### PART 3: WHO ARE THE DEMONS GODS TODAY?

#### **WHO ARE THE DEMON GODS TODAY?**

During the Old Testament times, idols were images made of stone or wood and placed in a grove or temple. Sacrifices to these dumb idols consisted of burning incense, chanting, leaving food in front of the idol, and many times by killing a child and then burning it. Sexual intercourse, homosexuality and bestiality were often part of the demon god worship; God despised these rituals and put a death sentence upon those who participated in them. **Leviticus 19:29, 20:13, 15-16; Deuteronomy 23:17-18**

#### **OCCULT RELIGIONS**

There are hundreds of religious groups and organizations in the world today which are offspring's of the pagan worship that took place during the Old Testament times, dating all the way back to Nimrod and his Babylonian religion.

There are the Eastern religions like Hinduism, Buddhism, and when one looks at Islam, it has a theology which is very close to Mormonism. Then there is African witchcraft, the American Indians' religions which are based upon shamanism (witchcraft), the Jewish Cabala, Voodoo, New Age religions, and the list just goes on and on. Not to mention secret societies like the Freemasons, the Moose Lodge, Elk Lodge, Odd Fellows, etc.

All these pagan demonic groups have three things in common: they have rejected the God of Abraham, Isaac and Jacob; they deny that Jesus Christ is the Son of God, and they despise the Bible. Their activities vary from human sacrifice to the more benign rituals of religious activity, but look at how God describes them in **Romans 1:18-32**.

#### **SECULAR NON RELIGIOUS PEOPLE**

Most people worship before different types of images. The television set is an altar which can change into a number of worship forms; i.e. fornication, homosexuality, violence, etc.

Many people do their worship in sports arenas, rock concerts, nightclubs, gambling casinos, whorehouses, etc. The apostle Paul gives a listing that covers all idol worship. **Ephesians 4:20-32, 5:1-13**

The apostle James tells us how to get out of the sin of whoredom. **James 4:6-10**

#### **HOW TO BE SET FREE FROM WORSHIPPING DEMON GODS**

There is a need for a spiritual and physical cleansing in the lives of God's people; look at the example of King Josiah. **2 Kings 23:1-25**

**Do you have an ear to hear with?**
