PART 32: THE SPIRIT WORLD IS LISTENING

JESUS ADDRESSES THE KABBALAH

After Jesus spoke about blasphemy of the Holy Spirit, He addressed the heretical Kabbalistic beliefs of the Pharisees. Here is a quick review of the Kabbalah's core teaching:

1. When God was working on the creation of the universe, he got confused and a portion of him fell into the bottomless abyss on earth.
2. The part that fell into the bottomless abyss took the form of a serpent.
3. The serpent is the messiah for the twelve tribes of Israel; it is their duty to bring the serpent up so he can start ruling as the Holy Serpent and establish the eternal kingdom of Israel.
4. During the time of King Solomon, the act of getting the serpent out of the abyss required all people to be made good. Since this was very difficult, the leadership decided to take the "low road" and make everyone evil.
5. This is the reason that King Solomon started worshiping idols and sacrificing children when he became older. **1 Kings 11:1-9**
6. At the time of Jesus, the men who followed the Kabbalah sinned as much as possible and taught people to do the same. The Kabbalists infiltrated the Pharisees, including the high priest's families, and thus the Jewish leadership was contaminated with the Kabbalistic belief system.

Jesus told the people, including Kabbalists, to plant a good tree and reap good fruit. It was unacceptable to reap corruption. **Matthew 12:33**

The God-man seemingly name-calls the Pharisees by calling them vipers. It would be the same as someone calling you a snake. However, the Son of God was referring to their messianic serpent in the abyss. These men were evil, servants of Lucifer, and not capable of producing good fruit. **verses 34-35**

Professors at seminaries and Bible colleges are ignorant about the Kabbalah and this is why pastors educated at such institutions don't understand why even John the Baptist engaged in such name calling. **Matthew 3:7-8**

The resurrected Jesus even went so far as to label the synagogues as strongholds for Satan. **Revelation 2:9; 3:9**

POWER OF THE SPOKEN WORD

Seminary professors and the pastors graduating from such institutions reject the baptism of the Holy Spirit. It stands to reason they will also reject the fact there is a

spiritual dimension. How many churches today reject the existence of Lucifer and his minions?

The Devil is delighted with this teaching and this allows him freedom to send demons into churches, and despite the carnage produced, it will be ignored by the leadership since it does not fit with their belief system on the existence of such “spirit beings.”

It is the same demonic power that once controlled the Sadducees; they denied the existence of the spirit world and life after death. **Acts 23:6-8**

Jesus stated that every spoken word is recorded in the spirit world and every one will be judged by their words. **Matthew 12:36-37**

THE SPIRIT WORLD IS LISTENING

In the beginning there was only God the Father, God the Son and God the Holy Spirit. They exist in the spirit world. Jesus created such a vast number of angels that it is impossible for mankind to count them. **Hebrews 12:22**

One third of the angels decided to rebel against God. **Revelation 12:4**

There is no scripture about the origin of demons. We have no idea where they came from, but the Bible makes it clear that they like to inhabit humans, and more importantly, Christians have the power to cast them out. **Matthew 10:1; 7**

When a human speaks, the words are heard by the Holy Spirit, holy angels, and by Lucifer and his minions.

When a Christian speaks in faith and commands sickness to leave, any demons associated with this problem have to leave. These words are picked up by the Holy Spirit, Who conveys it to Jesus in heaven, Who then authorizes angels to carry out the command or meet a request. **Mark 11:13-14; 20-24**

There is just one qualifier. You cannot harbor any unforgiveness if you want to be heard. **verses 25-26**

When a human being thinks and speaks negatively, it is picked up in the kingdom of Satan and demons will carry out what the person spoke. Doubt and unbelief are like blood in the water for a shark, you will attract the attention of Lucifer and his minions.

“I am getting a cold,” “I think I am getting sick,” “I think I have cancer,” “I am going to lose my job,” “Our marriage will end in divorce,” or “My children will become addicted to drugs” are some of the things spoken in unbelief on a daily basis. **James 1:6-8**

Who are you going to believe? Jesus or the Devil? **John 14:12-17**

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
