PART 11: AGAPE LOVE

AGAPE LOVE

After studying the subjects of OBEDIENCE and MORALITY, we are going to investigate the subject of love. In the English language, we basically only have one word for "love." This is used to say that we love God or love a person, but it is also used for "I love ice cream" and "I love that suit." The New Testament was written in Greek and it has several words which express the feeling of love.

AGAPAO

Agapao is a verb and "agape" is a noun which means the kind of love that God has for people, strong enough to send his only begotten Son to die for us (**Romans 5:6-10**). The old English word for this kind of love is *charity* as found in **1 Corinthians Chapter 13**.

THELO

The Greek word for "I love to visit you" is "thelo." **Mark 12:38**

PHILEO

To love a person as a friend in Greek is "phileo" (**John 11:3**); love of brethren is "philadelphia" (**Romans 10:12**); love of money is "philarguriz" (**1 Timothy 6:10**); love of spouse or children is "philoteknos" (**Titus 2:4**); lover of husband is "philandros" (**Titus 2:4**); love toward man is "philantrophia" (**Titus 3:4**); and "eros" is the Greek word for sexual love.

LIVING IN GOD’S LOVE

To pass this class of AGAPE LOVE, each Christian must learn to love God above anything else!

1. Make sure that God is the only one in your life. **Exodus 20:1-5; Matthew 22:34-38**
2. Learn to love other people, particularly the church. This includes the people you have labeled as enemies. **Matthew 22:39-40, 5:43-48; John 13:1-15,**
3. Agape love will inspire you to witness and lead sinners to Christ. **Matthew 28:18-20**
4. Agape love will inspire you to pray for the sick and cast out demons. **Luke 9:1, 10:1-3**
