### **COMPLICATING THE GOSPEL**

God's creation is complex but He gave us a beautiful picture to see Him.  
**Romans 1:18-20**

The body God created is also complex and He gave us simple provisions to make it last 120 years. **Genesis 6:3; Psalm 139:14**

God may be complex but He made the Gospel message simple to understand.  
**Acts 16:25-31; 1 Corinthians 1:20-31**

Religion can complicate the Gospel. **Romans 1:21-22; Acts 15:5-11; Galatians 2:16**

### **KEEPING THE GOSPEL SIMPLE**

Rejoice in the fact that God made the Gospel simple. **2 Corinthians 1:12; Matthew 11:25-26**

You don't have to be a rock scientist. **Acts 4:13**

Moses found this out. **Exodus 4:10-12**

Apollos was eloquent but needed to learn the simple truth. **Acts 18:24-28**

### **GENIUS OR TESTIMONY?**

It is not our genius that spreads the Gospel but our testimony.  
**1 Corinthians 2:1-5; Galatians 1:11-24**

Where does your wisdom come from? **James 3:13-17**

### **KNOWING GOD**

God is complex and all-knowing and our wisdom comes from knowing Him!  
**Proverbs 9:10; Colossians 2:1-4; Deuteronomy 29:29; Philippians 3:1-10; 1 Corinthians 1:17-19**
