PART 5: PREPARING FOR THE ANTICHRIST

ALL THE PIECES ARE IN PLACE

What Jesus described to John in the 13th chapter of the Book of Revelation is a reality today. All banks in the world are connected electronically through the internet and New York and London have become the centers of all banking.

When a person writes out a check as payment, it is processed electronically and funds are collected from the bank that issued the check within 24 hours.

Banks are connected to the Department of Homeland Security (DHS) and each transaction is stored for future reference. Almost no financial transactions occur today without the involvement of the DHS.

All nations, with the exception of some third world countries, register new born babies and they are issued some kind of identification number. In the United States it is a social security number. Most transactions require such an ID number. It is impossible in the U.S. to open a bank account without a social security number, get a driver's license, purchase a home, buy a car, etc. You cannot get a passport without a social security number nor can you fly domestically without one.

THE CONTROL SYSTEM

Almost all nations exercise total control over their citizens today. People have gotten used to this system and think nothing about it. All the pieces are in place once Satan decides to enact the Antichrist system.

1. There will be some catastrophic event of such magnitude that all the nations of the world will yield their sovereignty to a world government system. At the forefront will be a brilliant Jewish political leader exhibiting supernatural power and the promise to solve the crisis.

It is interesting that the Peace Deal presented by President Trump on January 29, 2020 was designed by Jared Kushner. Kushner is his Jewish son-in-law and a member of the Kabbalistic Chabad synagogue system.

2. This newly unelected charismatic world leader (Beast) will successfully direct all efforts to solve the crisis. As a result, the world's population will revere him as a savior and he will institute a new global digital currency and abolish cash.
3. Banking will utilize credit and debit cards, unemployment will go down, and people will be prosperous.
4. The Beast will set up his office in a new palace built for him and his government in Jerusalem and oversee the rebuilding of the temple.
5. The inauguration of the temple will be shown on live television, but once the dedication begins, the Beast will enter the holy of holies, sit down in the mercy

seat, and declare he is god. The shock of this announcement will reverberate throughout the world.

6. A devout Jew will assassinate the Beast for his blasphemy but he will be miraculously resurrected three days later by the power of Satan and this is when he will demand worship from the earth's population.
7. At this time, two prophets will show up outside the palace of the Beast and torment him for 3.5 years. These two men will be fearless and invincible for 1,260 days. This is going to greatly anger Satan and the Beast, but they will be powerless as God openly mocks the Antichrist system and hurts their credibility. These two witnesses will be killed by the Beast when God removes their protection but they will be resurrected 3.5 days later and taken to heaven.
8. The credibility of the Beast is tarnished since he was unable to kill the two prophets during the previous 1,260 days. Satan will introduce another beast called the False Prophet who will take over the governing of the earth. This second beast will institute the infamous Mark of the Beast.

Any person who wishes to receive this microchip must take an oath of loyalty to the Beast and the Devil. No man will be able to buy or sell unless they are part of this microchip-based financial system and the naysayers will be forced out of society. The majority of the world's population will take the Mark of the Beast.

Jesus said that any person – Christian or not – who takes the Mark of the Beast is condemned to the Lake of Fire. **Revelation 14:9-13**

As a Christian, you will forfeit your salvation if you take the Mark in an effort to seek a reprieve from the oppressive Beast system.

PREPARING FOR THE ANTICHRIST

There is no rapture before the reign of the Antichrist and this will be a shock for most Christians. The time of the Antichrist will certainly be a difficult time for humanity, especially for those who refuse to take the Mark. It is nearly impossible to live apart from the financial and surveillance grid today, so how are Christians supposed to carry on under the Beast system?

This week I was awakened by the Holy Spirit and given a vision of how to thrive during the Mark of the Beast. All your fleshly contingency plans will fail; it will have to be in the supernatural. If your denomination has neutered sections of the Bible and you don't believe that the Book of Acts, Holy Spirit, and the gift of the Holy Spirit are relevant anymore, then you will be killed just like the Israelites of old. **Hebrews 3:7-19**

There will be large numbers of Christians living somewhat comfortably on the earth 3.5 years into the reign of the Antichrist. Persecution has been limited and there is no Mark of the Beast as of yet. Pastors had told their flocks that the Book of Revelation is simply an allegory and not to be taken literally.

The False Prophet will create a global digital currency that will replace the national currencies, accessed through a microchip implanted in the right hand or forehead. It won't be advertised as the Mark of the Beast, but presented as a completely secure financial system. This identification system will be mandatory but it won't be forced upon

anyone. It will be completely voluntary. That might seem contrary, given that you won't be able to buy or sell without it, but that's the way it will be. Worship can never be taken, it must be given voluntarily. Most of the world's population will go along with this program. I predict that many pastors will open their churches to make it more convenient for church members to receive this Mark of loyalty.

THIS IS NOT Y2K

I was told by a church member early in 1999 that the electrical grid would crash at midnight on December 31st. It was therefore necessary to prepare for riots, food shortages and possible martial law. This member worked for a tech company that installed and maintained computer programs for hundreds of municipalities across the United States. What we did not know was that this company was using the threat of a catastrophic event to enlarge its business and revamp systems that did not need to be overhauled.

The threat seemed credible and so we decided to take it seriously. Church members purchased survival kits of food, water, guns and ammunition, and we gathered together on New Year's Eve for a catastrophic event which never arrived. We had prepared in the flesh and it cost us a lot of money and created disillusion among the members of the church. One nagging question kept popping up: *Why had we not heard from the Holy Spirit?*

Purchasing property in remote areas, building bunkers, and stockpiling food and weapons is not going to help during the reign of the Antichrist. Satellites regularly sweep the earth and cities and roads bristle with surveillance cameras. The surveillance system is only going to grow larger. Add in a new digital currency, and no one will be able to buy any commodity unless they have the Mark of the Beast.

Cash will become useless and those who refuse the Mark will have to barter with gold, silver, or services for the goods they need. The Beast system will be like a python snake that grabs its prey and slowly constricts until it suffocates.

You may have a house, but you won't be able to pay the yearly taxes on it and you also won't have access to natural gas, water or electricity either. The same holds true for your vehicle. You won't be able to pay the yearly registration, nor will you be able to fill it with fuel. It is illegal to travel on roads today without a license plate and the same will hold true during this time. Cameras will record your movement, noting the make and model, but also the license plate.

Christians who have not taken the Mark of the Beast eventually won't have any vehicles. Even if you live in the wilderness, your vehicle will eventually run out of fuel and there is no way you can travel on public roads without running afoul of the Beast system. There will simply be no place to go without the Mark of the Beast!

GOD'S PLANS

I have painted a grim picture of the end times. What hope is there for Christians? Where can we go and how will we survive? The situation I've described is a new take on what has happened in the past. God's people have been in tight circumstances before and they survived supernaturally.

THE EXODUS

There was no way the children of Israel could have left Egypt under the leadership of Moses without the supernatural events (ten plagues) set in motion by God. **Exodus 3:19-20**

Moses was given specific instructions and some three million men, women and children left Egypt along with their cattle. However, they got stuck when they came to the Red Sea because there was no bridge or boats to ferry them across. **Exodus 13:21-22**

God guided them with a cloud during the day and a pillar of fire at night. He used an angel and to put the pillar of fire between the Egyptian army and the people of Israel. It was a supernatural barrier the Egyptians could not penetrate. **Exodus 14:1-12, 19-20**

The children of Israel miraculously passed through the Red Sea. **verse 21**

The Egyptians gave pursuit and God drowned them. **verses 22-31**

If God had only made a small pathway through the Red Sea big enough for the Israelites to walk double file, it would have taken 35 days and nights to travel to the other side. Moving 3 million people across in one day would have required a path 3 miles wide that allowed 5,000 to walk abreast.

MANNA

It was a miracle getting the children of Israel out of Egypt, but it took a long series of miracles to feed them during the 40 year stint in the desert. Imagine the amount of resources it would take to feed 600,000 men alone, plus the women and children. It is estimated that God was feeding three million people a day. **Exodus 12:37**

Shoes and clothing did not wear out for 40 years. **Deuteronomy 29:5**

Bread was baked every day by angels and dropped on the ground. **Exodus 16:4-5**

Look at the following estimated statistics:

- ❖ The Israelites would have needed 4 million pounds of food each day, equaling a line of freight trains 3 miles long.
- ❖ The firewood needed for cooking and warmth would be about 8 million pounds of wood each day. There were no trees in the wilderness, so where did they get the wood? The Bible states they had fire, so God must have supplied the firewood.
- ❖ It is estimated they needed 11 million gallons of water each day. That is a freight train 1,800 miles long.
- ❖ Each time the Israelites stopped and set up camp, they would have needed 750 square miles.

Remember, it's not so important how you begin your life after salvation, but how you finish it!

Do you have an ear to hear with?
