## THE SIN NATURE OF MANKIND

RLJ-1604

JOHN S. TORELL

JUNE 18, 2017

### PART 2: THE ADAMIC SIN

#### THE CREATION OF A HUMAN

When God creates a human being, an egg and sperm are used to form a new cell that has the necessary blueprint (DNA) to develop itself into a human body. At the moment of conception, God attaches a soul and a spirit to this new human body. Thus there are three components: physical body, soul and a spirit. **Hebrews 4:12**

Does God create a soul that is evil? No, the Bible tells us that God is light and so it would be impossible for Him to do something like that. **1 John 1:5**

God cannot go against His own nature. **Hebrews 6:13-20**

The only logical conclusion is that when the soul is attached to the newly formed cell at the moment of conception, it is infected by this cell which carries the Adamic sin nature. By reading the following Scripture, we come to the understanding that the physical body is in reality a body of corruption. **1 Corinthians 15:35-54**

God does not create anything dead. The spirit dies when it is attached to the newly created cell just like the spirits of Adam and Eve died when they sinned. **Genesis 2:17; 3:7-10**

God acknowledges that a soul is evil from the outset. **Genesis 8:21, Jeremiah 17:9**

In the book of Job we are told how child is corrupt from birth. **Job 14:1-4**

King David acknowledged that he was conceived in sin. **Psalms 51:5**

#### THE SINFUL NATURE

How does one end up in hell after death? It's easy; do nothing. **Romans 3:23; Revelation 20:15**

The apostle Paul declared that every human is a lost in the eyes of God. We are unable to change the status quo by ourselves. **Romans 3:10-18**

A child does not need instruction how to lie, be angry, be jealous, develop hate, steal, etc., it is all pre-programmed from the sinful nature, which in reality is the nature of Satan. The disease of sin will manifest itself, and if a child is not corrected at an early age, he will turn into a wild person that ends up in prison. **Proverbs 13:14**

#### NO CURE FOR THE SINFUL NATURE

The physical body cannot be redeemed; it has to be destroyed. **1 Corinthians 15:42-54**

The dead spirit must be born again in order for the soul to be redeemed. **John 3:3-7**

#### GOD'S RESPONSE

What is God doing about the sinful nature in the human race?

1. When God judged humanity some 1600 years after the creation of Adam and killed them all with the exception of Noah and his family, God also arrested and put away the fallen angels who had been sexually involved with human women. Orders were given to the holy angels to make sure that the other fallen angels did not repeat the same wickedness. **Jude 6**
2. When the descendants of Noah began to multiply, Satan inspired them to build a city named Babel. They sought to build a world federation until God stepped in and supernaturally took away their common language, created all the languages spoken on earth, and then scattered them all over the world. **Genesis 11:1-9**
3. God set up a global command center that was staffed by holy angels known as “watchers.” Their role is to monitor, and if necessary, execute kings and other leaders if they get out of control. **Daniel 4:13-17**
4. The Holy Spirit is a restraining force on this earth, holding back evil from completely taking over the earth again. At the end of time when God allows the Antichrist to take power, the Holy Spirit will stop the Devil from totally corrupting the people again. **2 Thessalonians 2:3-12**
5. Through the atonement of Jesus on the cross, it is now possible for humanity to be born again and controlled by the Holy Spirit. Jesus called us “salt” and “light,” and we can see that nations are blessed, crime goes down and good laws are drafted where Christians are strong and adhering to the Bible. The American constitution is one such example. **Matthew 5:13-16**
6. Each Christian can rely upon the Holy Spirit for daily guidance and also making sure there is a way to escape from temptations. **John 16:7-14; 1 Corinthians 10:13**

Are you a part of the sin problem or a solution to the problem of sin?

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
