PART 5: JACOB FRANK

Have you ever wondered why the French revolution was so bloody with no regard for human life? Why could Lenin, Trotsky and Stalin be so cruel to the Russian people in murdering more than 40 million of them? Why did they build more than 3,000 concentration camps called "Gulags," where millions of Russian men and women were kept as slaves in a brutally cold climate that brought death every day to the slave laborers?

What motivated Adolf Hitler and his Nazi regime to murder the elderly, sick, feeble, mentally ill, gypsies and Jews? What motivated Hitler to continue waging war, and when he was losing, declared that Germany would be destroyed with him? What compelled Hitler at the beginning of WWII to introduce the term "TOTAL WAR," which meant that every civilian regardless of age and gender was a military target to be destroyed?

What motivated Mao Tse-tung to have more than 80 million Chinese people murdered while millions of others were sent to slave camps and a life of starvation? What motivated Tse-tung to cut loose the Red Guard that was made up of millions of young communists to ravage the cities and villages in China for ten years?

What motivated Pol Pot to murder more than 2 million people in Cambodia in what became known as the "killing fields?" No mercy was given to men, women and children who were slaughtered like cattle and cast into mass graves, even when some were still alive. What made this man so evil?

In the aforementioned events there is common red thread that Christians were hunted, imprisoned, tortured and millions of them were killed. Why? What made a man like Fidel Castro turn Cuba into a giant prison where he imposed communism, death to all political opponents and the persecution of Christians?

THE TRUTH THAT FEW DARE TO SEE

The truth is found in the writing of a man that lived during the 18th century and proclaimed to be the incarnated messiah, Sabbatai Sevi. You will not find this information in public schools, colleges or Bible colleges and seminaries because it is too dangerous and must be hidden. It is the core of the Antichrist theology and the mother of the Communist Manifesto; it can be found in Hitler's book, "Mein Kampf," the little red book by Mao Tse-tung, and even the book written by Theodore Herzl, "Der Judenstaat," where stated it was acceptable to sacrifice a whole branch of Jews to create the State of Israel. Herzl's book was so controversial that Jewish leaders don't want to talk about it since it would cause a rebellion in the Jewish people as they would turn on their leaders and demand justice. The death of millions of people along with the suffering by innocent

THE FATHER OF ALL MODERN TERRORISTS

Jacob Frank was born exactly fifty years after the death of Sabbetai Sevi in 1726 in Berezanka or Korolowka, Galicia, which was a province of Poland at that time. This part of Poland was annexed by Stalin into the Soviet Union after WWII.

It is difficult for anyone who does not have access to elaborate Jewish encyclopedias to find personal data on this man whose real name was not Frank, but Leibowicz. In his early years, he traveled frequently through the Balkans and met the disciples of Sabbatai Sevi. Jacob was not well educated according to the standard of that time but he received a deep education into the Kabbalah and the teachings of Sabbetai Sevi and Nathan of Gaza.

Frank proclaimed himself to be the incarnation of Sabbatai at the age of 25 and that he was the living messiah for all the Jews. Four years later in 1755, he formed an official body of believers in the Kabbalah, who became known as Zoharists. Their foremost sacred writing was the Zohar, which became the most important writing among the 550 books that make up the teaching of the Kabbalah.

If it is possible to have evil personified, Jacob Frank represented evil at its absolute worst. Not even Sabbatai Sevi was as evil as Frank, and his disciples literally became copies of him, each trying to outdo the other. His followers read like a Who's Who in the roster of Hell. Karl Marx, Joseph Engels, Napoleon Bonaparte, Vladimir Lenin, Lev Trotsky, Joseph Stalin, Adolf Hitler, Mao Tse-tung, Idi Amin, and Fidel Castro are some of his infamous disciples. Frank became a Nihilist in his thinking and living and pushed this philosophy to its limit.

Webster's dictionary defines "Nihilism" as:

- 1) In philosophy
 - a) The denial of the existence of any basis for knowledge of truth.
 - b) The general rejection of customary beliefs in morality, religion, etc: also ethical nihilism.
- 2) In politics
 - a) The doctrine that all social, political, and economical institutions must be completely destroyed in order to make way for new institutions; specifically,
 - b) A movement in Russia (c.1860-1917) which advocated such revolutionary reform and attempted to carry it out through the use of some terrorism and assassination
- 3) Loosely, any violent revolutionary movement involving some use of terrorism.

Here is the description that the Jewish scholar Gershom Scholem gives of Jacob Frank:

“...He will always be remembered as one of the most frightening phenomena in the whole of Jewish history; a religious leader who, whether for purely self-interest motives or otherwise, was in all his actions a truly corrupt and degenerate individual¹...”

“...If the full truth be told, however, even after one has taken into account Frank’s unscrupulous opportunism, his calculated deceits, and his personal ambitions, none of which really concerns us here, he remains a figure of tremendous, if not satanic, power...”²

“...Frank himself was not only an unlettered man, but boasted continually of his own lack of culture. But in spite of all this - and here is the significant point - we are confronted in his person with the extraordinary spectacle of a powerful and tyrannical soul living in the middle of the eighteenth century and yet immersed entirely in a mythological world of its own making...”³

THE THEOLOGY OF JACOB FRANK

In the current aeon (time period, dispensation) there are three ‘Rulers of the World’: ‘Life’, ‘Wealth’ and ‘Death’, the last of which must be replaced by ‘Wisdom’-a task, however, that is not easily accomplished, for although ‘Wisdom’ is in some mysterious manner connected to ‘the Good God’, the latter is still not able to reveal Himself to mankind, ‘for the world is in the thrall (bondage) of laws that are no good.

Hence, it is necessary to cast off the domination of these laws, which are laws of death and harmful to mankind...”⁴

Frank declared that the entire Old Testament laws were no good and proclaimed war on every society existing in the world since they were built by varying degrees upon the revelations that God gave to His prophets in Israel and recorded in the Old Testament. **Frank thought it was necessary to cast off the domination of these laws of death that were harmful to mankind. This is the theological cornerstone of Communism, Fascism, Freemasonry and Political Zionism.**

According to Jacob Frank’s teaching, the “Good God” tried to correct this problem for a long time:

“...To bring this about, the Good God has sent messengers such as the patriarchs ‘who dug wells’, (Abraham, Isaac and Jacob) Moses, Jesus of Nazareth and others into the world.

Moses pointed out the true way, but it was found to be too difficult, whereupon he resorted to ‘another religion’ and presented men with ‘The Law of Moses’, whose commandments are injurious (harmful, damaging, abusive) and useless. ‘The

Law of the Lord' on the other hand - the spiritual Torah of the Sabbatians - is perfect (Ps.19:8), only no man has yet been able to attain it.

Finally, the Good God sent Sabbatai Zevi into the world, but he too was powerless to achieve anything because he was unable to find the true way..."⁵

Jacob Frank declared that he had been chosen to do what all others had failed in destroying every kingdom, all the existing laws, and all the existing goodness on the earth; but he was just another man in history who elevated himself above all others and believed that he was the only one that could do what no one else could do.

An angel of light came to Mohammad and told him that Jesus had failed, the Bible was not correctly translated, and Mohammad had been chosen by God to do what Jesus had failed to do. In the year 2011, more than a billion people have been trapped in the satanic religion Islam.

An angel of light appeared to Joseph Smith and told him that Jesus had failed, the Bible was not correctly translated, and that God had chosen Smith to do what Jesus had not been able to accomplish. As of the year 2011, some fourteen million people around the world have been trapped in the satanic religion of Mormonism.

Jacob Frank was even more boastful when he claimed that all the people that the "Good God" had sent to earth had failed. This included Abraham, Isaac, Jacob, Moses, Jesus and Sabbatai. But Frank never explained why he had the qualities to do what all others had failed. His writings inspired the following men to carry out his dreams and reads like a list of Who's Who in hell:

- ❖ **Mayer Amschel** (1744-1812), the founder of the Rothschild banking dynasty
- ❖ **Adam Weishaupt** (1748-1830), the founder of the Illuminati.
- ❖ **Moses Hess** (1812-1875), laid the foundation for Communism and Zionism.
- ❖ **Karl Marx** (1818-1883), Co-founder of communism.
- ❖ **Friedrich Engels** (1820-1895), Co-founder of communism.
- ❖ **Theodore Herzl** (1860-1904), the founder of Zionism.
- ❖ **Vladimir Lenin** (1870-1924), the ruthless dictator of the Soviet Union.
- ❖ **Joseph Stalin** (1878-1953), the successor to Lenin.
- ❖ **Benito Mussolini** (1883-1945), the Fascist dictator in Italy.
- ❖ **Adolf Hitler** (1889-1945), the leader of Nazi Germany.
- ❖ **Mao Tse-tung** (1893-1976), the ruthless dictator in Communist China.

⁵ Ibid pp.129-130

- ❖ **Saloth Sar, aka Pol Pot** (1925-1998), the communist butcher in Cambodia.
- ❖ **Fidel Castro** (1926), the ruthless communist dictator in Cuba.

JACOB FRANK WAS NOT THE TOP LEADER

From the time of King Solomon there has been a small but powerful group of Kabbalistic leaders known only to themselves. They can be likened to the Cardinals in the Roman Catholic Church who are selected by the current batch, and a pope is selected from this pool. These men have been the elite rulers since the fourth century after Christ.

Roman Catholic priests, bishops and cardinals were allowed to marry and procreate until a council outlawed it in 306 A.D. but this decision wasn't really enforced until 1139 A.D. Unlike Roman Catholicism, the Kabbalistic leaders are married and raise their children in their doctrine and the leadership transferred among them from generation to generation. There have been no outsiders in this group since the time of Solomon. This is a hermetic closed group that does not answer to any human leadership; they are truly "internationals" and immune from any national governments. Their sons are not allowed to marry outside the Kabbalistic Jewish enclave; therefore, there is no "pollution" to their faith and the devotion to the Kabbalah, whose goal is to bring the messiah to the earth and set up a Kabbalistic Jewish kingdom.

It was the Kabbalistic leadership that had handpicked Jacob Frank to develop the teaching begun by Sabbatai and indoctrinate Mayer Amschel and Adam Weishaupt. This became an unholy trinity:

1. Jacob Frank was in charge of creating a theology that would be the foundation for revolutions.
2. Mayer Amschel was in charge of world banking.
3. Adam Weishaupt was in charge of the revolutionary political development in the world.

The first revolution by this group was the French Revolution in 1789, and any student of history knows of the atrocities committed and the millions who were tortured and had their heads cut off.

THE PRACTICAL POLITICAL DECLARATION

It is one thing to declare yourself a leader of a movement and another thing to develop a theology for the movement. Not much will come of the movement unless the leader is able to transfer this into real action that will alter the lives of people and nations. To do this, the leader must present a viable plan to his followers, and then find the finances and the military power to carry it out. Just as Lenin a century later told his followers about "utopia" and Adolf Hitler told his followers of the "1,000 Years Reich," Frank told his followers that he was going to "lead them towards life." Let me present you with a summary from the scholastic

work of Gershom Scholem who researched the political declaration of Jacob Frank:

*"...Nevertheless the way to Life is not easy, for it is the way of nihilism (destruction) and it means to free oneself of all laws, conventions, and religions, to adopt every conceivable attitude and to reject it, and to follow one's leader step by step into the abyss. Baptism is a necessity, as Frank said prior to his conversion, 'because Christianity has paved the way for us.'"*⁶

Jacob Frank spoke about his conversion to Roman Catholicism thirty years earlier:

Thirty years afterwards, this same 'Christian' observed: 'This much I tell you: Christ, as you know, said that He had come to redeem the world from the hands of the devil, but I have come to redeem it from all the laws and customs that have ever existed. It is my task to annihilate (to destroy, demolish) all this so that the Good God can reveal Himself...'

The followers of Jacob Frank were commissioned to destroy every religious and positive system of belief; this was the true way the believers were expected to follow. Here are some actual quotes from Jacob Frank:

"...Wherever Adam trod, a city was built, but wherever I set foot all will be destroyed, for I came into this world only to destroy and to annihilate. But what I build, will last forever. Mankind is engaged in a war without quarter with the "no-good" laws that are in power - and I say to you, all who would be warriors must be without religion, which means that they must reach freedom under their own power and seize hold of the Tree of Life.

No region of the human soul can remain untouched by this struggle.

In order to ascend one must first descend. No man can climb a mountain until he has first descended to its foot. Therefore we must descend and be cast down to the bottom rung, for only then can we climb to the infinite.

This is the mystic principle of Jacob's Ladder, which I have seen and which is shaped like a V. Again, 'I did not come into this world to lift you up but rather to cast you down to the bottom of the abyss...

...The descent into the abyss requires not only the rejection of all religions and conventions, but also the commission of 'strange acts,' and this in turn demands the voluntary abasement (degradation) of one's own sense of self, so that libertinism (no morality) and the achievement of that state of utter shamelessness which leads to a tikkun of the soul are one and the same thing."⁷

REVERSING TRUTH

Jacob Frank reversed the truth found in the Bible. Esau was rejected by God and could not reverse the decisions he made. **Hebrews 12:14-17**

⁶ Ibid p.130

⁷ Ibid p. 130

The word “abyss” comes from Greek and means “a bottomless gulf.” The Bible calls it the “bottomless pit” and it is a prison where evil spirits are kept by God. **(Rev. 9:1-11)** It is also the place where the Devil is going to be imprisoned during the 1,000 years kingdom. **Revelation 20:1-3**

Jacob Frank wanted to take all his followers to the abyss and they are in hell today burning with fire and cursing their leader.

The two sons of Aaron that offered “strange fire” to the Lord were not only rebuked, but they were killed by God himself, and then Aaron was told not to mourn over his sons, but to have them carried outside the camp. **Leviticus 10:1-6**

The Bible tells us that Jesus came to destroy the works of the Devil. **1 John 3:8**

Jesus came to save the people who were lost and give them eternal life in heaven. **Luke 19:9-10**

Jacob Frank was inspired by Satan and wrote the doctrine of the Antichrist; a doctrine which is hidden from the masses of people today but will be the gospel of Satan during the reign of the Antichrist.

JACOB FRANK WAS A REPLICA OF THE DEVIL

In reading the teaching of Jacob Frank, it should not come as a surprise that he repeated what his father the Devil had done prior to the war in heaven. **Revelation 12:7-9**

The prophet Isaiah was given insight from God about the kind of governing Lucifer did on the earth before he had lost the war and sentenced to the Lake of Fire. **Matthew 25:41**

Satan made the earth to tremble, destroyed kingdoms, destroyed the environment, destroyed cities, and put his citizens in prison and would not let them out. **Isaiah 14:12-17**

The prophet Ezekiel was given additional information about the Devil such as he was a master of business which led to violence, was corrupted by his wisdom and defiled the places of worship with a multitude of sinful and immoral acts. **Ezekiel 28:14-18**

It should not come as a surprise that Jesus told the followers of the Kabbalah that their father was the Devil. **John 8:39-44**

JACOB FRANK AND HIS FOLLOWERS ARE EXPELLED

Once Jacob Frank established his theology; it was implemented by him and his followers. This existed of orgiastic, sexually promiscuous rites – incest, rape and sexual intercourse with children, including sodomy on young boys. Since Lucifer was declared to be their “real god,” witchcraft and satanic rituals were also introduced with animal and human sacrifices. Jewish rabbis and other Jewish leaders who had not been converted to the Kabbalistic teachings of Sabbetai rejected Frank and his group of followers and declared them heretics in 1756.

JACOB FRANK JOINS THE ROMAN CATHOLIC CHURCH

Frank then led his followers into the Roman Catholic Church and was baptized through sprinkling of water on his head. His followers were also baptized and officially Frank and his group had converted to the Roman Catholic faith. Jacob Frank was someone of great influence because the King of Poland, Augustus III, was present at Frank's baptism ceremony and acted as the official godfather.

The Catholic Church then staged public debates with representatives of Jewish rabbis, where Frank and his followers attacked the Jewish faith and declared that Judaism was nothing but blasphemy. They also accused Jews of using Christian blood for Passover rituals while it was the Frankists who were heavily into blood sacrifices of humans and animals.

Four years later in 1760, the Roman Catholic intelligence operation known as The Inquisition became painfully aware that Frank and his followers were using Catholicism as a cover for their own diabolical deeds. Frank and many of his followers were arrested, and he was kept at the fortress of Czestochowa where he was imprisoned for the next 13 years.

The fortress fell to the Russians in 1773, and Frank was let go since the Russians were Greek Orthodox and in opposition to the Roman Catholic Church. He traveled to Germany where he eventually settled in the city of Offenbach, located a short distance south of Frankfurt, where the Rothschild family had its headquarters. Frank settled down and took the title of Baron and lived a life of a well-to do German nobleman. He attracted a large following of Jews in Germany and in a number of other European countries, including the Austro-Hungarian Empire with its capitol of Vienna. The city of Prague became a very strong center of Frankists Jews, which later would play a major role in the beginning of the Zionist movement.

Jacob Frank died on December 10th of 1791 and his movement was then taken over by his daughter Eva, who was described as being very beautiful. She did not know how to manage the movement, particular the finances, and eventually the sect was declared bankrupt and Eve died in 1816.

Once the political and military Order of Illuminati led by Adam Weishaupt had been developed and built upon the theology of Jacob Frank, the Frankist movement was abandoned and most of its leading members became part of the Illuminati.

THE UNHOLY TRINITY

It is important to understand that the names seen in historical events are only figureheads and there are other people behind them who are really in control. There is a Council of 33 in the Kabbalistic system, and above them sits the highest human authority possible in the Council of 13, second to the Devil. Since there has never been a defection from this higher circle, researchers don't know any names among these men. It is from these thirteen men of the highest council that the Antichrist will come, presented to the world as the chosen messiah.

In order for Jewish Kabbalistic leaders to become world leaders, they created an organization that could move from dream into reality. Three men were chosen for this task:

1. Jacob Frank in charge of the theology.
2. Adam Weishaupt in charge of the political and military department.
3. Mayer Amschel in charge of the finances.

All three men were Jewish. Frank and Amschel had been trained as rabbis but deviated from the regular Jewish faith and embraced the Kabbalah while Weishaupt was trained as a Jesuit priest.

CHRISTIANS DON'T GET IT!

The Church of Jesus Christ paid little attention to the Jewish people during the centuries that the Kabbalah developed and entrapped them. Martin Luther (1483-1546) tried to warn the Christian community when he wrote the book, "The Jews and Their Lies," in 1543 just before he died. But Jewish power stifled the spread of the book and the Lutheran clergy did not run with the information. A number of Lutheran denominations have in the 21st century denounced their own founder, Martin Luther, and declared him to have been an anti-Semite; this only serves to show the power of the Kabbalistic Jews.

There is such a lack of education when it comes to Jewish history among Christian leaders and a great fear of being labeled "anti-Semitic." **2 Peter 2:8-9**

Remember, it's not so important how you begin your life after salvation, but how you finish it!
