### **PART 7: SATANIC MIND CONTROL**

#### **MIND CONTROL**

In the previous message I spoke about Satan using mind control on the human race, which is the fragmentation of the soul of a person. A human being on earth is a soul living in a physical body. The soul is a spiritual body that has a spiritual brain which the Bible calls "the mind." The mind has two compartments: the soul section and the spiritual section. The soul section of the mind does not have the capacity to communicate with God, this is reserved only for the spiritual part.

Satanic mind control seeks to fragment the soul section of the mind and prevent the person from discerning what is right and wrong.

When a person gets saved, the dead spirit section of the mind is made alive (born again) and the person can now communicate with God.

#### **SATANIC MIND CONTROL**

Satan controls the human race by employing the following tactics:

1. As soon as a human being is born on earth, Satan will blind the soul section of the mind so they are not aware that God wants to save them. **2 Corinthians 4:3-4; Ephesians 2:1-3**
2. The soul section of the mind contains the fallen sinful nature and is filled with satanic characteristics like pride, lust, greed, selfishness, etc. **Matthew 15:17-20; Galatians 5:16-21**
3. Satan is not content for people to merely be filled with his characteristics; he also wants to fragment their souls. This is done by inflicting pain upon the soul until the person breaks and loses all hope. We have a written account of Satan doing this to Job.

Satan attacked Job's children and all his earthly possessions. **Job 1:6-19**

Job was a righteous man who believed in the future Messiah and refused to break or be swayed. **verses 20-22**

Satan then began the second round of persecution by receiving permission from God to attack the body of Job. The only restriction was that he was not allowed to kill Job. **Job 2:1-7**

Job resisted the Devil's efforts to break him. **verses 8-10**

Job's soul mind began to fragment as the pressure increased. **Job 3:1-13**

Satan used Job's three friends to attack and destroy his last hope. **Job 19:1-4**

Job's unshakable faith in Jesus as his future redeemer was the one thing that saved him from destruction. **verses 23-27**

***All unsaved people on this earth have been blinded by the Devil and the soul section of their minds have been fragmented and bound by evil spirits.  
John 8:44***

***Remember, it's not so important how you begin your life after salvation, but  
how you finish it!***

***Do you have an ear to hear with?***
