## DECEPTION IN THE END TIMES

### PART 16: JESUS OR THE ANTICHRIST?

As the Antichrist and his world kingdom come closer, people will be forced to choose between the Jesus of the New Testament or the charismatic messiah that Satan will present to the world. **Revelation 14:9-13**

### THE ANTICHRIST'S THREE-LEGGED PLATFORM

The presentation of the Antichrist will rest upon a platform with three legs:

1. The Antichrist is going to be the messiah of all nations and reject the God of Abraham, Isaac and Jacob; instead, he will worship the god of forces and accept the worship of all people regardless of their religious background. Biblical morals will be done away with, and as a homosexual, he will give freedom to all people to live out their sexual desires without stigma. **Daniel 11:36-39**
2. The Antichrist will establish Jerusalem as the capital of the World Federation. He will tell everyone that he wants to rule from a neutral city located in the center of all nations. Thus no nation will feel threatened since the old centers of Beijing, Moscow, Berlin, Rome, Paris, London and New York will no longer have any political and economical influence. English will be the official language of this new World Federation since it has been used in international politics and business affairs since the 20<sup>th</sup> century. **Revelation 11:1-13**
3. The Antichrist will reform the financial system of the world, doing away with all national currencies and institute a world currency. All financial transactions will be carried out electronically. There won't be a need to file income tax returns since the world will have a unified tax code and taxes will be automatically taken out as wages are paid electronically. Businessmen will not be able to cheat since all payments will be made electronically and monitored by the government. There will be no cash tipping in restaurants and these too will be carried out electronically. Cash as we know it will no longer exist. There will be no trading in commodities and all pricing will be regulated by the government. Private ownership of oil, timber, mines, farms, fishing and food processing will be discontinued and taken over by the government. **Revelation 13:11-18**

### A TOTALITARIAN STATE

Life under the rule of the Antichrist is going to be a totalitarian state like never seen before. Once it is in place, there will be no escaping it. Jesus gave us insight in Revelation 13:18 when He stated that the number of the beast is a number of a man, who will have a system behind him. The number 666 is a Kabbalistic number that originally belonged to King Solomon. After his death, the number came to represent the Kabbalistic system that was built up inside Israel.

## **BUILDING THE KABBALISTIC SYSTEM**

As I have stated in previous sermons and also in the Kabbalah book series<sup>1</sup>, the driving spiritual force behind this system is the Devil and a large number of fallen angels, who have been assigned to this project, which incidentally will be the last attack he musters in this world before the return of Jesus.

At the time of the crucifixion, the Devil had the Jewish leadership under his command which included the High Priest Annas, Caiaphas, John and Alexander and the rest of this family, the Jewish rulers in Jerusalem and the leadership of the Scribes and Pharisees. **Acts 4:5-14, 17, 19-21**

According to Rabbi Grayzel, the Jewish population at the time of Christ was around 5.7 million. There were 2.5 million Jews living in Judea, Samaria and Galilee, 1 million lived in Babylon, 1 million lived in Egypt, 1 million lived in Asia Minor and Antioch, one hundred thousand lived in the province of Cyrene (now known as Libya) and another hundred thousand lived in Italy.<sup>2</sup>

## **THE REBELLION IN A.D. 66**

Anger against the Roman occupation of Israel boiled over in 66 A.D. as the Kabbalistic Jewish leadership instigated a rebellion and drove the Romans out of Jerusalem. Four years later a large Roman army under the command of Titus had cleared the land of Israel of all resistance and taken Jerusalem. Hundreds of thousands of Jews were killed during the fighting and just as many were sold into slavery and ended up on the auction blocks in Rome and other cities.

The large number of Jewish people living outside Israel refused to get involved in this rebellion against Rome.

## **CONVERSION TO JUDAISM**

It is interesting to note that the Jewish leadership at the time of Christ rejected the Samaritans and regarded them as unclean, because they were mixed with pagan Gentiles.<sup>3</sup> They had returned to worship the God of Abraham, Isaac and Jacob but the Jewish leadership forbade them from coming and worshiping at the temple in Jerusalem. **John 4:9**

Over the centuries the Samaritans evolved into a group of people who today are called Palestinians and it is easy to see that the hatred between Jews and Samaritans has never stopped.

For a long time since a portion of the Jews had returned from the captivity in Babylon, the Jewish leadership had been engaged in the conversion of Gentiles to Judaism and were counted as Jews. **Matthew 23:15**

<sup>2</sup> Solomon Grayzel, A HISTORY OF THE JEWS, Jewish Publication Society of America, Philadelphia, Pennsylvania, 1948, p.138

<sup>3</sup> The northern Kingdom of Israel was conquered by Assyria in 722 B.C. and most of the ten tribes were carried off into captivity where they intermarried with Gentiles. Thousands of the descendents of the ten tribes had come back into the land by the time of Christ and settled into the section between Galilee and Judah, which became known as Samaria.

There was a small kingdom of Adiabene, located in modern day northern Iraq. Late in the first century before Christ, King Izates I, his wife Helena and a large portion of their people converted to Judaism. Even though they were not blood descendants of Abraham, the Jewish leadership still counted them as bonafide Jews. Thus we can see the Kabbalistic leadership working hard to swell the ranks of Jewish people in order to gain military and political power. This recruitment of Gentiles culminated in 70 A.D. when King Bulan of Khazaria converted to Judaism together with his nation and swelled the Jewish ranks with the addition of some 1.4 million Gentiles.

During the last 2,000 years, a large number of Gentiles have converted to Judaism and their descendants are now considered Jewish even though they are not blood descendants of Abraham. Ironically, the Jewish leadership down through the centuries have stated that these converted Gentiles have the right to claim the land of Israel as their inheritance.

## **JEWISH REBELLION OUTSIDE PALESTINE**

The Jewish leadership started a revolt against the Romans in Cyprus, Egypt and Cyrene in 115 A.D. and experienced initial success. Emperor Trajan was at war in Parthia (the old Persian Empire) and there were not enough Roman soldiers to put down the rebellion. Trajan knew that he had to defeat the Jews and sent General Turbo with fresh troops and it did not take long until the revolt was suppressed. The Romans, along with the pagan population, took bloody revenge and killed every Jew in Cyprus; in Egypt and Cyrene there was also a great slaughter of Jewish people.

## **THE SECOND JUDEAN REVOLT AGAINST ROME**

Some 60 years after the destruction of the Jewish temple in Jerusalem, Emperor Trajan promised to rebuild Jerusalem but there was fierce opposition from the Samaritans and other Gentiles living in Palestine and Jerusalem was never rebuilt. Rabbi Akiba ben Joseph and Simeon Bar Kochba were two key Kabbalistic leaders in Jerusalem. It had been decided to try once again to push the Romans out of Palestine and set up a new Jewish state. The revolt lasted from 132-135 A.D. when the Romans defeated the Jewish army. According to Rabbi Grayzel, 580,000 Jewish soldiers were killed in the battles and once again large scores of Jewish men and women ended up on the Roman slave markets.

## **SATAN MOVES UNDERGROUND**

The Jewish leadership rejected the Messiah that God had sent to Israel, and during a time period of 65 years, Satan deceived the Jewish people into believing in a serpent messiah that was still to come and they were more than willing to sacrifice their lives while they waited for him to arrive. More than two million Jews were killed during this time and the land of Palestine was cleared of any surviving Jews, who were driven out of the land. This was not the first time that God judged the people of Israel for their rebellion against Him. **Matthew 23:33-39; Deuteronomy 28:62-68**

When we look back in history and trace the steps of Satan, it becomes clear the Devil made a decision after the last defeat that in order to establish his messiah, he had to position the Jewish people in leadership position of nations around the world.

A political leader, whether he is an emperor, king or president cannot go to war unless he has three things at his disposal:

1. Soldiers
2. Food for his army
3. Finances to pay his soldiers and suppliers of war material.

Money will buy soldiers and food, therefore, Satan concentrated on positioning his Kabbalistic leadership in the world's finances, namely banking and trading.

With a fierce loyalty to Judaism, he was able to have Jewish bankers and traders communicate and network with each other under the same religion, language and traditions.

With the conversion of King Bulan in 750 A.D., Satan was able to swell the ranks of Judaism with more than a million people. Not only were the Khazars fierce fighters, they were also skilled in banking and trade.

## **SECRET SOCIETIES**

In order to carry out his political and financial control on the earth, Satan developed secret societies which operated across national boundaries. Gentile aristocrats and wealthy families were the recruiting ground for these societies and one of the first to be developed in 1119 A.D. with great political and financial impact was "The Poor Fellow-Soldiers of Christ and of the Temple of Solomon," commonly known as "Knights Templar."

Within a short time, the Templar's dominated all governments in Western Europe and King Phillip IV of France realized that unless the organization was destroyed, the Knights Templar would take over all nations in Europe. Phillip aligned himself with Pope Clement V and in 1314 his forces attacked the order, tortured and burned its leader, Jacques de Molay, and killing thousands of Templar's.

The surviving Templar's never forgot and 475 years later had their revenge during the French Revolution when the French King and his entire family were butchered.

## **THE FUGGER FAMILY**

In 1367 Satan moved upon the Jewish Kabbalistic leadership and chose a German man by the name of Hans Fugger to build a financial dynasty. He was given the finances to develop a textile business and later branched out with gold trading and mining.

The Fugger family had extended themselves into a number of European nations, and in the late 1400's, they were given the administration of collecting and

transfer of money from the sale of indulgencies in the Roman Catholic Churches.<sup>4</sup>

From 1508 to 1515, the Fugger family leased the Roman Mint and thus controlled the entire economy of the Roman Catholic Church.

From 1500 to 1546, the Fugger family dominated every king in Europe. They financed the Spanish colonization in South America and obtained mining rights in Peru and Chile. The Fugger family empire faded from power in 1546 through financial mismanagement and the custom of splitting the fortune amongst their children.

## **THE KABBALAH MOVES BACK TO PALESTINE**

In 1492 the King of Spain expelled all Jews from Spain, and as a result, the Kabbalistic center moved to Palestine, where Spanish and Portuguese Jews settled in the city of Safed in Galilee. Jews from North Africa and Europe had previously settled in Jerusalem, but the two groups did not get along.

The leader in Safed was Jacob Berab and in 1540 he ordained himself and a number of men as rabbis in order to form a Sanhedrin, which was a council and court consisting of 23 men found in every Jewish town.

In 1534, Isaac Ben-Solomon Luria was born to a German Jewish family in Jerusalem. After being educated in Egypt, he spent time in Jerusalem as a rabbi, and then spent his last three years in Safed where he developed the Kabbalah into a stronger form of occultism. Luria presented himself as a messiah and was a forerunner to the final messiah (Antichrist) that would rule the whole world.

The two major Jewish centers in the world at that time were in Holland and Poland.

## **SABBATAI SEVI**

Sabbatai Sevi (1626-1676) was a Kabbalistic rabbi from Palestine who gained a large following when he announced he was the awaited Jewish messiah in 1666. The majority of Jews at the time accepted him as the messiah. When he was arrested by the Turkish government, he was given a choice of converting to Islam or execution. He converted to Islam, and his prophet, Nathan of Gaza, explained that by committing this sin, Sabbatai had paid for the sins of all Jews. In order to serve God, Kabbalistic Jews were told they should convert to the religion of the nation in which they reside. Many Jews followed his appeal, and in many nations officially Jews ceased to exist as they became known as Crypto Jews. In order to redeem themselves, they were required to renounce the pagan religion on their death bed and proclaim themselves as Jews.

---

<sup>4</sup> The papal system had instituted a practice that members of the Roman Catholic Church could pay money to the church and obtain forgiveness for their sins. The church had a list of sins and the cost to be forgiven; the worse the sin was, the more it cost to be forgiven. Instead of repenting and turning away from their sins, people simply gave money to the church and then went out to commit them again, It was a cycle that repeated itself and became a financial enterprise that filled the church coffers with money and was used by the pope and his cronies to live a lavish lifestyle.

## **JACOB FRANK**

Jacob Frank (1726-1791) was a Polish Jew and a follower of Sabbatai Sevi. He converted to the Roman Catholic Faith in order to commit apostasy, and in 1751 at 25 years of age, he declared that he was an incarnation of Sevi and the new messiah. Satan used Frank to further develop the hellish teaching of the Kabbalah, that a hundred years later became the doctrine of Communism, Nazism and Fascism.

## **A FINAL BANKING EMPIRE**

The embryo of a world government was now in place and the next step was to capture the financial market of the world. The job was given to a Kabbalistic Jew in Frankfurt, Germany by the name of Meyer Amschel. His name was eventually changed to Rothschild, and like Hans Fugger, he was furnished with money to start a banking system that in 2013 exerts control over all the world's finances. He started his banking business in 1764 and by 1800 he and his five sons ruled over every king in Europe. Even Napoleon Bonaparte had to bow his knees to the Rothschild family.

## **ADAM WEISHAUPT**

In 1770 another Kabbalistic Jew from the Frankfurt area was activated to foment the political movement that would destroy the structure of all nations. His name was Adam Weishaupt, and in a few years he had built up his secret order called the Illuminati. The first assignment given to Weishaupt was to organize and carry out the French Revolution in 1789.

## **THE ILLUMINATI WRITERS**

The Kabbalistic leadership accelerated the speed of their program during the 19<sup>th</sup> century as a group of writers were activated to foment unrest, revolutions and the destruction of morality. The most well known was Karl Marx, who together with Friedrich Engels, wrote the Communist Manifesto and other inflammatory documents, which were the doctrine for bloody revolutions in the 20<sup>th</sup> century.

## **THEODORE HERZL**

Theodore Herzl was a Hungarian born Jew that was selected by the Jewish leadership to be the prime mover of the Zionist movement. His job was to accelerate the immigration of Jews to Palestine and the foundation for the future political state of Israel. Herzl convened the first Zionist Congress in 1897, held in Basel, Switzerland. The Jewish populations in Germany, Holland, France, England and the United States opposed the Zionist movement, and from 1897 to 1945, it was an Eastern European Jewish movement. It took the holocaust during World War II to unite the support from most Jews for the Zionist movement.

## **WARS AND REVOLUTIONS**

It was in the 20<sup>th</sup> century that Satan was able to completely destroy the old world system through some devastating wars and revolutions.

World War I lasted from 1914-1918. The 37 million killed were soldiers and civilians.

The Communist takeover of Russia took place in 1917. The new régime murdered 20 million Russians and Ukrainians.

The 1919 peace conference took place in Paris when the Ottoman Empire was broken up and Palestine given as a mandate to England. A mass immigration of Eastern European Jews began once the British took over Palestine.

World War II lasted from 1939-1945. The death toll of 60 million soldiers and civilians was almost double the number killed in WWI.

The Jewish leadership took over Palestine in 1948 with military force and declared the existence of a new political state of Israel. Without the wars and revolutions it would have been impossible to create the state of Israel and Satan sacrificed more than 117 million people to this end.

In 1949 the Communist butchers swept over China, and in order to solidify its hold on the Chinese people, more than 80 million Chinese have been murdered since 1949.

The Korean War lasted from 1950-1953 and saw another 1.2 million people being killed.

The Vietnam War was a lengthy conflict that lasted from 1945-1975 with a death toll of 4 million.

The two Iraq Wars: Desert Storm in 1990-1991 had an estimated death toll 40,000 and the Invasion of Iraq in 2003-present has an estimated death toll of 1 million.

The Afghan war is currently ongoing; there have been wars in many nations in Africa and South America, including the invasion of Panama and Grenada.

Satan has likely slaughtered more human beings in the last 115 years than all of history combined. This is just an introduction to the killings that he has planned during the reign of the Antichrist.

## **SUMMARY**

Satan will push his Jewish messiah with all the power he can muster and have the people on earth accept him as their messiah. **Revelation 13:4-9**

The Jewish leadership in Jerusalem did not tolerate the apostles of Jesus during the days of the early church. The demons inhabiting these men 2,000 years ago will also inhabit these future leaders. Should we expect them to behave any differently during the reign of the Antichrist? **Acts 5:15-33**

Whom will you choose: Jesus or the Antichrist? **Matthew 10:28-33**
