PART 4C: VICTORY OR DEFEAT?

WHAT THE WORLD WANTS

Man wants to be in charge and relegate God to the scrap heap of history. This is what the Communists, Liberal socialists, New Agers, and all other humanistic organizations have done and are doing. These are the scoffers that the apostle Peter spoke about. **2 Peter 3:1-4**

The purpose driven churches, emerging churches and all other liberal churches like Robert Schuller's Crystal Cathedral in Southern California have built their outreach program on the concept of catering to the people and to give them what they want. What they are saying is that it is not important to please God but the people. According to their theology, God is happy with receiving whatever people are willing to give him. In doing so, they have made God into a beggar who is happy for whatever crumbs are thrown at him. In return, He will love the people, bless them materially, and give them a wonderful life on this earth while the pastors are leading their flocks on a wild goose chase of saving the world and stopping global warming. **Romans 1:18-32**

WHAT GOD DEMANDS!

God is not interested in man's opinion and He is certainly not running a popularity contest with the Devil to see how many people are willing to "vote for Him." God did not bargain with Adam and Eve when they were found guilty of sinning and were driven out from the Garden of Eden. **Genesis 3:9-24**

God is sovereign; He is the Creator and the sole owner of the entire creation. Isaiah 45:21-23; 46:9-11; Philippians 2:5-11

God is completely holy and the laws He gave the nation of Israel were not suggestions. **Exodus 20:1-17**

MAN MUST COME TO GOD ON HIS CONDITIONS, THERE IS NO OTHER WAY! John 14:6; Romans 3:10-28

The true Church of Jesus cannot cheapen the Gospel and cater to the people and culture where they reside. Nations and cultures change all the time but the Word of God never will change regardless what people think. **Matthew 5:17-19**

THE STORM IS HERE

As believers in Christ we must understand and accept the fact that God has sent a great judgment on the people in the World. From the time the Israelites entered into the Promised Land, God used heathen nations to punish Israel for her many sins. The Old Testament repeatedly tells us how much Israel suffered at the hand

of pagan nations like the Philistines, Assyrians, Babylonians, Greeks and the Romans.

For the last 300 years the Devil has worked through renegade Jews to build up a global financial empire. Never in the history of man has every nation in the world been tied into global trading, banking and even politics through the United Nations.

Today there is a World Bank, a World Court and national stock markets which are all tied together. Commodity trading in precious metals, diamonds, oil, cattle, grain, etc. is all tied in via global trade agreements.

The American dollar is the current global currency.

Since the end of the Second World War, prosperity has increased in the West and in some of the other industrial nations like China and India. However, the so-called third world nations have descended into a steeper decline with their people living in poverty and starving to death.

Satan cannot control the nations of the world unless he creates such a chaos that people will clamor for a STRONG MAN to come and rescue them. That man is known in the Bible as the "Antichrist" or the "Son of Perdition."

The Devil and the people serving him have wrecked the global economy and are in the process of plunging the rich nations in the World into a financial meltdown where the masses will be unemployed. There won't be any more talk about living a life of luxury but just having food and shelter.

God spoke to Israel some 2,763 years ago through his prophet Amos, who gave the following warning to the king of Israel and the people. This warning speaks to the conditions existing in the world today and we should heed this warning.
Amos 3:1-15

CAN THERE BE A POSTPONEMENT OF THIS JUDGMENT ALREADY IN PROGRESS?

According to the Bible the answer is yes. But this delay of judgment is completely dependent upon God's people, not the unbelievers! If we are willing to turn from our sins, there will be revival and a postponement of this judgment. **2 Chronicles 7:12-15**

If believers in Christ fail to rally, there can still be personal victory for those who are willing to obey God and live a holy life. God can make a difference in the world between His people and those who are not walking with Him. **Exodus 11:1-7**

VICTORY IS FAITH IN GOD

Faith in God! Faith in God! Faith in God! Faith is an attitude! You need to decide that you are going to believe God, and once you do this, you have made the decision to have victory in your life. **Hebrews 11:6**

THE FUTURE OF THIS MINISTRY IS TO UPHOLD THE WORD OF GOD AS FOUND IN THE KING JAMES BIBLE AND TO PRESENT THE GOOD NEWS THAT JESUS SAVES THOSE WHO ARE WILLING TO REPENT AND TURN FROM THEIR WICKED WAYS! 1 Corinthians 1:17-31

Remember, it's not so important how you begin your life after salvation, but how you finish it!
