## A WINDOW OF OPPORTUNITY

RLJ-950

JOHN S. TORELL

NOVEMBER 7, 2004

There will come a day when the Gospel can no longer be preached (**John 9:4**). Powerful forces of the Antichrist vanguard have been hard at work in the United States pushing to remove the Bible from all public places, the name of God from all official documents and currency, promoting abortions, homosexuality, same sex marriages, stem cell research, etc. Despite the years of brainwashing through television, movies and other mass media, the American people rejected the moral values of the Democratic Party. **God in his mercy has given America four more years to respond to his grace!**

Is it a coincidence that the Republican Party is referred to as being to the Right, compared to the Democratic Party as being to the Left? **Matthew 25:31-46**

## A WINDOW OF OPPORTUNITY

Senator John Kerry's parting words as he conceded the 2004 election to President Bush were, "We are not through, next time we will succeed." Is there validity to this claim? Take a look at the following numbers:

- The current death rate in the United States is around 5,500 people per day.
- Some 8,000 babies are born daily.
- That means that there are about 2,500 more Americans are arriving daily than leaving.
- In one year the death rate for Americans is 2,007,500; therefore, in four years more than eight million Americans will be dead.

While Bush received about four million more votes than Kerry in the popular vote, it is important to realize that Kerry pulled in most of the votes from people under the age of 30. As the conservative voter base in 2008 shrinks through people passing away, the liberal voter base will grow even larger. **The Church of Jesus Christ has four years to change the situation! Matthew 28:18-20**

## GOD'S PLAN

God has laid out a teaching how he wants things done: **Deuteronomy 6:1-25**

1. Establish God's commandments. **verses 1-2**
2. A command to do good and obey. **verse 3**
3. Love the Lord. **verses 4-5**
4. Memorize and keep the Word of God in the heart. **verse 6**
5. The knowledge of God must be passed on to the next generation. **verses 7-9**
6. Beware that your blessings do not destroy you spiritually. **verses 10-12**
7. There is only one way to live, and that is walking with God. **verse 13**
8. There can be no idolatry. **verses 14-16**
9. We are to diligently carry out the Words of God. **verses 17-18**
10. Clean out the enemy, evil spirits and evil deeds. **verse 19**

11. Constantly remind our children about our inheritance from God.  
**verses 20-25**

Joshua sounded a warning to the people. **Joshua 22:21-34**  
But they failed to educate their children. **Judges 2:8-23**

### **WHAT CAN YOU DO AS A CHRISTIAN?**

As individual Christians we cannot take on the whole population in the United States but we can make a difference to the people we are in contact with on a daily basis. Select someone you know and invest your time in them until they know what you know and can in turn find another person to whom they can do the same. This cycle of discipleship should continue until Jesus comes back.

**II Timothy 2:1-2**
