PART 8: THE KABBALAH & JUDAISM

## **SATAN MOVES TO CAPTURE ISRAEL**

The Bible records two places that Satan selected as his seat of power.

1. The city of Tyre. **Ezekiel 28:1-19**
2. The city of Pergamos. **Revelation 2:12-13**

My personal belief is that Satan placed himself in the city of Tyre, Lebanon and possessed the king so that he would have a physical body to interact with the kings of Israel. The kings of Israel wanted cedar wood from the lush forests of Lebanon and Satan was more than happy to accommodate King David and later King Solomon.

It is interesting to note that David decided to increase his harem after King Hiram of Tyre sent workers to build a house for David. **2 Samuel 5:10-13**

When Solomon became the next king of Israel, Satan used Hiram again to snare Solomon into changing his allegiance to Lucifer. **1 Kings 5:1-12**

There are no Scriptural accounts of how Solomon transitioned from a man of God into a man of the Devil but we have records of what he did.

Solomon was responsible for enlarging the teaching of the Kabbalah. He is revered among Freemasons as a grandmaster, and for hundreds of years, they have worked to rebuild the temple of Solomon.

Solomon took the number "666" as his Kabbalistic number name. **1 Kings 10:14-20**

Solomon had a reprobate mind at the end of his life as evidenced by the plethora of altars he set up for the demon gods of his many wives. **1 Kings 11:1-9**

The number "666" is only mentioned twice in the Bible. **1 Kings 10:14; Revelation 13:18**

Jesus refers to the number "666" as the number of a man, not an organization. The only logical conclusion is that man was King Solomon, the developer of the Kabbalah.

## **SATAN'S HUMAN ORGANIZATION**

The life of King Solomon is difficult for Christians to understand. He is responsible for three books in the Old Testament. If Solomon became evil, why did God allow them to be part of the Bible? The only logical answer is that he wrote these books before he became corrupted.

In much the same way that Lucifer initially served God, Solomon also served God until he was bogged down in sin. God gave Solomon unique wisdom that would never be repeated again. **1 Kings 3:11-14; Ezekiel 28:14-18**

Satan used Solomon to accomplish two things: develop a written doctrine of the Kabbalah and create a human organization that would perpetuate itself.

Satan wanted a small cabal of dedicated Jewish men to swear allegiance and worship him. These men could not be loyal to their wives, children, or a nation. They had to devote their body and soul to Lucifer's cause and lying became a way of life for them.

In order to make the organization perpetual, new Jewish men who were willing to sell their souls to the Devil would have to be recruited and trained.

The ultimate goal of the organization was to bring their messiah up from the bottomless pit and establish a world government under the leadership of Lucifer. The men were told not to expect fulfillment in their lifetime, but to keep working and lay the foundation.

Satan only has one program and we can see how this pattern was used by the Illuminati, Jesuits, Freemasons, Templars, etc.

## **THE DOCTRINE OF THE KABBALAH**

The core teaching of Lucifer that God became confused after creation and a part of him fell into the bottomless abyss and took the form of the holy serpent became the foundation for the doctrine that Solomon developed.

The ultimate goal of the Kabbalists is to bring the holy serpent up from the bottomless abyss so he can establish himself as the messiah for the twelve tribes of Israel. Gentiles do not count since they don't have souls; the messiah of the Kabbalah is only for the offspring of the twelve sons of Jacob.

Lucifer told the Kabbalists there were two ways to get the holy serpent up from the bottomless pit:

1. The High Road consisted of the Kabbalists spreading out over the earth and making all men good.
2. The Low Road consisted of making men on earth as evil as possible.

It was decided that it was easier to make all mankind evil and thus the doctrine of sinning to serve god was born. It became the duty of all Kabbalists to lead the way and become as corrupt and vile as possible. Kabbalists were told violate the Ten Commandments as much as possible in order to serve god.

The more they sinned and the more they could corrupt nations into debauchery, the faster the holy serpent could be brought up from the bottomless pit.

When you have this knowledge, it makes perfect sense that Solomon set up altars for his foreign wives and he started to sacrifice children to the demon god Moloch.

## **GOD IS SPEAKING THROUGH HIS PROPHETS**

About 180 years after the reign of Solomon, God spoke through the prophet Isaiah, who repudiated the Kabbalistic doctrine that Solomon had developed. **Isaiah 5:11-25; 28:14-18**

Some 120 years after Isaiah, God sent the prophet Jeremiah to warn the people of Judah about the Kabbalistic doctrine that existed like a cancer among the Jewish leadership. **Jeremiah 11:9-11**

Jeremiah lived and prophesied in Jerusalem and was a contemporary with the prophet Ezekiel, who had been taken to Babylon, where he prophesied among the captive Jews. Ezekiel was given a strong message against the Kabbalistic leadership in Jerusalem. **Ezekiel 22:28-31**

The people of Judah did not hear from God for some 549 years and the last prophet was Malachi. The silence was broken when God raised up a prophet in Judah by the name of John the Baptist. God gave him insight into the diabolical Kabbalistic movement, and when these leaders came to him, he called them out for who they were, followers of the Old Serpent. **Matthew 3:1-9**

### **JESUS EXPOSED THE FOLLOWERS OF THE KABBALAH**

Jesus also exposed the Kabbalists and called them a generation of vipers. **Matthew 12:34**

Jesus railed against the Jewish leadership again when he called them serpents and a generation of vipers. He did not mince words when He said that anyone that converts to their faith is twice the child of hell of their mentor. **Matthew 23:13-15; 33-35**

Jesus exposed the Kabbalists as trying to take the kingdom by force. **Matthew 11:12**

When Kabbalistic men saw the power which Jesus displayed, they tried to take Him by force and make Him the king of Israel. **John 6:14-15**

After the ascension to heaven, Jesus once again warned His followers of the Kabbalists and identified how they were hiding in the synagogues. **Revelation 2:9; 3:9**

The apostle Paul was a Pharisee before he was converted to Christ and had been exposed to the teaching of the Kabbalah. The Kabbalistic leaders spread rumors that Paul had become a Christian in order to sin and fulfill the Kabbalistic teaching that sinning is serving God. Paul refuted this rumor in the Epistle to the Romans. **Romans 3:8**

### **MOST CHRISTIANS HAVE NO KNOWLEDGE OF THE KABBALAH**

Most Christians know little to nothing about the Kabbalah and don't realize the deep inroads the Kabbalah had made into Judaism. Without this knowledge, the aforementioned scripture references don't make a whole lot of sense.

I have a Master's degree in Divinity from Golden Gate Baptist Theological Seminary in Mill Valley, California. All this information was new to me; I was never taught how the Kabbalah had influenced Judaism for more than 4,000 years. As a young pastor I read these verses and was clueless for some 20 years as to what these verses meant. It wasn't until I was exposed to the Kabbalah that I received a true understanding of their meaning.

## **ATTEMPTS TO BRING IN THE HOLY SERPENT MESSIAH**

The Kabbalistic leadership was behind the Jewish uprising in 68 A.D. against Rome that resulted in the destruction of Jerusalem and the temple in 70 A.D.

The Kabbalistic leadership initiated a new rebellion against Rome 45 years later in 115 A.D., and this time it was the Jewish population in Cyprus, Egypt and the province of Cyrene (now known as Libya) that revolted. After a short and bloody war, the Jews were defeated and hundreds of thousands were slaughtered.

A third uprising of the Jews took place 17 years later in 132 A.D. under the leadership of Simon Bar Kochba. Inspired by the Kabbalah, a fierce war was waged for three years in Judah and ended in a bloody defeat of the Jewish forces. According to Jewish historical records, 580,000 Jewish soldiers were killed.

The Kabbalists went underground and it was not until 1569 the Kabbalah rose again to become physically visible in the village of Safed in Galilee under the leadership of Rabbi Isaac Luria.
