PART 7: WALKING WITH THE FATHER

THE FATHER'S DESIRE FOR HIS CHILDREN

The God of Abraham, Isaac and Jacob is a loving God. The gods of the heathen nations were invented by men and inspired by Satan. These cruel gods demanded human sacrifice and rigid rules and regulations. **1 Kings 11:1-10**

God did not want to build a religion of cruelty and bondage; instead, He wanted a relationship with each of His children, regardless of their earthly status. God loved King David as much as He loved the servants of the king. **Acts 10:34; Romans 2:11**

Salvation and eternal life with God is a gift that cannot be earned. **Ephesians 2:8-10**

Just like earthly parents, our Heavenly Father wants obedience from His children. **Philippians 2:1-13**

Jesus stated that we should keep His commandments if we loved Him. **John 14:15**

JESUS DID NOT CREATE ANY HARSH BURDENS

Jesus looked to the heart/soul of a man and taught that it is not the outward activities that brings sin to a man, but what comes out of his soul that shows the true motives. **Matthew 15:1-20**

Islam, Hinduism, Buddhism, Judaism and any deviation of false Christian sects have this in common: they have no Savior. They only have man-made plans of salvation for a person.

Any plan of salvation that is built upon good works, following rules and regulations will never lead a person to God, but directly to hell. **Acts 4:5-12**

Our Heavenly Father is a God of mercy, forgiveness and love. **Psalms 103:1-14**

Jesus, representing the Father, told us that His yoke is easy and His burden is light. **Matthew 11:25-30**

There are many mansions in our Heavenly Father's house. **John 14:1-4**

The Son of God is the door to heaven. **verses 5-7**

When we are in Jesus, we are in the Father and the works that Jesus did will also be done by His followers. **verses 8-14**

No man can declare that he loves God and show no love for others. God is love and His children should manifest this love on earth. **1 John 3:10-24**
