## THE ARRIVAL OF THE ANTICHRIST

RLJ-1636

### PART 4: THE RISE OF THE ANTICHRIST

Christians in general, at least in the Western world, do not believe the warnings about the Antichrist as found in the Bible. For those who believe the Bible, they don't understand how it will all come to pass.

In this message I want to examine what the Bible says about the Antichrist and how close we are to this false messiah.

### THE BOOK OF DANIEL

The prophet Daniel received detailed prophecies about the future, most of them having already been fulfilled. Toward the end of his life, Daniel was given a prophecy about a future ruler that would set up a strong kingdom. In reading the text, it obviously refers to the Antichrist. Here are the things that we learn:

1. The Man of Sin will eventually stand in the rebuilt temple at Jerusalem and stop the priests from carrying out their sacrifices. **Daniel 11:31**

This was confirmed by Jesus. **Matthew 24:15**

The apostle Paul was given a clear revelation of this event. **2 Thessalonians 2:1-4**

2. Even before the time of the Antichrist, the Second Covenant has replaced the First Covenant between God and the people of Israel. **Exodus 24:1-8**

This covenant is perfect because it was made between God the Father and God the Son. **2 Corinthians 5:18-19**

The Jewish people have rejected the Second Covenant and the Son of Perdition will corrupt all Jewish people who reject the Second Covenant. At the same time, the people of God will be strong and convert people to Christ. **Daniel 11:32**

3. There will be persecution of God's people and they will receive only a token type of help. **verses 33-35**

This is confirmed by Jesus. **Revelation 13:6-7**

4. This Willful King will magnify himself and reveal his true nature by attacking the God of Abraham, Isaac and Jacob. **Daniel 11:36**

This was confirmed by Jesus. **Revelation 13:1-6**

5. This Ruler will worship the god of forces, the Kabbalistic god, also known as Lucifer, and be a homosexual. **Daniel 11:37-39**

### THE BOOK OF REVELATION

Jesus provided a lot of information in the Book of Revelation. The Antichrist is referred to as "the Beast" in the Book of Revelation and he will receive his power from Satan. **Revelation 13:1-4**

Jesus called him the “Abomination of Desolation.” **Matthew 24:15**

Paul called him the “Son of Perdition” and the “Man of Sin.” **2 Thessalonians 2:4**

The apostle John called him the “Antichrist.” **1 John 4:1-3**

This ruler mentioned by Daniel will reign with the help of religion. At his side will be a false prophet that runs an apostate church and also controls the finances of the world. This apostate church will also be in charge of humanity. **Revelation 13:11-18**

It is interesting to note that in Europe, it was the state churches that were responsible for registering births, marriages, families, and deaths late into the 20<sup>th</sup> century.

## JERUSALEM

Jesus stated the city of Jerusalem will be downtrodden by the Gentiles until the time of the Gentiles is fulfilled. Do you know that the majority of Jewish Zionists who pushed for establishing the political state of Israel were of Khazar lineage? They cannot trace their bloodline to Abraham because they are from the Khazar Empire which existed from 700-1100 A.D. in the region around the Black Sea and Caspian Sea.<sup>1</sup>

The children and grandchildren of these Khazar Jews now hold political power in Israel. **Luke 21:24**

The ruler mentioned by Daniel will utilize Jerusalem as his capitol and this is where his palace will be. **Revelation 11:1-8**

## TIMETABLE

How far are we from the reign of the Antichrist? Let's examine the following facts:

The Kabbalistic leadership established the political state of Israel in 1948.

They conquered East Jerusalem militarily in 1967 and established the city as the capital of Israel.

The United Nations (UN) was founded in San Francisco on October 24, 1945. The globalists were able to ramrod their agenda to form a global organization that included the United States.

With the UN came a number of global organizations:

- ❖ International Court of Justice (founded in June 1945)

<sup>1</sup> See RLJ-1588, RLJ-1418, and RLJ-812 for more information about the Khazar's, how they became the thirteenth tribe, and the role their descendants have played in the formation of the political state of Israel.

- ❖ World Bank (founded in July 1945)
- ❖ International Monetary Fund (founded in December 1945)
- ❖ International Criminal Court to address human rights violations, genocide and war crimes (founded in July 2002).
- ❖ World Trade Organization (founded on January 1995) to replace the General Agreement on Tariffs and Trade or GATT (founded in 1948).

The United Nations operates 21 global institutions, regulating a number of items from food and agriculture, international labor, civil aviation, international maritime, international telecommunication, regulating well-being of children, educational, scientific and cultural departments, etc.

Then there is INTERPOL, an international criminal police organization that was created in 1923.

There is a hidden global world government hiding behind the UN and the different country's organizations. They are departments in charge of everything from banking to fishing rights in the oceans. These organizations have been carefully crafted and three of them came into being with the advent of the United Nations.

Please note, before there can be a global world government, all nations must be willing to give up their sovereignty and submit to a global world government. When the American people elected Donald Trump as president, it was a huge setback for the globalists because he is nationalist who puts America first. There will be no global government as long as Trump remains president.

The next presidential election in 2020 will certainly be contentious as the globalists do everything in their power to attack and demonize Trump. If they lose that election, they will try again in 2024. They will not give up their effort to bring about a new world order.

All the pieces of a World government are in place, and once the United States of America is captured, expect the Antichrist's imminent arrival.

Remember, as we learned in the previous message (RLJ-1635), the Antichrist will arrive before Jesus comes back to the earth.

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
