PART 2: MAINTAINING THE RIGHT ATTITUDE

IT'S NOT ALWAYS EASY

It is not easy to maintain the right attitude when pain is shooting through your body or you see blood coming out of you and it seems like there is no energy left within you. It is in this time of weakness that demons will swarm around you, shooting negative thoughts in your mind that you are dying, there is no hope, and that your life on earth is over. How can we stand in a situation like this?

Let us establish the following foundation, which will be your platform of faith:

- God is always on the throne, Jesus Christ is seated on His right side, and there is no crisis in heaven because God has all things under control. God has a solution for every problem you and I will face. Despite the terrible condition of Job, he placed more faith in God than on his condition. **Job 13:15-18, 19:25-27**
- Regardless how dire a situation might seem, learn to stand in faith knowing that God is aware of everything happening to you. Furthermore, nothing happens without His consent. **Job 1:6-12, 2:1-6**
- Believe that God loves you and cares for you, His plan for your life is good since He has only your best interests in mind. Abraham learned this when God tested him to see if he trusted the Lord completely. **Genesis 22:1-14**
- Jesus tried to teach this concept to the apostles. **Luke 8:22-25**
- The apostle Paul lived this kind of faith. **Acts 27:1-44**

STRONG FAITH IN GOD TAKES AWAY ALL FEAR

- Death was no deterrent for the three Hebrew men. **Daniel 3:1-30**
- Death was not a deterrent for Daniel. **Daniel 6:1-27**
- God chose to let Stephen die. **Acts 7:54-60**
- The apostle Peter was kept alive. **Acts 12:1-19**
- If you want this kind of faith, you have to trust God completely or be washed out! **James 1:1-8**
