taken away by the cancer. The only good thing remaining was that Betty had prepared a room for me at her house. That was my condition when the angels entered my house and took me away.

God was faithful throughout all this and I can truly say that I deserved to be in hell. It is only by the grace of God that I am in heaven today.

“And he spake a parable unto them, saying, The ground of a certain rich man brought forth plentifully: And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits? And he said, This will I do: I will pull down my barns, and build greater; and there will I bestow all my fruits and my goods. And I will say to my soul, Soul, thou hast much goods laid up for many years; take thine ease, eat, drink, and be merry. But God said unto him, Thou fool, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided? So is he that layeth up treasure for himself, and is not rich toward God.” (Luke 12:16-21)

I now realize that God intended for me to preach the Gospel but that never happened since I was too selfish and had no desire to save lost souls.

God intended for me to reach thousands of people for Christ, but I never did and now I hang my head in shame that these people will die and go to hell and later spend eternity in the Lake of Fire. I feel so bad that I can hardly bear it. I regret how I despised and hurt the people in Sacramento that loved and took care of me for three years.

Please learn from my mistakes and take heed. Repent while you still have time. Preach the Gospel and don't waste your life like I did.

I cannot tell you how thankful I am for Christ who came and died for me. It was for me that He hung upon a cross but I rejected His love and wasted my life on earth. I am sorry and my heart is broken. I will receive whatever punishment is meted out at the Judgment Seat of Christ but I grieve over the people who will spend eternity in the Lake of Fire because of my arrogance, stupidity and lust for women and money. Take heed!

“My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. I and my Father are one.” (John 10:27-30)

It is my prayer that those who were earmarked to hear the good news from my lips will have the chance to hear it from someone else.

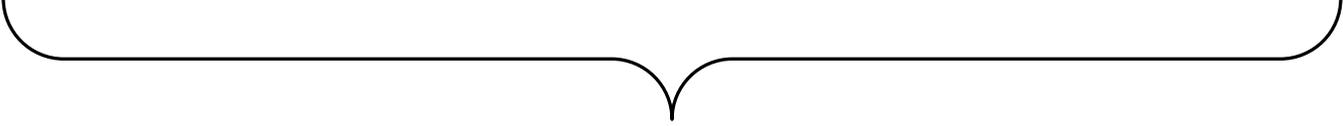

Sincerely,

Stuart

“Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.”

There is a battle coming
The Spirit is telling me so
Many people will be afraid
for they have no place to go.

But I am still their God
I look upon the whole earth
I will protect mine
all who receive their 2nd birth

My Word has been written
It is written in stone
read my word
You will not be alone

In 2nd Kings
read verse seventeen
Elisha servant's eyes were
opened
so that my angels were seen.

My Spirit is now moving
throughout all of this land
for my Spirit will not stay
with a fleshly man

Seek me today
while you still have time
for my coming is soon
to gather all of mine.

Wars and famines
they have been decreed
my people must look to me
for what they will need.

Soon Ezekiel chapter 38
and Ezekiel chapter 39
will soon come to pass
it will happen in this life time

Then all of the earth
will look with wonder and doubt
as I Jesus your God
will thrust the enemy out

Only those who repent
and show me their love
will be constantly protected
by my angels from above.

My Word is being fulfilled
before your very eyes
you must look to me
for soon my Spirit will rise

Pray to me for wisdom
and have no doubt
pray for your families
for I want no one left out.

Fear not wars
nor famine or flood
for I Jesus Christ will protect you
with my shed blood.

Trust in me
and not your sight
for I will bring you
through your darkest night.

My Words have been spoken
they have been decreed
for I Jesus Christ
will fulfill all your needs.

Christian Dynamics Course 1

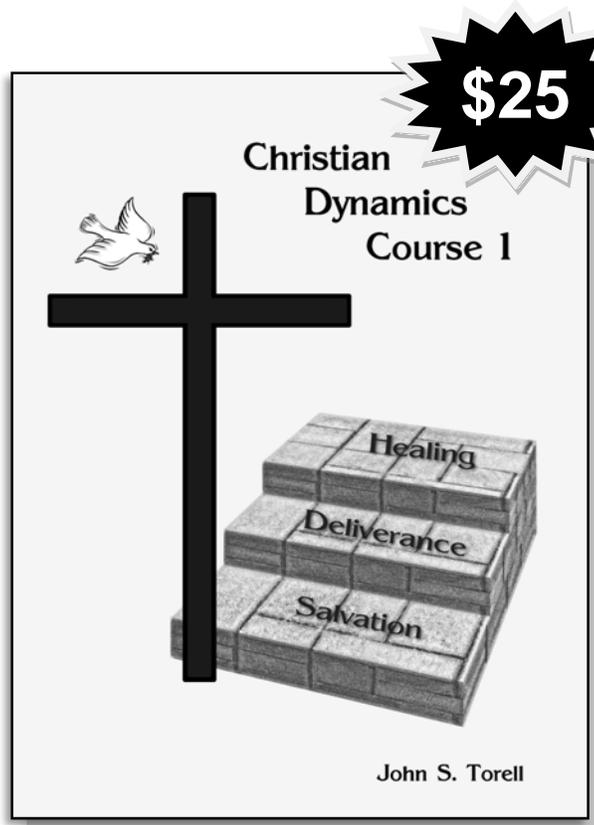

Salvation, Deliverance & Healing

"My husband has locked himself in the bathroom and is going to kill himself!" These were the frantic words spoken by a friend named Glenda as I was ready to enter a Southern Baptist Church on a Sunday morning in 1970 in San Rafael, California. My heart almost stopped as I heard these words because Jim was the worship leader in the church and a staff member at Golden Gate Baptist Theological Seminary where I was a first year student. They were really good friends to my wife and I and now he was going to kill himself? As a young Christian, I knew very little about spiritual warfare and wondered how I could save my friend.

I rushed over to Jim and Glenda's apartment and found to my great joy that Jim was still alive but very distraught. I told him about a book I had just read about demons and asked him to come with me to my apartment to get the book so he could read it and get some help. Jim grabbed me in a bear hug when we arrived at my apartment and said he was not leaving until I had cast out the demons in him. I was shocked since all I had ever done was read a book about it. As we knelt in front of a couch and called upon the Lord, I was again stunned when Jim lifted the couch in the air and foam came out of his mouth. There was no time for fear so I began to command the demons to leave. Jim collapsed on the floor after a fierce battle and I thought he was dead. I laid my hands on him and as I prayed the Holy Spirit fell on him and he got up and screamed, *"Praise God, I am free!"*

This is how I was thrust into a deliverance ministry. I purchased every book I could find on demons and the Baptism of the Holy Spirit. As my wife and I prayed for people, our skill level increased and so did the anointing from God. During our travels we ran into Satan worshippers, learned about the world government and for the next 40 years I have recorded what I learned. This practical handbook is the culmination of my life's work and will give you a solid understanding of salvation, how to pray for the Baptism of the Holy Spirit and how to have a close relationship with God the Father and His Son, Jesus. You will also learn the blessings God has for those who obey His Word and the curses that come upon those who disobey it. You will learn the difference between demon possession and oppression and how to handle demonic problems. In short, this book is the manual that I never had.

Thousands of people over the years have had their lives changed as they moved from defeat to victory and the same can happen for you!

THE KABALLAH BOOKLETS

Have you ever wondered what motivates the people who make up the World Government? What religion do they embrace? This is important because religion is a foundational building block behind every political movement. It is true of Communism, Nazism and Fascism. Do you know that all three of these violent movements have the same religion? Furthermore, it is the same religion that inspired these Satanic movements which is also the religion of the people in the World Government. In this series of booklets you will learn how the diabolical Kaballah was started in the days of Moses, more than five thousand years ago by men who rebelled against God. This secret religion among the twelve tribes of Israel burned like a smoldering fire under the surface and it was King Solomon who fanned the fire some 900 years before Christ and made it into the refined system we see today. As we approach the coming of the Antichrist and the Mark of the Beast, it should be of utmost importance to know about the religion of this coming world dictator. This series will teach you the following:

- What Kaballists believe
- Who is their god?
- What are the plans and goal of this god?
- How is the Kaballah affecting many aspects of your life?

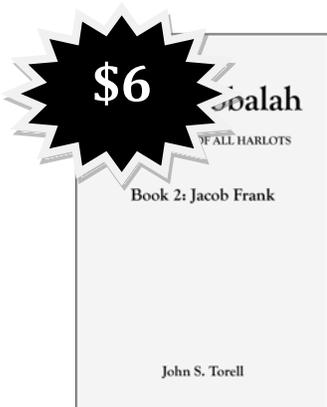

The knowledge you gain about this evil religion will help you resist the Mark of the Beast and the oppression that is going to come on this earth.

THE KABALLAH - Book 1: Sabbatai Sevi

Sabbatai Sevi proclaimed to be the messiah in the year 1666, but unlike Jesus, he lived an immoral life, and the Kabbalah teaches that through his sinful life and death through sickness, he opened the door for salvation for them that believe on him. Striving to live a sinful life is not the nature of God, but of the Devil, and the complete opposite of what the Bible teaches of Jesus, who was born of a virgin, lived a sinless life and died on the cross for our sins.

The messiah concept found in the Kabbalah is actually “Satan’s gospel” and the core belief of the people in charge of the coming World Government. If you don’t understand this concept, you will be deceived by the Antichrist system and might even be assured to take the Mark of the Beast by apostate church leaders and the media.

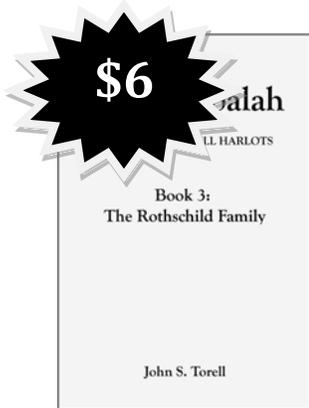

THE KABALLAH - Book 2: Jacob Frank

For thousands of years people believed the earth was flat and the center of the universe, and anyone who challenged these assumptions was arrested, tried and put to death by the Roman Catholic Church. So what happens today when someone makes an assertion that is considered anti-Semitic but can be proven otherwise? Few Gentiles know about a Jew named Jacob Frank in the 18th century who was deeply educated in the Kabbalah and believed he was the reincarnation of Sabbatai Sevi. He believed in nihilism and advocated overthrowing every national government, executing every king and eradicating every trace of Christianity. He strove to destroy God’s laws and

lived in total sin.

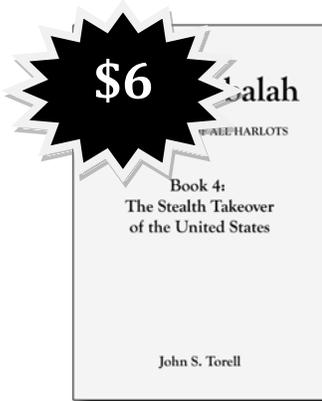

While Frank was never able to put his revolutionary ideas into practice, his writings did become the foundation for the scourges of Communism, Nazism and Fascism and someday they will also be used by the Antichrist. The millions that were killed during the Second World War and the communist takeovers of Russia, China, Vietnam, Cambodia, Laos and Cuba are a direct result of Frank's writings. Their blood cries out for truth concerning this demonized man so that so that future generations can be warned about this hellish future.

THE KABALLAH - Book 3: The Rothschild Family

A successful revolution requires a lot of money, but when the goal is to subdue the world and put it under a dictatorship, entire financial systems must be taken over. The Kabbalistic leadership wants to take dominion of the earth and rule it with their messiah and they need to control the banking system to achieve this objective. The Fugger family was promoted in the 14th century but they did not protect their wealth. Jewish traders became very wealthy during the next two centuries as they operated in all nations and supplied warring armies but there was no centralized control that could be projected over the banking systems of different nations.

Meyer Amschel was selected to be the founding father of a global banking family. He was sly and deceitful and intensely loyal to the Jewish cause that is spelled out in the Talmud and the Kabbalah. The Kabbalistic leadership invested funds and coins which Amschel used to build a fairly strong banking house in Frankfurt and his five sons proved to be more shrewd than their father. In less than 50 years the Rothschild family had penetrated the financial markets in Austria, Germany, France, England, Italy and Spain. This is the story of the Rothschild's, who through the Kabbalistic leadership were able to set the policies in these nations and achieve a monopoly that is unrivaled today.

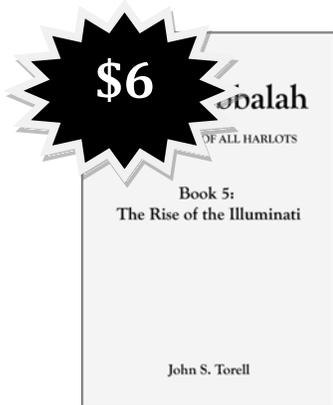

THE KABALLAH - Book 4: The Stealth Takeover of the United States

The Kabbalistic Jews learned through the Rothschild takeover of the European banking system to disguise themselves and find Gentiles who are willing to do their bidding. Another lesson they learned was that it is impossible for any nation or group of people to take control of the world through military power. The only way to succeed is to take control of the different nations monetary systems and forge them into a global banking and trade system. Once this has been achieved, food is the ultimate weapon since no one can live without it.

The stealth takeover of the United States was done by Gentile businessmen, lawyers, elected political leaders, educators, Christian ministers and military commanders who were willing to carry out orders that included shooting on the American people to make them comply. This book takes you from 1828 until 1907 and shows the treason, sellouts and the rape of the American people that were carried out in such a remarkable way that no one could resist it and survive.

God was also carrying out a parallel program through D.L. Moody and R.A. Torrey, who were used to bring millions of people in the United States and England to Christ and hindered the ultimate goal

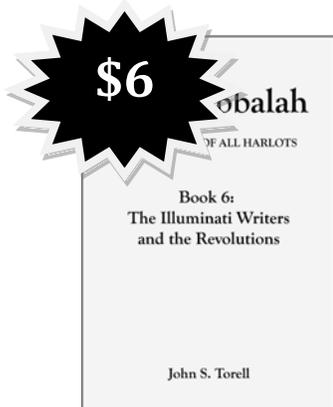

of the Jewish world leaders of ushering in their new world order. Ironically, the same tactics employed more than a hundred years ago are still being foisted upon us today and the old adage is still true that those who don't know their history are doomed to repeat it.

THE KABALLAH - Book 5: The Rise of the Illuminati

Do the mythical Illuminati even exist and what are the intentions of this secretive group? Most people interested in prophecy and the Mark of the Beast will invariably come across a mysterious organization called the Illuminati. A great deal has been written about this secretive group but how much of it is truth? Who was Adam Weishaupt and why did he create the Illuminati? To answer that question we must examine his political viewpoints that were formulated upon writings of Plato, Jacob Frank and the Kabbalah. Utilizing this information along with historical facts that have been preserved in various the libraries of France, England and the United States will present a picture of his mindset and intentions toward humanity.

While the Illuminati fomented revolution in France that resulted in widespread death and destruction, God simultaneously worked upon John Wesley, George Whitefield and Jonathan Edwards, who became lightning rods for a revival that would touch the entire world. Weishaupt had similar plans for revolution in England and the American colonies, but these three men were instrumental in thwarting this effort and you will be inspired to learn about God's intervention in human affairs.

THE KABALLAH - Book 6: The Illuminati Writers and the Revolutions

The Al-Qaida terror network is nothing compared to the terrorists who sought change the world in 1848! The last ten years have been filled with news of the Al-Qaida terrorist network and its organization of radical killers but did you know that there was an even more sinister terror network operating in Europe 180 years ago? They worshiped Satan with all their might and arose in coordinated revolutions by the hundreds of thousands in 1848 to overthrow governments and cause a world upheaval. They were trained in military skills and revolutionary ideas by men whose names have

been mostly forgotten by history, but the words of these writers still remain and continue to work in the hearts of the impressionable students at universities and seminaries.

The Illuminati writers are long dead but they trained another generation to carry on their evil intent for a world government and that cycle has continued to perpetuate itself. In fact, their message can be found at the core of every dictatorship in existence today. This narrative of the Illuminati writers shows Satan's intent to enslave all nations of the earth through revolution and form a world government which will usher in the kingdom of the Antichrist. The disciples of these writers have set their sights on destroying the United States, and unless God's people wake up, America will go down in history as the last of the great nations who forsook the Lord. If that seems improbable, you need only look at what happened in the past to see what lies in the future.

THE BIRTH OF CHRISTIANITY

John S. Torell

The average Christian is not familiar with their Bible and possesses almost no historical knowledge regarding the birth of Christianity because most churches in the United States emphasize contemporary worship, a short sermonette and lots of social activities. This series of messages will educate you about the struggle that the early church faced in breaking away from Judaism.

The Talmud was so deeply ingrained in the apostles that they ignored the words of Jesus to evangelize the whole world because Gentiles were considered unclean and likened to animals. It would take some time before the church leaders finally lined up with their departed Master and understood that the Second Covenant is for the Jews and Gentiles alike.

But this didn't put a stop to misunderstandings about circumcision and what parts of the God's law applied to the Gentiles who were ignorant of the Old Testament and didn't have access to the scrolls in the synagogues.

Eventually it became necessary to hold a special conference in Jerusalem and straighten out what should be done with the Christian Gentiles. Their ruling was man's attempt to solve a spiritual problem in the flesh and it would be years later before the doctrine of the Christian church was finally written that corrected the errors from this conference and established the Christian faith.

THE STRECKER MEMORANDUM

Dr. Robert Strecker refutes, with documented evidence, virtually everything the so-called experts and Government reports have told you about AIDS. He asserts in no uncertain terms that AIDS is a man-made disease, AIDS is not a homosexual disease, AIDS is not a venereal disease, AIDS can be carried by mosquitoes, and there can never be a vaccine. Dr. Strecker shows how AIDS was predicted, requested, created, deployed and works very well!

Although decades have passed and untold billions have been spent in research, cancer is still with us, the second major cause of death in America. The most dreaded fear that all oncologists, virologists and immunologists live with is that someday cancer in one form or another will become a contagious disease, transferable from one person to another.

AIDS has now made that fear a reality, and if you think you're safe because you're not gay or promiscuous, or because you're not sexually active, then you had better watch this video very carefully until you fully understand what Dr. Strecker is telling you as he takes you step by step and shows you how this dreaded disease was actually man-made. Condoms can't prevent it and there won't ever be a vaccine.

Dr. Robert B. Strecker practices internal medicine and gastroenterology; he is a trained pathologist and holds a Ph.D. in pharmacology. Dr. Strecker and his brother, Ted, were preparing a proposal for a health maintenance organization (HMO) for the Security Pacific Bank of California. They needed to know the long-term financial effects of insuring the treatment of AIDS patients. In as much as this information was not readily available in 1983, both brothers began researching the medical literature to learn what they could about this relatively new disease. The information they uncovered was so startling and hard to believe that it would dramatically alter both their lives and lead them on a five-year quest culminating with the creation of The Strecker Memorandum video.

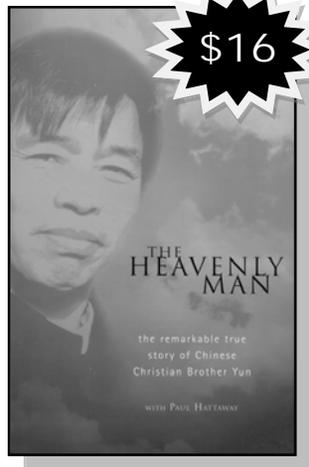

THE HEAVENLY MAN

The remarkable true story of Chinese Christian Brother Yun.

Many times we speak lightly of our own “cross” or “persecution,” but those of us in America have no idea what hardships other believers in the world are experiencing. Brother Yun has experienced unbelievable persecution, including torture and imprisonment but he also experienced unbelievable grace and miracles. And in a paradox that continues to confound, he describes how the true church actually flourishes amidst persecution.

You've seen the headlines about government crackdowns on Chinese churches; mass arrests; human rights violations. This intensely dramatic autobiography makes it real! Learn how God took a young half-starved boy from Henan Province and enabled him to stand strong on the frontlines for Jesus, braving horrific opposition and impossible odds.

Brother Yun is one of China's house church leaders, a man who despite his relative youth has suffered prolonged torture and imprisonment for his faith. His account challenges any complacency about the situation in China, where international economic investment ignores the brutal fact that religious persecution is still a daily reality for millions.

Instead of focusing on the many miracles or experiences of suffering, however, Yun prefers to emphasize the character and beauty of Jesus.

Brother Yun's story will cause you to search your own soul because you cannot read this book without questioning your own commitment level. Like the Christians of old, Brother Yun has made the choice to follow Christ even if it costs everything.
