PART 23A: SUPERNATURAL GUIDANCE

COMMUNICATION WITH GOD

Communication with God must be a two-way operation in order for the believer in Christ to do the will of God on this earth. Even though Jesus was the Son of God, He only performed the works told to Him by the Father in heaven. **John 5:19-37; 6:35-40; 12:49-50**

In the Gospel of John, we find this powerful prayer from Jesus to the Father. 1,970 years later it is still being answered and will continue to be honored until the day Jesus Christ returns to the earth. **John 17:1-26**

In order to make sure the Son of Man clearly understood His mission on this earth, Jesus received supernatural information. **Matthew 17:1-9**

The disciples understood the necessity talking with the Father. **Luke 11:1-4**

GOD IS NOT THE AUTHOR OF CONFUSION

The Church of Jesus Christ is the supernatural body of Christ on this earth; it can only be guided and moved through the Holy Spirit. *It is therefore imperative that every believer in Christ is connected to the Father in order to do the will of the Father on this earth!* **1 Corinthians 14:29-33**

Jesus set the official policy of his church. **John 16:1-15**

The majority of Christians are operating in the flesh, using programs and methods instead of relying upon the power of the Holy Spirit. The result is obvious and can be seen any place on this planet. **Galatians 6:7-9**
