### PART 5: MORALITY 101

#### **INTRODUCTION**

The main subjects taught in secular schools are reading, writing and mathematics. A perverted form of morality is taught in public schools and this explains why there is war, murder and crime. In God's University, morality is a key subject in which each student must excel in order to graduate with honor. **Matthew 22:34-40**

Being a moral person won't save anyone; we work on our morality because we are saved. **Ephesians 2:8-10**

God gave Moses a divine standard known as the Ten Commandments. The first three commandments provide guidelines for our relationship with the Lord and what He expects from us. **Isaiah 14:12-14**

#### **NO OTHER GODS**

We are not to worship any other gods. **Exodus 20:1-3**

God does not accept spiritual adultery. **James 4:1-10**

The Lord will cut off the adulterer. **Ezekiel 44:5-16**

#### **NO IDOLS**

We are not to possess any graven images or participate in demon worship. **Exodus 20:4-6**

This teaching is further clarified by God. **Deuteronomy 18:9-13**

It was also verified by the apostle Paul. **1 Corinthians 10:19-22**

#### **NAME OF GOD**

We are not to use the name of the Lord as a curse word. **Exodus 20:7**

Saved and unsaved people alike use the names of God and Jesus Christ as curse words. The Holy Spirit is insulted when people Christianize their curse words and cry out, "Holy Cow," "Gosh" and "Golly" for God, "Gee Wiz" for Jesus Christ, and "dang it" instead of "damn it."

Jesus commanded that our speech should be simple with no double talk. **Matthew 5:33-37**

God is holy and the Creator; He is supreme to all beings and to be worshiped in Spirit and in Truth. **John 4:21-24**

God is to be loved, respected and revered. **Revelation 4:1-11**

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***
