### PART 5: CREATION OF HUMANITY

#### **RIGHTEOUS OR NOT**

Another race of beings would be needed to show God's righteousness. In order to qualify, they too would need a free will and initially be kept ignorant of the angelic space war. The actions of this new race would be like a "reality show" with cameras panning their dwelling place and broadcast live galactically.

Since Lucifer and his followers were confined to the earth, the Godhead decided all events would take place on earth. The Devil would be allowed to act like a prosecutor with access to the courtroom in the second heaven where Jesus would preside as judge. **Job 1:6-12; 2:1-10; Revelation 12:7-12**

As the Godhead looked upon the earth, ferocious fighting had destroyed the planet, causing even more destruction than Berlin experienced at the end of WWII. Water had been used to drown the pre-Adamic people of the earth and the entire surface was now covered with water. There was no illumination on the planet since the star that provided light in the past had been destroyed during the final battle. **Genesis 1:1-2**

The Godhead decided to have God the Son (Jesus) refurbish the earth and make it habitable for the new race to be created. **John 1:1-14; Colossians 1:12-19; Hebrews 1:1-3**

#### **MEASURING TIME**

We have a way of measuring time on earth. God has a completely different way of measuring time in the spiritual dimension. **Daniel 12:5-9**

One day is with the Lord is as a thousand years and a thousand years as one day. The revelation to Peter was a fulfillment of God's promise to Daniel, effectively allowing us to convert eternity time into earthly time. **2 Peter 3:8**

We can deduce God's eternity time by dividing 1,000 years by 24 hours:

- ❖ One hour with God is 41.67 years for man.
- ❖ One minute with God is 8 months and 8 days for man.
- ❖ One second with God is 3 days and 22 hours for man.

The Godhead is eternal, and since time is of no essence, this project would take six days, the equivalent of 6,000 earth years.

#### **THE REFURBISHMENT**

Light was the first thing to be refurbished and it became known as the sun. This included the earth spinning on its own axis while rotating around the sun. Each rotation would mark the passing of one year for the new race. The earth would also tilt back and

forth to create four seasons. This aspect of the project took Jesus one day. **Genesis 1:3-5**

On the second day Jesus created the atmosphere and filled it with different gases. It is estimated that the original mixture was 64% nitrogen, 35% oxygen and 1% of carbon dioxide, neon, hydrogen, etc. In order to create a perfect climate, trillions of gallons of water were repositioned to the upper edge of the atmosphere and frozen into a clear canopy of ice that removed ultraviolet rays from the sun and allowed for even heat distribution of the earth. **Genesis 1:6-8**

The third day began when Jesus changed the land on the planet. The dry land during the reign of Lucifer was lowered to become ocean floor and the ocean floor was raised to become dry land. Jesus raised the land high enough that the continents separated the different oceans. Once dry land had been re-established, Jesus ordered angels to create grasses, herb yielding seeds, and fruit trees. My personal opinion is that Jesus used angels to create all that He commanded. **Genesis 1:9-13**

Jesus turned His attention to the universe on the fourth day. The solar systems, galaxies and other damaged celestial bodies were either refurbished or new ones were created. **Genesis 1:14-19**

The fifth day had a lot of activity. I believe holy angels received blueprints from Jesus and then created what would live in the oceans, lakes, and rivers, and fly in the air. **Genesis 1:20-23**

The sixth day started with Jesus ordering the design and creation of all animals and insects that would live on the land. Once the animal kingdom and insects had been created, the Godhead spoke to itself and said: "Let us make man in our image..." **Genesis 1:24-31**

Jesus would go on to detail how Adam would be created, his task in the garden, what was forbidden, and his need for a wife which would be cloned from one of his ribs. **Genesis 2:7-25**

## **THE SET UP**

In order for all angels – holy and unholy – to accept the testing of Adam and Eve, Jesus would not provide humanity any information about the past with the exception of the earth's refurbishment.

Jesus placed an object in the Garden of Eden which Adam was forbidden to eat. This temptation was placed in the middle of the garden, next to the Tree of Life. Jesus never explained the purpose of the Tree of Knowledge of Good and Evil and why it had been placed there. Adam simply knew it was forbidden and would bring death.

The Godhead knew from the virtual time run that Adam and Eve would fail to resist Lucifer. He had already proved to be a master deceiver, having deceived one third of the angels who had full knowledge of God. Adam and Eve were like lambs encountering a hungry lion.

The Godhead allowed Lucifer to use a creature that was common in the Garden of Eden and would not scare Adam and Eve. Animals exercised a free will like they do now but they could also speak. This is why Eve was not surprised when the serpent

spoke to her. The serpent allowed Lucifer to use his body and this is the reason he was punished by Jesus. **Genesis 3:14**

The sin of Adam affected the earth and its creatures. **Romans 8:19-23**

## **THE TEMPTATION**

Lucifer approached Eve and seduced her to sin. Eve in turn seduced Adam to sin.

**Genesis 3:1-8; 1 Timothy 2:13-14**

Lucifer thought that he had won! He had successfully caused the Eve to rebel against God, and as a consequence, the human race was now condemned to death. **Romans 6:23a**

Angels operated with a free will but there was no redemption when they chose to rebel against God. Unbeknownst to Lucifer, the Godhead in their virtual time run had designed a redemption plan for the human race. **Genesis 3:15**

***Remember, it's not so important how you begin your life after salvation, but how you finish it!***

***Do you have an ear to hear with?***
