## *The Demise of the United States?*

### **SPIRITUAL WARFARE**

There is a lot of activity taking place in the spirit world at this time. God has heard the prayers of Christians and the result is an indictment against Hunter Biden on tax charges. The Devil and his cronies have been diligently working to keep Joe Biden afloat politically, and when the Justice Department sweetheart deal fell through for Hunter, it became necessary to regroup.

The chaos among the Republican representatives was caused by a strong demonic attack, and for some time it looked like they would destroy themselves. Prayer from God's people caused the Holy Spirit to move and Mike Johnson became the new speaker. It was a miracle since he is a strong Christian and every Republican in the House of Representatives voted unanimously for the impeachment inquiry.

### **SERVANT OF LUCIFER**

Joe Biden is a servant of Lucifer. That might be shocking to hear, but it's true. During his time in the vice-presidency and later as president, he has faithfully worked to undermine the United States. He is destroying the energy sector, flooding us with illegals, and mandating everything from

dishwashers to electric cars. It is obvious that he is sliding into a state of dementia that gets worse day by the day.

It is important to remember that Joe Biden has been a politician and a liar for his adult life. He was caught plagiarizing in college and on the campaign trail of various elections. Once in political office, he sold himself to foreign adversaries and his efforts have involved his family, making Hunter to be the bagman for the Biden crime family.<sup>1</sup>

### **JEWISH WRECKING CREW**

It is also noteworthy that his chief of staff, Jeff Zients, is Jewish and attends the Washington Hebrew Congregation. Reformed Judaism is a progressive form of Judaism and rejects any fixed, permanent set of beliefs, laws and practices. In other words, the Old Testament has no value. Their membership numbers 1.8 million Jews in 50 different nations.

There are approximately 49 Jewish men and women in the Biden administration, which also includes some ambassadors. They are doing great damage to the United States.

Biden and his progressive Jewish wrecking crew have done an outstanding job for Lucifer since they are secretly working to usher in their Kabbalistic messiah to rule the world.

### THE KABBALISTIC MESSIAH

The Jews in Israel and around the world seek a messiah. They believe he will be a Jewish man anointed by God, much like Samson was given supernatural strength. The Bible describes him as the Antichrist. Jews are working toward this goal because their messiah is a man who needs help to rise to power.

Compare this with the Son of God who arrived to earth supernaturally and was incarnated to a human body by the Holy Spirit, heralded by angels, and showed many signs and wonders. He died on the cross and rose again on third day. Before He ascended to heaven, the real Messiah told the burgeoning church to take the gospel message throughout the world.

### THE SPIRIT WORLD

Elections must be won in the spirit world. Christians in the United States and elsewhere are not just struggling against flesh and blood, but principalities in high places, fallen angels who are just as wicked as the Devil. We are opposing the forces of Satan and it is absolutely necessary to fight them with spiritual weapons; conventional weapons are ineffective. (2 Corinthians 10:3-6)

We must be clothed in the armor of God.  
(Ephesians 6:11-18)

We are fighting Baal, Moloch, and Ishtar. Wicked fallen angels who hate humanity! We need to pray against these gods every day.

## LORD, TEACH US TO PRAY!

“AND IT CAME TO PASS, THAT, AS HE WAS PRAYING IN A CERTAIN PLACE, WHEN HE CEASED, ONE OF HIS DISCIPLES SAID UNTO HIM, LORD, **TEACH US TO PRAY**, AS JOHN ALSO TAUGHT HIS DISCIPLES.” LUKE 11:1
