PART 2: HOW TO BE SET FREE

WHAT HAS GOD SPOKEN ON HOMOSEXUALITY?

If people who murder and commit sexual deviations were simply born that way, God would not pronounce a judgment on them. He would treat them just like mentally sick people are treated in the Western world; they are not held accountable for their crimes and are incarcerated in mental institutions.

When Satan tempted Eve to sin, she had a choice not to sin. She exercised her free will and deliberately made the choice to disobey God. **Genesis 3:6**

Adam did not have to sin, but he chose to obey his wife instead of God. **Genesis 3:12**

Job chose not to curse God. **Job 1:20-22**

King David did not have to sin when Satan tempted him with Bathsheba; nevertheless, he allowed his sinful desire to overpower better judgment. **2 Samuel 11:1-4**

Judas Iscariot did not have to sin and betray Jesus, but he made the choice to obey Satan. **Luke 22:1-6**

God has a spiritual law which places a limitation on what Satan and his fallen angels can do with mankind. They cannot tempt a person above what they are able to bear and God has created an escape route for every human being. **1 Corinthians 10:13**

God has issued a death sentence on any person who commits incest, adultery, ritual murder of children, homosexuality and bestiality. **Leviticus 18:17-30; 20:13**

SODOM AND GOMORRAH

If God had created Adam and Eve with a flaw, He would never have held them responsible for their actions. God did not make any mistakes in the creation nor did He create evil. **Genesis 1:31**

God did not create Lucifer to be evil. Lucifer became evil when he lusted after power and wanted to be like God. **Ezekiel 28:14-18**

There was eventually a time of judgment for the people living in Sodom and Gomorrah who had corrupted themselves and turned to a homosexual lifestyle. God investigated the charges laid against them by Jesus and two holy angels and judgment fell when the charges were substantiated.

God is not sentimental and will carry out judgments without mercy. **Genesis 18:16-21; 19:1-28**

God has not changed and never will. **Malachi 3:6; Hebrews 13:8**

The death sentence over practicing homosexuals is still in effect and no homosexual can honestly say that God loves their lifestyle. ***It is against the Word of God and God will never violate His own word.***

We do not carry out death sentences today against homosexuals since we do not live under a theocracy like Israel did. We live in secular nations which are not governed by the laws of God.

God does not use governments to punish homosexuals any longer, instead, they are given over to Satan for destruction. Very few homosexuals die of old age since they usually succumb to death between 40 to 50 years of age. Death is working in their bodies and they will never know the peace of God as long as they continue to revel in sin. **Romans 1:18-32**

HOW TO BE SET FREE

There are several things that need to happen in order for you to be set free from homosexuality:

1. You must recognize that it is a sin which can never be justified before God. It is no different than murder, adultery, fornication, theft or lying; sin is sin and it must be acknowledged as such. **1 Corinthians 6:9-10; 1 Timothy 1:8-10; Jude 7**
2. Homosexuality is a spiritual disease caused by demons. As long as the demons of homosexuality are in your body, the homosexual lust will never leave you. You can resist it in the name of Jesus through sheer will power but it will not cure you. The demons have to be removed. This is the reason Jesus commissioned the disciples to cast out demons. **Matthew 10:1; Luke 9:1**
3. You need to change your life style. **Ephesians 5:1-20**
4. Find a church or a strong Christian who knows and has the power to cast out demons.

Remember, it's not so important how you begin your life after salvation, but how you finish it!
