

THE STRANGLING OF AMERICA

John S. Torell & Charles M. Thorell

July 2022

I can see the evil Antichrist system steadily rising and I have an increasingly strong burden to cry aloud and sound the alarm over what I see happening.

“But his word was in mine heart as a burning fire shut up in my bones...” (Jeremiah 20:9b)

Lucifer is in the process of conducting the final stages of testing for the Antichrist system and we are seeing the culmination of 4,000 years of history. The United States is being strangled by a demonic power that is simultaneously a domestic power. You will understand what I mean at the end of this article.

WHAT IS GOING ON?

Why is the Biden administration destroying the United States? This is a question that discerning Americans are asking themselves. Joe Biden’s diminishing mental faculties are not to blame directly. He is merely a puppet and there is a power behind the power that we must reckon with as we witness the deliberate and systematic destructive attacks of an open southern border, mandating COVID-19 jabs for all federal workers, cutting oil and gas production, embracing a radical climate change agenda, hypersensitivity to racial prejudice and discrimination, refusing to deal with surging crime and violence, foreign policy failures, and an increasingly wayward culture that embraces woke teaching in our public schools.

The majority of the American people do not take the Bible seriously. Sadly, a lot of Christian pastors are even trivial about biblical prophecies because they do not believe that the millennia-old predictions are relevant today. Yet, the opposite is true as we see the prophecies spoken more than 2,000 years ago are now being fulfilled. There are a lot of people – Christian or not – that are playing the part of the fool in willfully ignoring the Word of God.

“The fool hath said in his heart, There is no God. They are corrupt, they have done abominable works, there is none that doeth good. The LORD looked down from heaven upon the children of men, to see if there were any that did understand, and seek God. They are all gone aside, they are all together become filthy: there is none that doeth good, no, not one.” (Psalm 14:1-3)

THE ANTICHRIST

There will come a time in the history of mankind when all nations will merge into a global political federation. The person ruling this federation will be supernaturally empowered by Lucifer. This Beast will rule the world as a cruel dictator. He will be assassinated shortly after he takes control of the federation, but Satan will resurrect him and cause all people to wonder about him. After he comes back to life, the Man of Sin will turn on the

Christians and there will be persecution not seen since the days of Emperor Nero.¹

The Bible also informs us that this man will be Jewish and a homosexual.²

THE FALSE PROPHET

Three and a half year into the reign of the Antichrist, Satan will usher in a being from beneath the earth that Jesus calls the False Prophet. He will direct people to worship the Man of Sin and introduce an economic system that will replace cash and credit cards with some kind of biometric microchip in the forehead or the right hand. Only people with the mark will be able to conduct business.³

Jesus revealed that the Antichrist will rule the world for one hour. Obviously, this isn't a lot of time, and when converted to earth years, this tells us that the Beast is going to rule the earth for 41.6 years.⁴

AN ANTICHRIST MOVEMENT?

What I have shared with you thus far is something that can be found in the Bible. Are there then a group of people who are secretly working to bring this Antichrist to power? Yes, and they date back to the time in which the Hebrews lived in Egypt. There was a renegade group who accepted a teaching that would later become known as the Kabbalah. One of the adherents of this damnable teaching was Moses' cousin Korah, who led a sly and despicable revolt against Moses and God. Moses knew this doctrine was harmful and would lead to the destruction of many men and women souls and this is why he asked God to kill Korah and his followers in such a way that could only be explained as supernatural.⁵

WHAT IS THE KABBALAH?

The Kabbalah is a doctrine that is contrary to the Old Testament. Its belief system became the ruin of the Israelites, to the point that God evicted them from the Promised Land.

King Solomon was elevated by God with supernatural wisdom and opulent riches. Nevertheless, he chose to leave the God of Abraham, Isaac and Jacob and embrace a Luciferian doctrine.

In the Kabbalistic world, people are not known not by their name, but by a number. Solomon took the number 666 for himself and demanded that the gold given to him each year as tribute would equal 666 talents.⁶

He also made a special throne of ivory that featured six steps with a stay on either side. Each stay had a lion, and when a person stood before the throne, they could not help but see the numbers 666.⁷

Solomon enlarged the writings of the Kabbalah, which is used by two major groups in the world, Kabbalistic Jews and Freemasonry.

⁵ Numbers 16:1-50

⁶ 1 Kings 10:14

⁷ 1 Kings 10:18-20

Aside from the Kabbalah, the only other writing outside the Old Testament is the Talmud, which came about as a rabbinical commentary on the Old Testament and was often referred to as the “tradition of the elders.”⁸

Jesus stated that the name of Antichrist is 666 when He spoke about the Antichrist and the False Prophet. The Son of God irrefutably established the Antichrist system as Kabbalistic.

“Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.” (Revelation 13:18)

CORE TEACHING OF THE KABBALAH

The Kabbalist’s believe that when God was in the process of creating the universe, he became confused and a portion of him fell down into a bottomless abyss deep under the surface of the earth where it took the form of a serpent. This “holy serpent” is considered to be the redeemer and messiah of their belief system.

When Moses went up the mountain to meet God, he met the “bad god,” but the 70 elders at the foot of the mountain met the “good god” known as Lucifer. The 70 elders discussed with Lucifer how to extricate the messiah from the abyss and they were informed it could be accomplished in two ways:

1. Make all people on earth good. (High Road)
2. Make all people on earth evil. (Low Road)

These elders decided it was easier to make everyone evil and they chose the low road. A new doctrine was written and they began to teach the people of Israel this pernicious gospel.

⁹ See The Kabbalah books for a better understanding of the hell gospel. www.eaec.org/bookstore/kaballah.htm

¹⁰ Scholem, Gershom; *The Messianic Idea in Judaism*, Schocken Books, New York, 1971

One of the key elements of the Kabbalah involves sinning. While the Bible condemns sin, the Kabbalah glorifies it! The irony is that the more you sin, the more you are serving god. Sinning helps usher in the messiah from the abyss to establish his kingdom on earth. This holy serpent will enslave the earth and install the twelve tribes as rulers under him.⁹

The first king to openly embrace the hell gospel was King Solomon. He also enhanced the writings of the Kabbalah and set in motion the movement that would eventually capture the kingdoms of Israel and Judah and bring about their destruction.¹⁰

Jesus openly spoke about the Synagogue of Satan.¹¹ He also identified the system that is called 666.¹² Solomon’s Kabbalistic number was 666.¹³

MY REVELATION

You’re probably wondering how I learned about the hell gospel? I graduated from Golden Gate Baptist Theological Seminary in 1973 with a Master’s Degree of Divinity.¹⁴ At that time I believed in a pre-tribulation rapture, was a big fan of Hal Lindsey, and an ardent supporter of the political state of Israel. I knew about Israel from the Old Testament writings, but I had no knowledge as to what happened to the Jews after the Book of Acts. There were no classes offered by the seminary on the subject.

“If you do not know that something exists, you are not going to look for it.”

¹¹ Revelation 2:9; 3:9

¹² Revelation 13:16-18

¹³ 1 Kings 10:14, 18-20

¹⁴ The seminary changed its name to Gateway Seminary when it relocated to Los Angeles in 2016.

I was relatively ignorant about Judaism, its history outside the Bible, and I was confident that God had established Israel in 1948. Then I met a conservative Baptist pastor named Gordon Ginn four years later. We became good friends even though I was a Pentecostal preacher.

One day Gordon confronted me about my flawed beliefs concerning the pre-tribulation rapture. I was shocked and felt he was possessed by demons, but Gordon calmly told me to do a deeper study on the subject and pointed out several passages of scripture to which I had not previously paid much attention.

In time, I begrudgingly admitted that Gordon was correct. He then asked if I knew about the Jewish writings of the Talmud and the Kabbalah. The names were completely unfamiliar to me and I began seeking information about these two Jewish writings and this is how I came to discover the hell gospel.

Gordon Ginn and I collaborated on my book, "The Rise of the Antichrist: Part 1" in 1980. We sold out the limited print run because people were seeking information on the Man of Sin.

Two years later I was a speaker at a series of revival meetings in Finland when I met Kjell Sjöberg, a Swedish Pentecostal pastor. I had just finished a Swedish book entitled, "The Bible's Message in the Last Days" and asked him to review it. The next morning, he excitedly told me that he had been up all night reading my book. "If it is true what you have written in this book, it will change my entire view of the world and the Bible. Give me six months to prove if you are right or wrong."

When Kjell contacted me at the appointed time, our communication consisted of letters and phone

calls. This took place in the summer of 1982 to June 1983 and there was no internet that existed at this time. He had spent time at the Hebrew University of Jerusalem and discovered there was a department of the Kabbalah, headed by Professor Gershom Scholem, considered to be the foremost scholar of the Kabbalah.¹⁵

Kjell informed me it was much worse than what I had written in my book. He had found several books by Scholem and strongly recommended that I buy them.¹⁶ He told me they were written in English and would open my understanding of what took place with the Israelites before Jesus' incarnation. I was shocked by the insidious teachings contained therein.

I came across a textbook of Jewish history in seminary that was used by different Jewish learning centers in the United States and it allowed me to cross reference information.¹⁷ This provided me with a solid understanding of the Kabbalah and why God was so angry with the idolatrous descendants of Abraham.

When I got on the internet in 1990, I learned about Kabbalistic synagogues in the United States. The Chabad Lubavitch synagogue system is the most popular Kabbalistic system and Rebbe

Menachem Mendel Schneerson (1902-1994) was considered their messiah. He had been invited to the White House several times with his staff of rabbis. Members of the Chabad regularly visit his grave in New York to pray for his resurrection so that he can begin to rule as their messiah.¹⁸

KABBALAH IN THE BIBLE

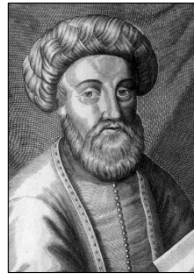

There are references to the Kabbalah found throughout the Bible. The prophet Isaiah was active during the last years of the northern kingdom of Israel and he called out the Kabbalists for saying good was evil and vice versa.¹⁹ He confirmed they had made a covenant with death²⁰ and were working in the dark.²¹ There were other prophets doing the same thing. Jeremiah stated that they trusted in lying words.²² Both Jeremiah and Ezekiel declared that a conspiracy had been found.²³ Hosea accused the Kabbalists of swearing falsely.²⁴ Amos told them to seek good and not evil.²⁵ John the Baptist and Jesus called them a generation of vipers.²⁶

VISIBLE JEWISH WORLD GOVERNMENT

There was an attempt by the Jewish world government to seize control of Palestine in 1666. The front man was Sabbatai Sevi, a Kabbalistic Jewish rabbi and his prophet Nathan of Gaza. The effort had some initial success but it eventually fizzled out and both men died.²⁷

The Jewish world government realized that they needed other means to take control of the world without military power. It was decided they would capture the banking system and Christian churches. To accomplish these two goals, a network of secret lodges was needed. If the

Masonic lodges that already existed in England and the United States could be infiltrated, they would provide an excellent base of operations since lodge members were influential in society. Jacob Frank (1726-1791) would oversee the religious aspect.²⁸ Adam Weishaupt (1748- 1830) would infiltrate the Masonic lodges.²⁹ Meyer Amschel (1744- 1812) would create a financial juggernaut that would come to dominate the banking worldwide.³⁰

The Kabbalistic leadership thinks and works on a long-term scale. Over the last 3,000 years, each generation realized that setting up a global federation would not happen in their lifetime. Nevertheless, each Kabbalist was determined to do what he could so that the dream would be fulfilled. For example, Theodor Herzl never lived to see the beloved Jewish state he wrote about

come to existence.³¹ All the same, it did not dissuade him from devoting his life to the project.

Jacob Frank, Adam Weishaupt, and Meyer Amschel all played different parts in their Kabbalistic role of establishing a Jewish State and immeasurably strengthened the secretive Jewish world government so that it can institute a global federation. I have researched these details and watched modern events unfold during my lifetime. It would not surprise me at all if the Antichrist system came online within the next 30 years.

ORDER OF SKULL AND BONES

The world government was instrumental in the founding of the Order of Skull and Bones at Yale University in 1832. This secretive lodge only initiates fifteen male students per year.

Prospective candidates are selected during their last year as undergraduates. No one can ask to join the club. Nominees are chosen based upon who the powers that be think will fit their agenda.³²

Presidents George H.W. Bush and George W. Bush and former senator John Kerry are some of the most prominent Bonesmen.

The world government began a concerted effort to take over the universities of the United States through its Bonesmen. Then their tentacles spread to colleges and the fruit we are seeing today is the near total destruction of our public educational system.³³

THE ILLUMINATI WRITERS

As the Illuminati agents worked within the United States, they were also busy in Europe. Thirteen major philosophers, writers and political activists were recruited to write books, pamphlets and

hold discussions at universities. By 1848, the world government decided that the time was ripe for revolutions in France, Austria, Hungary, Germany, Sweden and Italy. The Illuminati writers inspired hundreds of thousands of young men and women to join them.

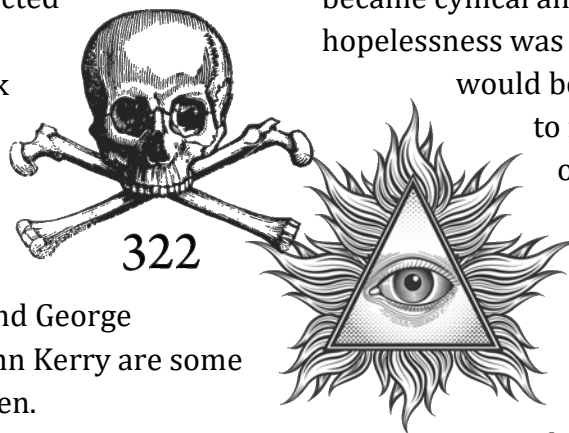

The different governments called out the military and the insurrections were brutally put down. Thousands of young people lost their lives, having embraced the lies of the Illuminati. The sad thing is that these violent uprisings in Europe are not even mentioned in American history books.

Many of the surviving revolutionaries were maimed for life, and since they had rebelled against governments, there was no financial or medical help available. Hundreds of thousands became cynical and disillusioned and this hopelessness was passed on to their children, who would be recruited in the next century to foment the Communist takeover of Russia in 1917.

What I am trying to show you is that the Kabbalistic movement is global. They operate in all nations and each war, revolution or infiltration is a calculated step that will eventually lead to the goal of a global federation ruled by their serpent messiah.³⁴

GLOBAL BANKING

By the mid-1800s the Rothschild banking family had spread from Germany to Austria, France, Italy, England and the United States. There were other Jewish bankers like the Mendelssohn Bank & Company in Berlin that served as the banking house for the Russian czars. The Warburg banking family operated out of Hamburg. Another Jewish bank that has played a major role in the United

States was Kuhn, Loeb & Company. However, they did not play a major role until a German Jew named Jacob Schiff (1847-1920) joined them. He was born in Frankfurt, the hometown of the Rothschild banking dynasty. It was Schiff that would use the bank to finance a Russian Jew named Leon Trotsky (1879-1940), who was part of the troika of Lenin-Stalin-Trotsky).

Olof Ashberg (1877-1960) was a Swedish Jew who founded Nya Banken (New Bank). Most likely he was funded by the Rothschild's, and when Lenin and Stalin travelled through Sweden in 1917 on their journey to St. Petersburg, they were given a large sum of money for the upcoming revolution.

The biggest coup for the Jewish banking system came when Jacob Schiff and a German Jew named Felix Warburg convinced the United States to form the Federal Reserve System in 1913. This private bank now controls banking in America and sets the interest rates.

I have previously written about global banking. All the wars from 1850 and onward were financed by Jewish bankers from different nations. This is true of Wall Street, New York, to the financial centers in London, Paris, and Berlin; global banking is run by international Jews.³⁵

GLOBAL INSTITUTIONS

There are a number of global institutions which serve the interests of the shadowy world government.

The United Nations was founded in 1945 and has its headquarters in New York.

The International Court of Justice (World Court) is owned and operated by the United Nations. It too was established in 1945 and is headquartered in The Hague, Netherlands.

The International Criminal Court was established in 2002; it too is also located in The Hague. This court is in charge of prosecuting individuals who commit genocide, crimes against humanity, war crimes, and the crime of aggression. It is not part of the UN and has 123 member states. There are 42 nations that do not belong to this system.

The World Bank was instituted in 1945 with headquarters in Washington D.C. Its purpose is to loan or grant money to low and middle-income nations. There are 189 nations that serve as members.

The International Monetary Fund (IMF) was founded in 1945 and features 190 member nations. It is a powerful global institution with a charter to encourage global monetary cooperation, secure financial stability, facilitate international trade, promote high employment and sustainable growth and reduce poverty in the world. Its headquarters is located in Washington, D.C. Third world nations are exploited by the IMF and forced to comply with climate change policies.

The World Trade Organization was established in 1995 and has 164 member nations. It is headquartered in Geneva, Switzerland with the purpose of establishing, revising and enforcing the rules that govern international trade. Its member nations represent 98% of all global trade.

Bank for International Settlements (BIS) was founded in 1930 with headquarters in Basel, Switzerland. It is owned by the central banks of different nations such as the Bank of England, German Reich bank, and the Federal Reserve Bank in the United States. There are 61 nations represented by their central banks. Banking services are only available to central banks and other international organizations. The bank also has offices in Hong Kong and Mexico City.

³⁵ Torell, John S., *The Kabbalah – Book 3: The Rothschild Family*

During World War II, there were a number of American corporations operating in Germany. The most well-known are General Electric (GE), Ford Motor Company, General Motors, and Standard Oil.³⁶ The profits from these companies in Germany were paid out through BIS so that the American stockholders would be paid on a regular basis.³⁷ This essentially made the bank “dirty” because hostile nations could continue business as usual while their citizens died on the battlefields.

The International Bank of Reconstruction and Development was founded in 1944 with headquarters in Washington D.C. It was in essence a spinoff of the World Bank and serves as a specialized agency for the UN, whose member nations must also be part of the IMF.

Through these international institutions, we can see that the world government has diligently conducted preparatory work for the global federation they want to impose upon the world. Banking, trade and a justice system are mission critical for the success of the future global federation. The United Nations already serves as an international military organization. All we need now is a catastrophe whose scale is so immense that nations of the world clamor for an international response. Essentially a global problem that requires a global solution.

CONTROLLING PEOPLE

The false prophet is going to give rise to a biometric computer-based system that will oversee and regulate all commerce.³⁸ In order for such a system to function, its database must be populated with the details of every person on earth. Just like every network capable device has a MAC address, so too each person must be assigned

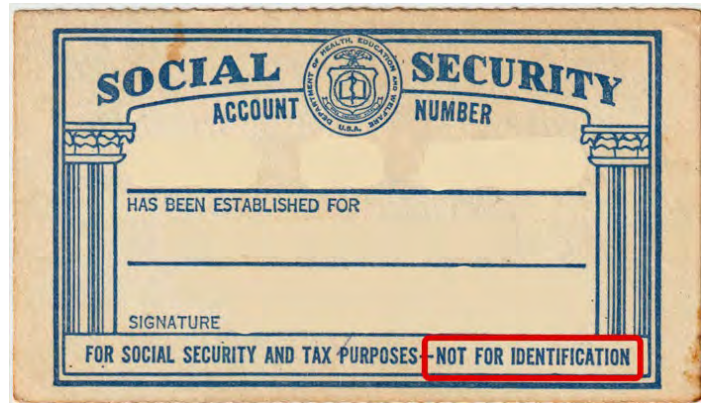

³⁶ Standard Oil was dissolved in 1911 into 34 smaller subsidiary companies such as Chevron, ExxonMobil, Amoco, and Marathon Petroleum.

an alphanumeric number that features over 281 trillion combinations.³⁹

When the Social Security System was created in 1935 under the Roosevelt administration, the federal government assured the American people that the number system would never be used for identification purposes. I signed up for Social Security when I arrived in the United States as an immigrant in 1963. My card specifically stated that it was not to be used for identification. That statement has been removed from the modern cards and the social security number is now the primary way to be identified in the United States.

Deception and lies are to be expected of communistic governments. It's sad that what President Roosevelt promised in 1935 has long been forgotten and this is just one event that tells

³⁹ A MAC (Media Access Control) address, sometimes referred to as a hardware or physical address, is a unique, 12-character alphanumeric attribute that is used to identify individual electronic devices on a network. An example of a MAC address is: 00-B0-D0-63-C2-26.

us that the federal government cannot be trusted. We shouldn't be surprised because governments constantly lie and deceive their citizens.

All major nations today have a numbering system for their citizens. It is impossible to open a bank account, purchase a car, or buy a home without an identification number. Likewise, to get a loan or apply for a credit card requires an identification number. If you are sick and end up in the hospital, the first thing they will ask for is for your identification number. The Antichrist ID system is already here.

There is no worship associated with procuring a Social Security card. You don't have to take an oath of loyalty, but without the Social Security number, it is difficult to live in today's society. Cash is still an option, but more and more places are refusing cash. Sweden has seen the use of cash decrease by 90%; most of its banks do not accept cash, nor can you withdraw cash from a bank in Sweden. All commerce there is carried out with debit and credit cards.

IBM TABULATION MACHINES

When Jesus told the apostle John to write down the revelation that would become the Book of Revelation, electricity was an unknown quantity. There were no electronic devices in existence. It wasn't until mankind discovered how to harness electricity and use it in different devices that some kind of numbering system could become mechanized. Once mankind learned how to manufacture electric motors, it did not take long before a mechanical counting system came into being.

Inventions usually come about as result of people working on a project and realizing they need to invent some kind of tool or machine to help them. Herman Hollerith was one such man. He started

working for the U.S. Census Bureau in 1879. As the population grew in America, it became more and more cumbersome for census workers to count everything by hand. He envisioned a machine that would sort some kind of punch card and this way of tabulating would be faster and more efficient. He invented such a machine and took out a patent on it in 1884. He knew his system could count people and inventory, but it could also be used to analyze the data. He leased his equipment to the federal government for the 1890 census. In time the International Business Machine corporation (IBM) was founded and its tabulating machines dominated the world market until the advent of computers around 1960. Without the IBM tabulators, the Nazi regime in Germany would never have been able to systematically arrest and kill a large portion of the Jewish population in Europe.⁴⁰

UFO CRASH IN ROSWELL

Lucifer and the Jewish world government used the IBM tabulating machines to their maximum potential, but they were not sophisticated enough to support a global economic control system. The Devil and his fallen angels have advanced technology that has been used for thousands of years. The most visible being their unidentified flying objects (UFO). Satan decided that in order to upgrade the technology of the human race, he would allow a UFO to end up in the hands of mankind. This led to the UFO crash in Roswell, New Mexico in 1947.⁴¹

The army was in charge of the craft and reverse engineering began on the recovered parts of the spacecraft. It was discovered that the UFO had no engine, it was flown with electromagnetic power. Devices found aboard the became the precursors for today's integrated circuit chips, fiber optics, lasers, night-vision equipment, super-tenacity

fibers (i.e. Kevlar), psychotronic devices that can translate human thoughts into signals to control machinery, aircraft technology, and particle-beam devices.⁴²

The army secretly commissioned American laboratories to reverse engineer the technology. By the early 1950's, the transistor came on the market to replace the vacuum tubes. It took some time for engineers to develop microchips, but by the 1970's they were being used in computers.

The technology began to take off exponentially and in the late 1980's personal computers became available for consumers. This was followed by the development of the internet. Cell phones came on the market in the 1990's and thirty years later they had evolved to compact and energy efficient touch screens with the ability to multitask and shoot pictures and videos.

China is a communist nation that has developed a controlled society where people are forced to have their faces scanned so that millions of cameras in the cities, airports and railroad station can use facial recognition software to scan a crowd and find a specific person. They are using artificial intelligence to enhance their control system.

SUPRESSING THE TRUTH

All the governments of the world have downplayed the existence of UFOs even though millions of people have seen them, including commercial and military pilots. The American government descended like vultures upon the city of Roswell and military police went from home to home to threaten people not to talk about what

they had seen or heard or they would be arrested. The police and fire departments were instructed not to talk. Military personnel at the army/air force base in Roswell were sworn to silence. The local radio and newspaper were directed not to tell what they had seen or heard and only publish "news" from the federal government. The official byline was that no UFO had crashed. It was merely a high-altitude weather balloon that had come down. Fear fell on the local people as they discovered some people had been picked up by military police and never heard from again.

WHY IS UFO INFORMATION SUPRESSED?

The major reason is that if the American government admitted that UFOs are real, and that they do not originate from other nations, but from an unknown source from outer space, it could create a worldwide panic. Governments would have to admit that they are not in control and cannot protect people from whatever is out there.

It would also affect the Christian community. Most denominations in America do not believe that there is a

literal Devil and they ignore the fact that the Bible tells us that angels do exist. Lucifer, also known as Satan, was created before the physical universe came into existence. The Bible also tells us that Lucifer reigned on the earth before Adam and Eve were created and he fomented a rebellion against God that led to a massive space war which affected the entire creation. He lost the war, was captured with his fallen angels, and subsequently tried for his rebellion. Lucifer and his fallen angels are now confined to the earth and they are actively fighting

⁴² Torell, John; *The Hidden Technology Transfer of 1947 – Parts 1-3*, November-December 2004 Newsletter, January-February 2005 Newsletter, March-April 2005 Newsletter

against the human race that is created in the image of God.

If governments do acknowledge that UFOs are real and Christian pastors would actually preach the truth from the Bible, it would require the governments of the world to change their policies and admit there is evil on earth because the spirit world is real, there is a God, there is a Devil, and Jesus came down from heaven to deal with the sins of the human race and defeat the Devil 2,000 years ago when the Son of God was crucified.

This kind of truth would make it impossible for Lucifer to work secretly to establish his global federation under the Antichrist and the false prophet. It would pull the rug from under the Jewish world government that has been working on this project for more than five thousand years, passing it on from generation to generation.

Thus, we can conclude that all governments are lying and no denominational Christian pastor would dare to speak about this topic. There is a Christian remnant that has understood what took place in 1947 with the technology transfer, but the majority of the people on earth will not discover the truth until the reign of the Antichrist.

WORLD GOVERNMENT STRUCTURE

God spoke about 550 B.C. through the prophet Daniel that in the last days of history there would be a dictator ruling a world federation.⁴³ This was confirmed by Jesus who declared what Daniel had said was true concerning the abomination of desolation and provided details about the great tribulation.⁴⁴ The apostle Paul provided more insight about this world ruler and how this “Wicked Man, the Son of Perdition,” shall not only rule the world, but will deceive the people on a scale that has never seen before.⁴⁵ It is the risen

Christ in 90 A.D. who showed the apostle John an amazing revelation which became the last book of the Bible. We are given chilling details of this kingdom of darkness and how it will control all business on the earth by introducing a mark of loyalty.⁴⁶

THE SHOCKING TRUTH

The arrival of this world ruler is imminent. Jesus calls this time the “beginning of sorrows.”⁴⁷ There must be preparation before this global dictator can enter the scene. This groundwork has been taking place since the time of Noah’s flood. This work does not originate with any human being, but by Lucifer and his minions (fallen angels, evil spirits, demons). The Bible has another name for this global dictator – the Antichrist.⁴⁸ The kingdom of the Antichrist will be a strong spiritual kingdom as well as a political kingdom. The people enlisted by the Devil are empowered with strong occult powers that are not natural.⁴⁹ No human being can resist this coming kingdom except through the power of Jesus Christ. It is God who has been holding Lucifer back through the centuries, but the day will come when the hand of God is removed and Satan will finally come forth in full power.⁵⁰ This Luciferian kingdom will not simply emerge overnight. It is like a cancerous tumor, and when it is too large to hide, it will burst forth to create a worldwide crisis and people around the earth will stupidly demand a solution from the originator of the predicament.

Pastor Kjell Sjoberg said the following before he
was silenced:

*“The people of Israel have given
the world the greatest blessing
there is, **JESUS CHRIST,**
THE SON OF GOD! But they
are also going to give us the most
evil gift ever seen, **THE
ANTICHRIST.**”*

This truth sends trembles of fear into most
Christian leaders. They know it is truth, but it so
hazardous that it will certainly cost them their job,
and in the future – their life! It will be Jewish men
and women who will staff the Antichrist system.

ONE NATION AND ONE CITY

There is only one nation and one city that matters
to Satan. That nation is Israel and the city is
Jerusalem. If you understand this reality, then all
political developments of the world will make
sense. The focus of the Devil has always been to
secure the nation of Israel for his kingdom and to
make sure it becomes the dominating leader
among the nations. Once this has been
accomplished, Lucifer will make his final move to
reveal his global dictator and enforce his rule over
the earth.⁵²

Satan has no love for the people of Israel. He
passionately hates them since they were used by
God to incarnate Jesus – the King of kings and
Lord of lords –and defeat him at the cross. The
Devil has no choice but to use them and pretend
that he loves them in order to deceive the nations

of the earth. However, once Lucifer is done with
the Jews and the Antichrist is firmly in power,
Satan is going to turn on the remaining Jews,
including the ones in leadership. The Bible calls
this Jacob’s Trouble.⁵³ Jesus told the apostle John
the same thing.⁵⁴

SETUP OF THE WORLD GOVERNMENT

What is the structure of this shadowy world
government? At the top is a council of thirteen and
one of its members will eventually become the
Antichrist. Below the council of thirteen is a
council of thirty-three. I do not know who these
men are and their identity remains hidden for the
time being. The next ruling group is known to
people who read the Jewish periodicals because it
is the World Jewish Congress (WJC), founded in
1936.

Edgar M. Bronfman the “whiskey king” served as
the president of the WJC from 1979-2007. He
would later be succeeded by Ronald S. Lauder of
the Estee Lauder Corporation. Bronfman was the
chairman for the family business from 1971 to
1989. Seagram Ltd. is the world’s largest distiller
of alcoholic drinks with sales in Europe, North and
South America, East Asia and Africa. Seagram’s is
now run by Edgar M. Bronfman Jr. who has added
MCA Inc., Walt Disney Inc. and the American ABC
television and radio network to their portfolio. It
was the senior Bronfman that broke the back of
the Swiss banking system in 1998 using the power
of his office as president of the World Jewish
Congress.

The WJC has a number of different memberships.
Any Jew can be a member, but they have no voting
rights. It also has an executive branch with a
governing board and a full-time staff of specialists,
including attorneys. The president has a select
group of 300 men who actually make up the
voting block of this organization. This is not a

⁵¹ Daniel 11:36-39

⁵² 2 Thessalonians 2:3-4

⁵³ Jeremiah 30:7

⁵⁴ Revelation 17:12-18

democratically run organization by any stretch of the imagination as the 300 men can only vote to approve matters that have already been decided by the higher councils. They are a rubber stamp congress functioning like the lawmakers did in the Soviet Union.

When the president of the World Jewish Congress calls upon any head of state, he will always gain access. There are no rulers that ignore his words. Everyone listens and obediently does what he says.

The problem Bill Clinton faced was the fact that the World Jewish Congress was not happy with the Prime Minister Benjamin Netanyahu. In the fall of 1997, Bronfman told President Clinton to reign in Netanyahu and force him to settle with the Palestinians in order to secure the region from war. Netanyahu became very angry because he was aligned with the hardliners in Israel. Jewish aides in the White House who were loyal to Netanyahu tipped off Paula Jones's lawyers that Bill Clinton was having a fling with Monica Lewinsky – who is Jewish by the way. By weakening Clinton, Netanyahu hoped to force him to back down.

The World Jewish Congress rules the rest of the world through its subsidiaries:

- ❖ American Jewish Congress
- ❖ Canadian Jewish Congress
- ❖ European Jewish Congress
- ❖ Latin American Jewish Congress
- ❖ African Jewish Congress
- ❖ A special branch responsible for the State of Israel.

All the world's intelligence services have been penetrated and compromised by special agents from the World Jewish Congress in order to enforce its policies. Thus, the American CIA, British MI6, Russian FIS, German FIS, French

DGSE, and even the Israeli Mossad are not loyal to their respective nations, but work for the world government. This takeover dates back to the era of the Rothschild dynasty during the 19th century.

It would be a disaster for the Jewish world government if the public knew this was going on so another layer of organizations was formed to be staffed by Jews and Gentiles. This is where various groups that discerning readers will immediately recognize fit into a seemingly random but intricate puzzle.

- ❖ Bilderbergers
- ❖ Trilateral Commission
- ❖ World Council of Churches
- ❖ Freemasonry orders
- ❖ False religions like the Mormons, Jehovah's Witnesses, Unification Church, etc.
- ❖ New Age groups
- ❖ Civic organizations like the Lions Club

It is in these organizations that the day-to-day activities of the world government are carried out by Gentiles who have no idea they are merely puppets for a hidden world government.

No one seeking a higher political office can be elected unless he first has been cleared by a regional Jewish congress. Regardless of party affiliation, no man or woman can successfully run for an office unless they have first been involved with some kind of a power group and received their endorsement. Very few are elected on principles alone.

THAT CAN'T BE TRUE!

The shadowy world government has done its homework well. Christian seminaries and Bible schools were infiltrated toward the end of the last century. Students are taught the Jews are God's chosen people, who He is gathering up and

bringing back to Israel. Thus, every Christian is groomed to be a Christian Zionist.

*God has a SPECIAL PLAN
FOR THE JEWS; we do not
need to bring them to Christ, all
we need to do is to help them
rebuild the nation of Israel and
watch them rebuild the temple.*

This lie has been repeated for almost 100 years. We have been coached that the Bible tells us to bless the Jews, or we will be cursed by God. The fact that this statement is not found in the Bible is irrelevant. The lie has been repeated for so long that people think it is gospel truth.

Pastors graduating from seminaries and Bible schools have studied the history of Israel from its inception until the time of Christ. However, this is where the education stops. There is no further teaching on what happened to the Jews from the book of Acts until 1948.

1. Where did they go?
2. What do they believe?
3. What does their religion teach?

This is unknown territory for a large number of Christian leaders. Since the leaders are ignorant, so are the rank-and-file church members. Thus, if you are going to be honest, unless you have been doing some studying on your own, you have no knowledge of Jewish history during that time period. The average Christian doesn't know anything about the Talmud or the Kabbalah. This is the point where I was until God instructed me to

begin digging out the facts. Where did I go to find information? I started with Jewish material, and to my surprise, I discovered the Jews in America have their own daily press with a number of papers. They also have several weekly and monthly periodicals, including their own publishing houses, and a large number of books written by Jews for Jews. While at seminary, I was hired by a Jew whose father had been a rabbi. I was given a number of history books by this man. They were written in English and I gave most of them to the seminary library. However, there was one book that I kept because it covered the years from the time of Christ until to 1948.⁵⁵

Without knowing it, Christians are protecting and promoting the coming kingdom of the Antichrist. They erroneously believe that they are doing God's will on the earth. Only the Devil could be so clever to dupe the Christians into supporting his program. Thus, any man of God who stands up and tells the truth will be vilified by the Christians, going so far as to label him "anti-Semitic!" You owe it to yourself to search out the truth; it's out there, but you have to exercise discernment.

MENTALITY OF JEWISH PEOPLE

It does not matter how long a Jewish family has lived in a nation; they never fully assimilate like Gentiles. I emigrated to the United States in the early 1960s and applied to become a citizen five years later. I was born a Swede, but I am an American by choice, having renounced all ties and allegiance to my native country. This is now where I live and work. But Jews don't think that way; their allegiance is always to Judaism, then to the political State of Israel, and as long as the nation in which they reside does not interfere with the first two points, they will support that respective nation. This is why the Jewish people have been able to survive as a people for more than 2,000

⁵⁵ Grayzel, Solomon; *The History of the Jews*, The Jewish Publication Society of America, Philadelphia, 1948

years without their own country. They have their own language in Yiddish, but now it has been augmented by Hebrew. Thus, a Jew living in Germany can easily speak to another Jew living in Italy using their own language. This is not true for other immigrant groups. Germans arriving in the United States during the last century retained their ethnic names, but the third generation never learned to speak German and was assimilated by America's language and culture. This is why no German Americans responded to Hitler's call for aid prior to World War II. Instead, these English-speaking German Americans joined the United States military and fought their countrymen in Europe. Jews would never do such a thing even if they lived in a respective nation for hundreds of years. Israel and Judaism always come first.

FRAILTY OF SATAN'S KINGDOM

Lucifer knows very well that the Antichrist system he is building is fragile like a house of cards. By having Jews in key leadership positions, he ensures control of the world, but only as long as the masses of Gentiles don't resist. This puts the Jews in a terrible dilemma. They have to secretly build the structure, but at the same time, they need to keep the world economy going long enough until the trap is ready to be sprung.

The Kingdom of Satan is built upon fear, intimidation, murder, deception, and blackmail. Contrast this with the Kingdom of God which is built upon love. Lucifer's kingdom cannot coexist with light and truth.⁵⁶

THE BIDEN ADMINISTRATION

Every American has witnessed the destruction that has taken place since Joe Biden was sworn in as president. The liberals see the same things that republicans and independents observe, the

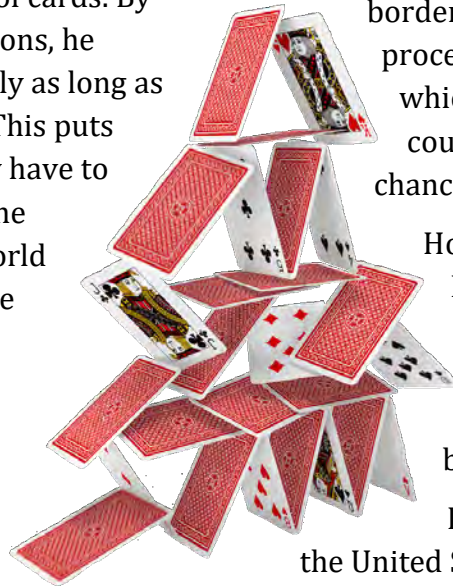

difference is that they are wearing rose colored glasses so that the willful demolition of our nation is being spun as good for America. The first thing he did was to sign an executive order that shut down the Keystone XL Pipeline. He opened the border to Mexico and we have seen millions of illegal aliens' swarm into the United States.

If an American wants to fly throughout the United States, he must have a real ID or a passport, submit to a TSA checkpoint and wear a mask during the fake COVID-19 pandemic. In contrast, the Biden administration flies illegals from the border states and deposits them in every state. They do not possess a valid ID, nor are they checked for COVID-19. They simply receive a free ticket and there is no oversight.

People from 137 nations are pouring into the United States on a daily basis. The Mexican drug cartels smuggle those who can pay across the border. The Border Patrol is tied up processing the flood of illegals caught, which means the cartels can send couriers with drugs with a greater chance of making it across.

Homeland Secretary Alejandro Mayorkas has stated in different interviews that the border to Mexico is secure. That is true if he is referring to the Mexican cartel, the border is definitely secured for them.

During the Trump administration, the United States produced so much oil and natural gas that we were selling our surplus to other nations. However, during the Biden administration, we have reversed course, needing to import oil with Biden begging OPEC to increase its production. The irony is that we are now buying oil from communist Venezuela. Fuel prices

⁵⁶ Torell, John; *How the World Government Is Set Up*, December 1998 Newsletter

have skyrocketed and in some states the price for a gallon of regular gasoline is eight dollars.

Biden and the Democrats just hammered through “The Inflation Reduction Acts of 2022” that will effectively increase inflation by flooding the nation with fiat money and raise taxes on people and corporations. There were a number of unrelated items in the bill that had nothing to do with reducing inflation. One of them adding 87,000 more IRS agents. As of 2019, the IRS employed 74,450 persons. Biden and his cronies are doubling the number of IRS employees. According to democratic politicians, the additional agents will give the IRS the ability to audit more of the general population and increase tax revenue. Biden is weaponizing the IRS to do his bidding. The current timeline for an IRS audit is two years; it causes a lot of stress and anxiety for those being harassed by the IRS and cost money as well to hire a good lawyer.

The Biden administration has run this nation into the ground, tanking the economy, with inflation at an all-time high. The cost of fuel and food prices means that the average American is going to have to cut back on spending while the poor will depend on charities and food banks.

WHY HURT THE AMERICAN PEOPLE?

Why is the Biden administration hurting the American people? The Democratic Party has been taken over by Senator Bernie Sanders and a group of left-wing socialists. Most people don’t know that Sanders is a Jewish hardcore Marxist and a secret Kabbalist. He wants to make people sin as much as possible and prepare the world for the future Jewish messiah that will rule the world from Jerusalem.

Joe Biden’s dementia makes him an empty suit serving as the token leader of the White House

fumbling through speeches that others write for him. The real president is Ron Klain. He is the most powerful person you have never heard of before. He is the White House chief of staff and happens to be Jewish. Furthermore, there are another 41 American Jews in the Biden administration who hold important policy making positions. Is that anti-Semitic because a Christian pastor said that? Is it okay when the Jews brag about it on their websites and in their publications?⁵⁷ If so, what is the difference? The cold hard truth is that we have a group of Jewish men and women loyal to Judaism and the Kabbalistic doctrine running the United States. They are not nationalistic in putting America first, but globalist in nature, and what you see happening is a direct result of their actions and those of President ~~Klain~~ Biden.

What I have shared with you is the truth, but to secular people and lukewarm Christians, they will classify me as a lunatic, a conspiracy nut, and anti-Semitic. Since the majority of Christian pastors do not believe that the Book of Revelation is to be taken seriously, there is no future Antichrist to them. Their members are following them lock-step and it is impossible to wake them up. The Kabbalistic Jews will deny that they follow the Kabbalah except for those who are members of the Chabad synagogue system. Political leaders do not want to hear what I just have written because it is political suicide for them to accept it.

Thus, America is like a broken-down ship floating on the Niagara River and slowly getting closer and closer to the big fall. It can also be likened to the Titanic, that with full speed ran into the iceberg.

Prayer and fasting is what the Christians must do and to educate the American people to what is happening. Remember this: If we do not take action, history will repeat itself.
