PART 3: THRONE ROOM

Through Jesus Christ we are seated in the very Throne Room of God!
Ephesians 2:1-10

Key words: Quickened, Sit in Heavenly Places, Exceeding Riches

The Devil and his fallen angels are constantly trying to unseat us, by upsetting us and leading us into sin. The sin has been blotted out (**Colossians 2:13-15**), but the Devil is trying to make us smear ourselves with new sins! **I Peter 5:6-8**

We must learn to resist these attacks. **I Peter 5:9-11**

COMMON TRICKS OF THE DEVIL

Here are the most common tricks of the Devil:

1. **GRIEF:** Someone you love will say something that will HURT you or someone you love is not able to meet all your **expectations** and it sends you into **depression**, and in **grief** and **disgust** you walk away from your heavenly seat! **I Samuel 21:10-15; 22:1-2**
2. **SEDUCTION:** Every man, woman, boy and girl has a weakness. The Devil knows it well, and he will send a Jezebel spirit, to seduce and lead the person into sin. **II Samuel 11:1-4**
3. **PAIN: Loneliness**, will cause a person to seek relief in sexual relationships, **broken relationships** will drive a person to seek relief from different kinds of drugs; **rejection** will cause **anger** to rise in a person. **James 1:13-20**
4. **SELFISHNESS:** Man is infested with this sin, also known as the "I disease." **Isaiah 14:1-13**

Each believer in Christ must make decisions on a daily basis, to walk in the light or not! **I John 1:4-10**

Every believer in Christ must **declare spiritual bankruptcy** and totally submit himself to Christ without reservations. **Hebrews 12:1-2**

This should be followed by presenting your body as a **living sacrifice!**
Romans 12:1

After which comes the **renewing of the mind. Romans 12:2**

Once we have taken our seat again in heavenly places, **the faith of God** will begin to flow in us. The fertilizer for **the faith of God** to grow and continue to grow is **forgiveness!** **Mark 11:22-26**

Thus we can summarize man's responsibility in one word, **obedience!** God is simply asking the believer in Christ to be obedient. God will furnish all the power and authority without limits. **Deuteronomy 28:1-15**

And it comes with a guarantee. **Isaiah 55:1-13**
