## THE REVELATION OF JESUS CHRIST SERIES

RLJ-813

JOHN S. TORELL

MARCH 24, 2002

### PART 17: THE SEVENTH TRUMPET

## CHAPTER ELEVEN

### VERSE 14

The woes were spoken of in **Revelation 8:13**. The first ended with **Revelation 9:2**; in this verse we are told that the second is finished, and the third one will come shortly.

### VERSES 15-19

The seventh angel sounds his trumpet and it is now proclaimed in heaven that Jesus Christ has taken dominion over all the nations on the earth. This is followed by a great proclamation of the 24 elders seated in the very throne room of God.

## CHAPTER TWELVE

This chapter is an insert of prophecies and historical events, which have taken place or will take place in the future. As a result, they must be separated and looked upon individually in order to understand this chapter.

### VERSES 1-2

The woman can be understood to be two different entities. She can be referred to as the people of Israel, the twelve tribes, who were going to bring the Messiah to the world. Zion is referred to as a daughter in **Jeremiah 4:30-31**.

But we can also see this as a "double" interpretation. In **Genesis 3:15**, we are told that the seed of the woman will bruise the head of the serpent, and in **Isaiah 7:14-15**, we are told that a virgin will conceive and bring forth the Messiah which happens in **Luke 1:26-35**.

### VERSES 3-4

These two verses refer to Lucifer and the holy angels which he deceived and took with him in his rebellion against God. For a complete understanding of the beginning of Satan (The Devil), we must read **Isaiah 14:12-19** and **Ezekiel 28:11-19**.

In these two passages of scripture, we learn that one third of the holy angels believed Lucifer, fell into sin, and were cast out of heaven with Lucifer.

We are also told that the Devil tried to kill the child as soon as it was born. The Devil used King Herod to try to kill the baby Jesus. **Matthew 2:1-8, 12, 16-18**

## **VERSE 5**

This is a short summary of the life of Jesus, He was indeed born by Mary and after His resurrection, He did return to heaven. **Acts 1:9-11**

## **VERSE 6**

Joseph and Mary had to flee to Egypt and stay there until Herod was dead. **Matthew 2:13-15, 19-23**

## **VERSES 7-9**

For the first time in the Bible, man is given information that there was a war in heaven. Jesus tells us in **Luke 10:18** that this has already taken place, and by reading the Old Testament, it is clear that this took place before Adam and Eve were created.

## **VERSE 10**

Only when Satan and his fallen angels were removed from heaven and banished to the earth did peace return to heaven and all its inhabitants.

## **VERSE 11**

This verse is not referring to heaven, but to the earth, and the verse stands all by itself. Compare this with **Luke 14:26-35**

## **VERSE 12**

This verse creates a question that cannot be fully answered at this time. Who lives under the oceans? The Antichrist is coming out of the ocean (**Revelation 13:1**), but the false prophet is coming up out from the earth. What is the difference? The Bible indicates that after the fall of Lucifer and the war in the heavens, God reversed the surface on the earth, the ocean floors became land, and the land became ocean floors. **Psalms 104:1-9**

## **VERSE 13**

The Church of Jesus Christ is called, "The Bride of Christ." **Revelation 19:4-7**

The history of the Christian church is one of death and destruction, beginning with the crucifixion of Jesus.

## **VERSES 14-17**

The Church of Jesus Christ has been at war since its inception and will continue to be so until Jesus comes back. **Ephesians 6:10-18**
