### PART 3: WALKING IN THE SPIRIT OF GOD

If a Christian accepts sin as normal in his life, he has become a carnal Christian!

**Romans 8:1-8**

This will lead to sickness, depression and a pre-mature death. That's why it is so important that we understand we are not to grieve the Holy Spirit!

**Ephesians 4:17-32, 5:1-21**

### **Being able to walk in the Spirit of God is a gift given by God!**

If we understand this, we will treasure and guard this wonderful gift, not being sloppy and careless. Rebellion and disobedience will cause God to remove this gift!

- It happened to King Saul. **1 Samuel 15:10-31, 16:14-15**
- Saul knew that he was in trouble with God but instead of repenting he tried to adjust his life to fit his sin level! He refused to repent and change. **verses 16-23**

To lose the Holy Spirit is a judgment from God! **Isaiah 6:1-13**

When the Holy Spirit is withdrawing, the power of God is withdrawn in stages, as God is looking for the person to grieve over the loss and repent before it is too late.

- First, Saul was stripped naked. **1 Samuel 19:8-24**
- Then he went deeper into sin. **1 Samuel 28:1-25**
- Saul's last day on earth. **1 Samuel 31:1-13**

The prophet Jeremiah was told from the day he was called, that the people would not repent and because of this they were to perish in their sins. **Jeremiah 1:1-19**

Jesus strongly emphasized that the first gift of the Holy Spirit is the gift of repentance! **Matthew 13:1-23**

A normal healthy Christian will have a consuming desire to please God and to further His kingdom on this earth. **Matthew 19:16-30**

Who are you? Are you like the rich young man or are you like Peter?

**Do you have an ear with which to hear?**
