## *Tracing the Origin of Evil*

### **PURSUING THE ROOT PROBLEM**

Over the last few weeks, I have heard different conservative commentators on television ask about what has changed in America? Why has it become fashionable to embrace the destruction of the core values of our nation? In the last decade, this change has affected national corporations, retail giants, bank corporations, social media, news media, and even found its way into the different military branches where it is now more important to know a person's pronouns rather than be combat ready.

Even worse, evil has flooded every level of the public school system. Children are encouraged to question their sexual orientation and reject sound biology. Teachers are not allowed to inform parents that their child is thinking about medical mutilation, puberty blockers, and sex hormones. A new word has been added to the English language to describe this nonsense. The liberal part of society proudly calls this enlightenment "woke."

### **THE ROOT OF EVIL**

The root to all evil can be found in Lucifer, also known as the Devil, Satan and the Old Serpent. (John 44:1; Revelation 12:9)

After Jesus refurbished the earth, created Adam and Eve, and placed them in the Garden of Eden,

there was nothing but goodness, love, caring and harmony. The Son of God saw that everything He had done was good. The creation of humanity was considered very good. (Genesis 1:31)

Once the Devil successfully tempted Eve to sin, and she in turn encouraged Adam to sin, all goodness was removed from the earth. The ground itself was cursed and it did not take long until Satan influenced Cain to murder his brother.

To expedite sinning among humanity, Lucifer encouraged 200 fallen angels to make physical bodies for themselves and take human women as wives to produce an unholy breed that was unredeemable. This mixed race is described as Nephilim. (Genesis 6:2-4)

Eventually the wickedness became so rampant that Jesus decided to exterminate all people – including the Nephilim – by flooding the planet's surface with water. (Genesis 6:5-13)

Only Noah and his family were spared. (Genesis 6:22)

### **LIFE AFTER THE FLOOD**

Lucifer never gives up and it did not take that many generations after the flood that the offspring of Noah forgot about God. People became demon infested and certain men empowered by Lucifer made themselves into kings and fought one another.

A large number of people came together in the land of Shinar to build a city. The city's name is associated with an infamous tower, whose sole goal was to reach up in the air like a modern skyscraper. If you haven't guessed it, the city's name was Babel. Eventually it became necessary for Jesus to intervene and He took away the common language that was given to Adam and Eve and confounded Babel's inhabitants with a multiplicity of languages. People were divided into language groups and scattered throughout the earth. This is how people ended up on every continent and remote islands. (Genesis 11:1-9)

### **INTRODUCTION OF IDOLATRY**

Fallen angels positioned themselves in the air over the different nations that emerged. Under their command was an untold number of evil spirits (demons, devils). The fallen angels (archons) took spiritual control of each nation and created a special religion with a deity that reflected the archon. (Daniel 10:12-21)

Baal, Moloch, and Ishtar are the most famous of these deity/idols. These false gods were bloodthirsty and required human sacrifice. For the most part, humanity became vicious in their cruelty treatment of each other. This is seen in the incessant wars, enslavement of fellow man, and sacrificing their own children.

### **A DIVINE INTERVENTION**

Some 400 years after Noah's flood, Jesus called Terah to serve Him. This man lived in the city of Ur, which today is in southern Iraq. Terah was a Chaldean, and not only was he an idol worshiper, but he had also built a business of making small statues of the different gods in the area.

Terah was told to take his family and move them to the land of Canaan. Lucifer knew that Jesus was up to something and he convinced Terah to make a pitstop in Haran (northern Syria), but this turned into a permanent stop. (Genesis 11:27-32)

The Bible does not reveal how long Terah stayed in Haran before he died, but as long as Terah was alive, Abram stayed with his father. Jesus told Abram to take his wife and nephew to the land of Canaan and he was 75 years old when they arrived to the "promised land."

Abram was not a poor man. He was actually quite wealthy with a small private army of 318 trained soldiers in addition to the men who were involved with his agricultural operation. All the men were married with children. It is estimated that Abram arrived to the land of Canaan with an entourage of some 1,000 persons.

By the time he arrived in Canaan, Abram had rejected idolatry and started to worship the living God. (Genesis 12: 1-7; 14:14)

## **LORD, TEACH US TO PRAY!**

"AND IT CAME TO PASS, THAT, AS HE WAS PRAYING IN A CERTAIN PLACE, WHEN HE CEASED, ONE OF HIS DISCIPLES SAID UNTO HIM, LORD, **TEACH US TO PRAY**, AS JOHN ALSO TAUGHT HIS DISCIPLES." LUKE 11:1

## **PRAYER TARGET**

Donald Trump is a fallible man. He is resisting the Kabbalistic men and women. Pray for his protection as he battles multiple bogus indictments.

Let's pray that Joe Biden will repent and turn from his wickedness as the leader of the Biden crime family. If he refuses to change and won't be a righteous president, let God remove him from the earth.

Kamala Harris is a licentious woman who has used her sexuality to rise to a position of power. If she won't repent and become a virtuous woman of God, let her be removed from the earth.

Jeffrey Zients is the de facto president while serving as the White House chief of staff. He puts forth policies which benefit his spiritual master, Lucifer, and not the American people. If he won't repent and become a man that serves the Lord, let God remove him from the earth.

The wicked homosexual and transgender lifestyles are to be soundly condemned; as is their agenda of targeting children with the intention of perverting their young minds. Pray that God will open their eyes to the moral perversion they have embraced and that they will repent. Anyone who stubbornly resists the agenda of righteousness and delights in debauchery will have their life shortened and be removed from the earth.
