PART 19: THE MARK OF THE BEAST

CHAPTER THIRTEEN

VERSE 10

This is a warning that irregardless if this is the time of the Antichrist, God's laws are still valid and there is judgment from God.

Compare this with **Genesis 9:6; Isaiah 33:1; Jeremiah 15:2; Matthew 26:52**

Knowing that God is still in control should bring comfort to the believer in Christ.
Luke 21:19; Rev.14:12

VERSE 11

This false prophet will be the smoothest religious talker on the earth with great power of deception. He will look like a lamb, but he will speak like the Devil, smooth, cold and deadly.

VERSE 12

This religious leader will display enormous supernatural power and will direct men's worship toward the first beast/man.

VERSE 13

He will go beyond the usual power displays that we see on religious television channels as he will call down fire from the air. Compare this with **Matthew 24:24; 2 Thessalonians 2:1-12; Revelation 16:14**

Beware of false prophets. **Deuteronomy 13:1-5**

VERSE 14

This deception will be very powerful because it will be so close to the real thing. Many gullible Christians will be sucked in on this. Compare this with **1 Timothy 4:1-5; 2 Peter 2:1-3**

VERSE 15

It is possible that the image will consist of two different objects. First the man/beast is going to be shown on global world television, on giant screens at worship centers and also statues which will be able to move and speak. Statues like this are in existence today in various museums. Worship will be mandatory and death will be the sentence for anyone refusing. Compare this with **Daniel 3:1-30**

VERSES 16-17

All financial transactions will be controlled through an identification system that no one can fool. The system will be voluntary, the Devil is not going to force anyone to take his mark. If you don't take the mark, you won't be able to exist in the kingdom of the Devil. There is no middle ground!

God is adamant about this mark of the beast. If you take it, you are toast for the rest of eternity! There will be no mercy, forgiveness, or second chance! Take the mark and you have lost your seat in heaven forever!
Revelation 14:9-13

VERSE 18

The system is identified. The number 666 was the numerical identification for King Solomon. He was the developer of the Cabala that currently controls Judaism and the current World Government. Compare this with **1 Kings 10:14-20** and look at the drawing of King Solomon's throne.
