### PART 2A: THE DESTRUCTION

#### REJECTION OF TRUTH

- Once a Christian has been polluted, they will reject truths spoken by God as found in the Bible. If you should you hear a Christian speaking in such a manner as found below, know that they have contracted a “spiritual cancer” and are heading for destruction! **2 Thessalonians 2:1-12**
  - *Doctrine is not that important, God knows my heart.*
  - *I am living under grace, the laws of God no longer apply to me, it's the thought that counts.*
  - *It's all about love, don't be so narrow-minded.*
  - *I don't need to go to church to worship God.*
- We are told to stand firm on the doctrine given in the Bible and not to deviate in any shape or way. **verses 13-17**
- Rejection of God's truth is a capital offense, and anyone of his children found guilty, will be given a death sentence resulting in a premature death on this earth! **2 Thessalonians 2:12**
